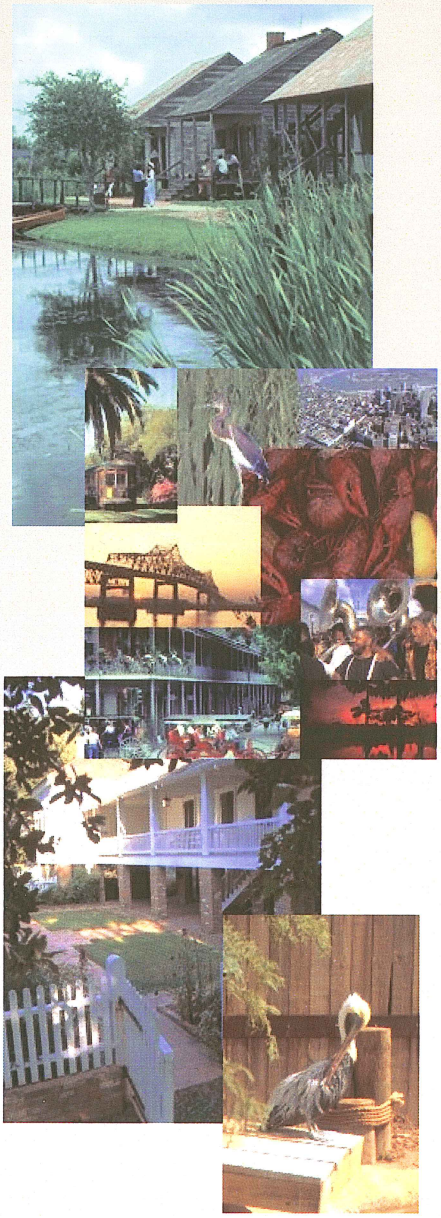
STATE OF LOUISIANA

Equipment Maintenance Management Program

Statewide Program No. 408671

Save your Agency 26% - 35% off your current Equipment Maintenance Contracts with Specialty Underwriters LLC!



- **Specialty Underwriters LLC**
  The State has awarded a contract to Specialty Underwriters for an Equipment Maintenance Program that will save the State a minimum of 26% - 35% of existing maintenance contracts, while allowing State Agencies to continue to use their current service providers.

- **Sample Eligible Equipment Types**
  - Communication Equipment
  - General Office Equipment
  - Information Technology Equipment
  - Laboratory Equipment
  - Mail Room Equipment
  - Medical / Dental Equipment
  - Security / Alarm Systems

- **Equipment Asset Management**
  Program includes comprehensive asset management services that allow you to outsource cumbersome administrative tasks.

- **Agency Reporting Process**
  Customized online access to program materials, forms, real-time inventories and repair activity reports.
  Visit www.su-group.com/maintenance_program-la.asp

- **Improved Vendor Management**
  The Equipment Maintenance Management Program works on behalf of the State to manage all repair and preventive maintenance on covered equipment.
