Subject: Schedule for Closing Accounts for FY 09-10

The end of the fiscal year is once again quickly approaching and we must settle FY 09-10 financial operations. To comply with State regulations and provide for timely preparation of financial statements, it is necessary to develop a schedule for concluding financial activity for the current fiscal year. The closing of the accounts for the fiscal year, the preparation of financial statements, and the opening of new accounts for the next fiscal year require a considerable amount of time in the business offices.

All purchases against 2009-2010 appropriations must be received by June 30, 2010 in order to be paid from funds budgeted in the current fiscal year. Payments on orders received after June 30, 2010 will be charged to departmental funds budgeted for FY 10-11. All purchases on restricted sources must also be paid for or accrued at fiscal yearend if received by June 30th.

Procedures and deadlines pertinent to each of the sections of Accounting Services are detailed in the attachments. Copies should be distributed to all staff having responsibilities related to the University’s yearend closing process. In order to more fully explain the changes expected this year, and to provide answers to all questions you and/or your staff may have, the Office of Accounting Services will present its ANNUAL FISCAL YEAREND SEMINAR as follows:

Thursday, May 20th
103 Design Building (Auditorium)
10:00 to 11:00 am

It is extremely important that all Business Managers and the staff they deem appropriate attend the seminar. Your cooperation in complying with the procedures and deadlines outlined in this memo is essential to a successful yearend closeout.
**Direct Charge Invoices**

Direct charge invoices for the current fiscal year should be processed as expenditures against current fiscal year departmental budgets for both unrestricted and restricted accounts. Current fiscal year direct charge invoices that are not paid by the June 30th APS check run may be accrued and charged to current fiscal year budgets via departmentally prepared journal vouchers (JVs). In order to ensure timely processing of your department's direct charge expenditures, please route approved direct charge invoices to Accounts Payable (AP) in accordance with the following schedule:

- **June 7**: Invoices for direct charge purchases received by June 6th due in AP
- **June 14**: Invoices for direct charge purchases received for June 7 – 13, 2010 due in AP; LSU Foundation Check Requests due at the LSU Foundation
- **June 21**: Invoices for direct charge purchases received for June 14 – 20, 2010 due in AP
- **June 28**: Last day for direct charge purchases received for June 21 – 27, 2010 due in AP

**June 29 & After**

JVs are due from departments for University direct charge accruals. Please process separate JVs for restricted accruals and unrestricted accruals. An entry to accrue direct charge invoices not paid as of June 30th should be made in accordance with the following procedure:

In GLS, create an accrual (SJ) journal voucher, entering an effective date of June 30, 2010, and a “Y” in the “7/1 Reversal” field. Add the following information on the accounting information screen:

1. Departmental expenditure account, debit for the amount of the invoice.
2. In the “Offset” section, enter “L” in the “Transaction Type” (TT) field and “2104” in the “Obj” field. An example of the accounting information screen follows:

3. Staple a copy of each direct charge invoice to the JV.
4. Approve the JV and make a copy for department files.
5. Paper clip the original invoices to the JV.
6. Route packet to AP for approval and release in GLS.
7. AP will verify that the original direct charge invoices are attached to the JV accrual received and remove the original invoices and batch them for on-line payment. The JV will be approved and routed to FAR for release in GLS.
8. July ledgers will reflect a debit to the departmental expenditure account as a result of the actual payment of the direct charge invoice in July and a credit to the departmental expenditure account as a result of the automatic reversal (occurring as a result of a “Y” being entered in the “7/1 Reversal” field) of the JV.

