

# Mike Tiger

Baton Rouge, LA • (225) 555-1234 • mtiger5@lsu.edu

## EDUCATION

---

### Louisiana State University (LSU), Baton Rouge, LA

May 20XX

*Bachelor of Science, Biological Engineering, Minor: Chemistry*

*GPA: 3.15*

**Related Coursework:** Engineering Properties of Biological Materials, Molecular Methods in Biological Engineering, Food and Bioprocess Engineering, Biomechanics for Engineers

## EXPERIENCE

---

### Research Assistant

August 20XX – Present

*Dr. Phillip Butters, Tiger Biomedical Research Facility, LSU, Baton Rouge, LA*

- Collaborated with a team of five other research assistants to examine how insulin affects glucose levels in mice
- Researched methodology of similar topics to determine most effective option
- Gathered and recorded accurate data using Excel for each specimen in order to accurately understand the effects of treatments and report progress to primary investigator
- Created a flowchart outlining specific steps to follow to maintain project integrity
- Analyzed data on a monthly basis to showcase progress of each specimen and overall project

### Intern

May 20XX – August 20XX

*Boston Scientific, Watertown, MA*

- Analyzed statistical data according to Six Sigma methodology
- Tested a variety of equipment using factors such as three-point bed, torque, and column strength
- Authored report on equipment test results to inform Boston Scientific staff on state of equipment
- Presented final research results to approximately 100 professional staff members at Boston Scientific Summer Intern Presentation Day

### Tutor

August 20XX – May 20XX

*Office of Student Support Services, LSU, Baton Rouge, LA*

- Tutored 10+ students in beginner chemistry and physics classes
- Tailored communication and explanations to students based on current level of understanding
- Coached students to develop study schedule to increase time management skills
- Developed semester plans for each student to ensure individualized, quality instruction
- Followed up with each student three times to document progress and make changes throughout semester

### Sales Associate

December 20XX – May 20XX

*TigerPlaza, Baton Rouge, LA*

- Prepared and submitted sales contracts for store orders to accurately fulfill customers' specifications
- Emphasized product features to customers based on analyses of needs and knowledge of product
- Prepared five sales presentations or proposals to explain product specifications or applications

## SKILLS

---

AutoCAD, Microsoft Word, Excel, PowerPoint, Intergraph, RISA, Lotus Notes

## ACTIVITIES

---

Society of Biological Engineers, National Society of Black Engineers, Animal Advocates
