Pilot Procurement Code Update

- LSU Pilot Procurement Code revived!
- The Notice of Intent and Policy currently posted on the Procurement website.
- Anticipate completed process as early as Feb 2015
What does Pilot Procurement mean for LSU?

- Provide additional methods of competition
- Flexibility to use cooperative agreements
- Establish competitive thresholds and exceptions to the competitive process
- Sets forth dispute resolution processes
- Establishes standards for integrity in procurements
- Provides a broad range of processes and procedures to be followed by LSU and those seeking to do business with LSU.
