7. Approval of the Board Meeting Schedule for the 2003-2004 Academic Year

Dr. Robert H. Rasmussen, Executive Assistant to the President, addressed this issue.

He reported that it has been the tradition for the Board to approve the meeting schedule for the next academic year at the Board meeting in July. However, due to a conflict with numerous activities, we are attempting to change this process.

Dr. Rasmussen noted that for the last seven or eight years the Joint Meeting with Southern University Board of Supervisors and the LSU Board normally held in December of that calendar year has also created some scheduling problems. Therefore, President Jenkins has written Dr. Leon Tarver, President, Southern University, and requested that we change the Joint Meeting to be held in October of the academic year. Dr. Tarver and Mrs. Helen Johnson, Coordinator of Board of Regents, have concurred with this request. The Joint Meeting will be held on October 30, 2003, at the Pennington Biomedical Center, and the LSU Board will host this event.

Dr. Rasmussen requested that all parties note this schedule for the up-coming academic year on their calendar, and particular attention that the April, 2004 meeting will be held in New Orleans.

Upon motion of Mrs. Leach, seconded by Mrs. Shehee, the Board voted unanimously to approve the Board Meeting Schedule for the 2003-2004 Academic Year. (A copy of this Schedule is attached hereto and made a part hereof).