Accrual Process in the PRO System

Unrestricted Purchase Orders
All purchases and services received against unrestricted purchase orders must be either (1) paid by June 30th, or (2) charged to your current budget via a system accrual prepared by the AP Office. Expenditures should be reported in the period in which they are incurred so it is critical to review ledgers to identify expenditures incurred and not paid by the June 30th APS check run. For merchandise and services to be charged to the current fiscal year, the merchandise or service must be delivered by June 30th. If a vendor cannot firmly promise delivery by the June 30th deadline, there is no action required by the department because the purchase order balance will be carried forward into the next fiscal year. A PO Alteration must be processed in PRO in order to cancel the balance on the unrestricted encumbrances. The deadline for PO Alterations to be released by the Purchasing Office is June 18th. Unrestricted encumbrance balances after the June 30th APS check run and after the accrual JV is prepared will be carried forward into the next fiscal year. AP will send the final 6/30 Aged Listings to the departments on July 6th for informational purposes only. The Aged Listing will not be used to process the accruals. The accrual will be programmatic calculated based upon the merchandise received as of June 30th and not paid as of June 30th.

Restricted Purchase Orders
All purchases and services received against restricted purchase orders must be either (1) paid by June 30th, or (2) charged to your current budget via a system accrual prepared by the AP Office. GASB 34 and 35 require full accrual accounting effective FYE 06/30/2002. This means that expenditures should be reported in the period in which they are incurred so it is critical to review ledgers to identify expenditures incurred and not paid by the June 30th APS check run. For merchandise and services to be charged to the current fiscal year, the merchandise or service must be delivered by June 30th. Balances on restricted encumbrances after the June 30th APS check run and after the accrual voucher is prepared should reflect items that were not received as of June 30th. These balances will be carried forward into the next fiscal year. AP will send a Final 6/30 Aged Listing to the departments on July 6th for informational purposes only. The aged listing will not be used to process the accruals. The accrual will be programmatic calculated based upon the merchandise received as of June 30th and not paid as of June 30th.

Please create the PRO Electronic Receiving Reports for merchandise received by June 30th and verify both restricted and unrestricted encumbrance balances in accordance with the following schedule:

June 7  
PRO Electronic Receiving Reports for merchandise and services received by June 6th against restricted and unrestricted encumbrances should be processed
June 14  PRO Electronic Receiving Reports for merchandise and services received by June 13th against restricted and unrestricted encumbrances should be processed

June 21  PRO Electronic Receiving Reports for merchandise and services received by June 20th against restricted and unrestricted encumbrances should be processed

July 1 & 2  Last two days to enter PRO Electronic Receiving Reports for merchandise and services received by June 30th against restricted and unrestricted encumbrances. In order for the accrual to be calculated, the received date on the PRO Electronic Receiving Report must be June 30, 2010.

July 6  PO Accrual entries will be available in GLS for review

July 8  PO Accrual JV corrections are due to AP

Balances of unrestricted accruals not paid by the statutory deadline will be refunded to the State and will be charged against next fiscal year’s departmental budgets when paid. Accruals on restricted encumbrances will be reversed and re-encumbered in July.

Purchase Order Alterations (PO Alterations)
June 18  All PO Alterations to be released by the Purchasing Office on unrestricted and restricted encumbrances. It is critical that PO Alterations be processed as early as possible in order to ensure accurate encumbrance balances on GLS to accommodate invoice payment and expenditure transfers.

Ledger Corrections, Adjustments and Transfers
June 14  All JVs for corrections to ledgers and transfers of expenditures appearing on appropriated funds and reflected on departmental ledgers through May 31st are due in AP.

June 28  All JVs for corrections to ledgers and transfers of expenditures are due.

LaCarte Procurement Card BF s
All purchases charged on the university LaCarte procurement card (p-card) that are included on BF s dated prior to June 30th should be processed as expenditures against current fiscal year departmental budgets for both unrestricted and restricted accounts.

LaCarte transactions dated in June that are not included on the final June BF will be charged against FY 10-11 budgets unless departments process accrual JVs. Accrual JVs for LaCarte purchases must be prepared on a separate JV (do not include LaCarte accruals on your direct charge accrual JV) and must be supported by an original itemized receipt. Please attach a copy of the accrual JV and receipts as documentation when the transaction appears on a FY11 LaCarte BF entry.

