In this Guide

- Adding a cart assignee to your profile
- Assigning a Preferred Value

This guide demonstrates how to add a preferred Cart Assignee to your profile. A Cart Assignee is a Requester who can submit carts. When you select a Requester and specify him/her as your preferred Cart Assignee, the cart for all of your subsequent orders will automatically be assigned to that Requester. When submitting the cart, you can reassign any of these carts to a different Requester, if needed.

**Procedure**

1. From the LSU GeauxShop homepage, access your profile by clicking your name and selecting the **View My Profile** link.

2. Within your profile, click on **User Information and Settings → Cart Assignees**.

3. Click the **Add Assignee...** button.
4. In the resulting pop-up window, enter the search criteria and press the **Search** button.
5. In the resulting window, click the [select] link next to the desired Requester.

6. To designate this person as your preferred Requester, click the **Set as Preferred** button next to their name.

You have now added a Requester and set them as your preferred Cart Assignee.
