

Albert H. Lee

Department of Entomology
Louisiana State University
404 Life Sciences Building
Baton Rouge, LA 70803

Email: alee18@lsu.edu or alberthylee@hotmail.com
Phone: (225) 578-7149

Academic Background

Master of Science in Urban Entomology, 2002

University of California, Riverside, California
Thesis under Professor Michael K. Rust:
“Satellite Colony Formation in Argentine Ants”
Cumulative GPA: 3.75

Bachelor of Science in Biology, 2000

University of California, Riverside, California
Cumulative GPA: 3.53

Professional Certifications

UC Riverside Animal Use Certification, 2002
UC Riverside Hazardous Waste Management Certification, 2002

Teaching Experience

Laboratory teaching assistant for Urban Entomology, 2002

- Prepared insect specimens and experiments
- Provided office hours for students who needed assistance
- Administered laboratory and lecture examinations
- Teaching evaluation averaged 6.8 / 7.0 overall

Professional/Academic Honors and Awards

- Odyssey of the Mind Engineering Society: Regional Bay Area Champion 1994
 - Dean's Honor List: 1998, 1999, 2000
 - Chancellor's Honor List: 2000
 - Carl Strom/Western Exterminator Scholarship in Urban Entomology: 2001, 2002
-

Professional Experience

Laboratory Assistant: UC Riverside - summer of 1998, 1999, 2000

- Maintained mosquito colonies
- Assisted in laboratory experiments, prepared solutions, fieldwork, and performed general lab duties.

Research Assistant: UC Riverside – 2002 to Present

- Maintained mosquito and eye gnat colonies
 - General lab duties
 - Worked with chickens and mice to feed colonies
 - Performed experiments with mosquitoes and tadpole shrimp
 - Worked with Coachella Valley Vector Control District on mosquito, tadpole shrimp, and eye gnat control and surveillance.
-

Scholarly Activities

Conferences Attended

- 10th Annual Urban Pest Management Conference - 2001, Riverside, CA

Presentations given at:

- 11th Annual Urban Pest Management Conference - 2002, Riverside, CA
- 4th International Conference on Urban Pests - 2002, Charleston, SC

Magazine Articles

- Pest Control Magazine – Pest Identification Articles (available online at <http://www.pestcontrolmag.com/>)
 1. March 2002: Larger Yellow Ant
 2. April 2002: Crazy Ant
 3. July 2002: German Yellow Jacket
 4. August 2002: Sun Spider
 5. November 2002: Pharaoh Ant

- Pest Control Magazine – Mystery Pest Puzzles
 1. March 2002: Acrobat Ant
 2. November 2002: Weevils
 3. January 2003: Star-nosed mole

Publications

- Lee, A. and M.K. Rust. 2003. Satellite Colony Formation In Argentine Ants (Hymenoptera: Formicidae). Annal of Entomological Society of America. (In press)
-

Service/Volunteer Work

- Special Buddy Program: Riverside, California – 1996
-Exposed elementary school children to the college environment by leading tours and organizing activities around the campus.
 - Entomology Graduate Student Association Computer Consultant: 2001-2002.
 1. Managed and maintained microcomputer facility
 2. Installed new hardware and software
 3. Provided general technical support and consultations
 4. Cleaned primary storage drives and scanned for viruses
 5. Configured systems to the local area network
-
-

Computer Skills:

- Microsoft Windows 95, 98, 98SE, 2000, XP
 - DOS
 - HyperText Markup Language (HTML)
 - Some familiarity with C++
 - Microsoft Office (Word, Excel, Power Point, Front Page, Internet Explorer)
 - Adobe Photoshop 6.0
 - Sigma Stat 3.0
-