In GLS, create an accrual JV, entering an effective date of June 30, 2010 and a “Y” in the “7/1 Reversal” field and follow the same procedure outlined in the direct charge invoice accrual section. Do not include transactions already reflected on LaCarte BF s dated prior to June 30, 2010 on accrual JVs. Only transactions made on or before June 30, 2010 not reflected on a FY10 LaCarte BF entry should be accrued.

In an effort to manage the volume of LaCarte BF entries, the following is a proposed schedule for reconciling and releasing to AP (via the on-line P-Card system) the departmental weekly LaCarte BF entries to ensure all purchases made on or before June 30th are charged to this current fiscal year:
June 4  LaCarte/CBA BF's dated through May 31st should be released to AP (RAPS status)
June 11 LaCarte/CBA BF's dated through June 7th should be released to AP
June 18 LaCarte/CBA BF's dated through June 14th should be released to AP
June 25 LaCarte/CBA BF's dated through June 21st should be released to AP
July 2  LaCarte/CBA BF's dated through June 28th should be released to AP
July 6  Last day FY10 LaCarte/CBA BF's will be released to the departments (dated 6/30/10)
July 8  LaCarte/CBA BF's for FY10 should be released to AP. Also, this is the last day to submit accrual JVs for LaCarte purchases not included on any FY10 LaCarte BF entry. The original itemized receipt should be attached to the accrual JV.

BF's not received in AP according to this schedule will be charged to FY 10-11 departmental budgets.

Travel Expenditures
Travel advances issued are not charged to departmental budgets until properly supported Travel Expense Reimbursement Requests (TERR’s) are filed with Accounting Services. In order to ensure all travel expenses are recorded against current fiscal year budgets, please adhere to the cutoffs identified below:

June 7  Travel Expense Reimbursement Requests due for all travel completed through June 6th
June 14 TERR’s due for all travel completed from June 7 – 13, 2010
June 21 TERR’s due for all travel completed from June 14 – 20, 2010
June 25 Final day to submit TERR’s for all travel completed from June 21 – 30, 2010 without an accrual JV. The Travel staff will prepare an accrual JV for the Travel Expense Reimbursement Requests not audited for reimbursement by June 30th.
June 28 & after TERR’s submitted on these days must have an accrual JV placed on top of the request. In order to process the accrual JV, the Travel Expense Reimbursement Request must have the required original AS292 “Request for Authorization to Travel” form or AS516 “Request for Authorization to Reimburse Expenses” form and all original itemized receipts as required by PM-13, University Travel Regulations.

TERR’s not submitted in accordance with the above cutoffs will be charged to departmental budgets in the new fiscal year.

Travel on Personal, Professional and Consulting Services (PPCS) Contracts
Personal, Professional and Consulting Services (PPCS) Contracts in PRO require travel to be authorized on the receiving report, but the actual TERR must be sent to the Travel Office to be processed.

TERR’s received in AP on June 28th and after require an accrual JV with the effective date of June 30, 2010 and a “Y” in the 7/1 Reversal field. Please follow the same procedure outlined in the direct charge invoice accrual section to complete the accrual JV.
**Centrally Bill Accounts (CBAs)**

All CBA transactions (airfare and/or conference registration fees) made in June that do not appear on the final June CBA BF entry should be accrued by the department.

In GLS, create an accrual JV, entering an effective date of **June 30, 2010** and a “Y” in the “7/1 Reversal” field. The description line should read: “Accrue Vendor or Merchant CBA 2010”. Follow the same procedure outlined in the direct charge invoice accrual section to complete the accrual JV. **Transactions already reflected on FY10 CBA BFs should not be accrued.**

The appropriate cost documentation that should be attached to the accrual entries is a copy of the **AS292 “Request for Authorization to Travel” or AS516 “Request for Authorization to Reimburse Expenses”** and the flight itinerary or conference registration form.

