2022-2023 PARENT LETTER OF NONFILING

Your 2022-2023 application for federal student aid has been selected for verification. Your parent(s) indicated on the FAFSA that they "will not file" a 2020 federal income tax return. If this information is correct, our office is required to verify that a Federal income tax return was not filed with Internal Revenue Service (IRS). Failure to submit the required document(s) will result in a delay in the processing of your aid. **The student's name and LSU ID should be listed on all documents submitted.**

NOTE: Information is needed for both parents if on the date your FAFSA was filed, your parents were married/re-married or unmarried but living together.

- **Submit a 2020 IRS Letter of Nonfiling dated after October 1, 2021 or later**
  - May be requested online at irs.gov under "Get Your Tax Record"
    - The online tool requires a two-step verification. You will need the following:
      - your SSN and date of birth
      - access to your email account
      - your personal account number from a credit card, mortgage, home equity loan, home equity line of credit or car loan, and
      - a mobile phone with your name on the account.
  - Or by completing a 'Request for Transcript of Tax Return' IRS form 4506-T
    - Verifying that item 7 is selected and the year or period requested is 12/31/2020.