Please see the proposed schedule listed under LaCarte BF for processing all FY10 CBA BF to ensure all transactions are charged to the current fiscal year.

**BURSAR OPERATIONS**

125 Thomas Boyd Hall, 578-3357

**Petty Cash**

Departments must clear petty cash funds of all invoices, receipts, etc., leaving only cash in these funds at the end of the fiscal year. Petty Cash Reimbursement Vouchers must be received no later than **June 30, 2010**.

**Accounts Receivable**

Excluding restricted auxiliaries, departments knowing of amounts due the University as of the end of the fiscal year must record such amounts by submitting a Departmental Transmittal (DT) to Bursar Operations. Receivables should be recorded regardless of the source of the indebtedness (i.e., Federal government, State of Louisiana or its subdivisions, faculty, staff, students, or others). All accounts becoming due during FY 09-10 must be recorded by **June 30th**. This information must be received by Bursar Operations no later than **4:00 pm on June 30th**. Restricted auxiliaries will be advised by separate correspondence when to report their accounts receivable.

**Deposits**

The last day for making deposits for FY 09-10 in Bursar Operations will be **June 30th**.
Internal Transactions (ITs)
In order to provide maximum flexibility to all departments for managing their appropriated funds, the following schedule has been established for processing IT billings related to FY09-10 business:

June 1  All rendering departments must submit IT’s to Financial Accounting & Reporting (FAR) for any services or materials rendered through May 31st.

June 14 IT’s for all services or materials rendered through June 13th must be received in FAR.

June 30 Final IT’s for all services and materials rendered during FY10 must be received in FAR to be processed as FY09-10 business.

The only exceptions allowed will be for services rendered through June 30th (e.g., monthly copy machine charges) or for purchases that actually occur on June 30th. ITs for these type exceptions will be accepted by FAR for processing as FY09-10 business until 12 noon on July 1st.

All ITs must be properly completed with appropriate documentation attached, including any special approvals that are required. Incomplete IT’s received in FAR must be returned to the department for further processing, and this may cause the transactions not to be recorded until next fiscal year. Thus, please ensure that all necessary documentation and approvals are attached.

LSU Foundation Check Requests
All LSU Foundation check requests for FY09-10 business must be delivered to the Foundation staff at Lod Cook no later than June 29th. Please attach all appropriate supporting documentation. Without proper documentation, payment of the check request could be delayed until next fiscal year. It is very important that we achieve a proper accounting cutoff for the LSU Foundation. Please call Kate Spikes at 578-4165 with any questions about yearend accounting procedures for the LSU Foundation.

Multiple June 30th Cutoffs & Ledgers
The following dates have been established for the GLS cutoffs and distribution of June 30th ledgers:

June 16  1st 6/30 GLS Cutoff
June 17  Access online June ledgers resulting from the 1st 6/30 GLS cutoff (June 16th)

July 2  2nd 6/30 GLS Cutoff
July 6  Access online ledgers resulting from the 2nd 6/30 GLS cutoff (July 2nd)

July 26  FINAL 6/30 GLS Cutoff
July 27  Access online FINAL ledgers for the fiscal year ended June 30, 2010 (July 26th Final 6/30 GLS Cutoff)
PAYROLL
204 Thomas Boyd Hall, 578-3321

Personnel Actions Forms (PAFs)
All Personnel Action Forms (PAFs) affecting expenditures in FY 09-10 must be processed through HRM and received by Payroll no later than June 18th to ensure that all such charges are recorded in this fiscal year. PAFs received in Payroll after June 18th will be charged to FY 10-11.

Wage Payroll
The last Wage Payroll for FY10 will be expended on Vo 125-30 and cover the period June 5 – 18, 2010. From the 125-30 voucher, Payroll will accrue the payroll expense through June 30th by allocating 80% of Vo 125-30. The accrual will appear on June ledgers as a Transfer Voucher; on the July ledgers, the accrual will be reversed.

Student Payroll
The payroll expense for June 12 – 25, 2010 will be paid on Vo 015-17. Since the 015-17 voucher covers time worked in June, this voucher will be charged to the 09-10 fiscal year. From the 015-17 voucher, Payroll will accrue the payroll expense through June 30th by allocating 30% of Vo 015-17. The accrual will appear on June ledgers as a Transfer Voucher; on the July ledgers, the accrual will be reversed.

Supplement Payroll
The final Supplemental Payroll for FY10 will be distributed on June 30th. Timesheets for the final June supplement are due by June 22nd.

SPONSORED PROGRAM ACCOUNTING
336 Thomas Boyd Hall, 578-5337

Billings/Invoices
Due to agency imposed deadlines, LSU must submit June invoices on state accounts (a “4” in the 6th digit of the account number) from July 1, 2010 through July 15, 2010. In order to meet these deadlines, Sponsored Program Accounting (SPA) must bill from the official University ledgers generated from the 2nd June cutoff (July 2nd).

LSU must accrue all salary, vendor and travel expenditures incurred in FY10. Since most state sponsors require an accurate June invoice regardless of expiration date, it is essential that you provide written documentation to your SPA Analyst of any items not reflected on the ledgers available on July 6th including any items requested for accrual.

State tentative projects must be invoiced by the required deadline indicated in the agreement. Ensure that SPA has the fully executed agreement as soon as possible but no later than June 30th.

Ledgers
Please review your ledgers to ensure expenditures are recorded and encumbrances are liquidated. If necessary, process PRO Electronic Receiving Reports. Also, hand carry invoices, Travel Expense Reimbursement Requests and check requests to AP. Ensure PAFs for both expenditures chargeable directly to a sponsored agreement or used for cost sharing are processed. Overdrafts on sponsored agreements and associated cost sharing and program income accounts must be eliminated. If an account is in an overdraft status, it slows the billing process. However, it is acceptable for some accounts to be in an overdraft status due to extenuating circumstances, such as multi-year agreement, incrementally funded agreement, or a pending request for additional funds.
Cost Sharing
You must cost share from like functions. If an individual is cost sharing to a research account (a “1” in the 7th digit of the account number), the account from which the individual cost shares must be a research account (a “1” in the 7th digit of the account number).

Besides documenting an employee’s time and effort, the PAR is the mechanism used to document cost sharing. Ensure that PARs are certified and returned promptly to the SPA Office. Questions can be directed to Cassie Loupe at 578-1430 or cassiel@lsu.edu.

Cost Transfers
A fully completed AS226 form, copy of the HTML on-line ledger and journal voucher with the correct description must accompany your cost transfer request. Retroactive PAFs are considered cost transfers and an AS227 form must be attached to the form providing an explanation of how this cost benefits the project receiving the charge.

Cost transfers must be processed within 90 days from the end of the month originally recorded. However, May and prior month cost transfers are due in Accounting Services no later than June 14th while June cost transfers are due by June 28th. Retroactive PAFs must be received in Payroll by June 18th. Please allow time for routing through all of the necessary University channels.

Monitoring/Progress Reports
Several state agencies require that we attach the monitoring/progress report to our invoices. Please ensure that May 2010 and June 2010 Monitoring/Progress Reports are hand carried to SPA (336 Thomas Boyd Hall) by June 7, 2010 and July 6, 2010, respectively. This is especially critical for LA Department of Natural Resources (DNR), LA Department of Environmental Quality (DEQ) and LA Department of Wildlife & Fisheries projects.

Agreements Expiring on June 30, 2010
For sponsored projects expiring on June 30, 2010, the requisitions must state that the sponsored agreement expires on June 30, 2010.

As at any other time, supplies and services must be received on or before the sponsored agreement expires. In particular, if a sponsored agreement expires on June 30, 2010, the supplies and services must be received by June 30, 2010.
