At the Committee meeting on Thursday, April 14, 2005, Dr. Carolyn Hargrave, Vice-President for Academic Affairs, LSU System, reported that when the University of New Orleans Office of Admissions began to implement the scholarship package approved by the Board on October 29, 2004, a typographical error was discovered in the document. In this document the number of Napoleon scholarships approved for resident students
was 500 and the number of Decennial scholarships approved was 100; the original intent was to have **500 Decennial** and **100 Napoleon**. Because of the urgency of making timely scholarship offers, President Jenkins authorized Chancellor Tim Ryan to proceed with offering Decennial scholarships beyond the 100 approved by the Board at the October meeting and up to a maximum of 500, subject to ratification by the LSU Board of Supervisors at this meeting.

Dr. Hargrave further noted that she will present a more thorough report to the Board at either the May or July Board meeting concerning the impact of the Board of Regents 2005 admission requirements on enrollment at LSU, LSU-S and UNO.

Upon motion of Mr. Shea, seconded by Mr. Anderson, the Board unanimously voted to approve the following recommendation:

*NOW, THEREFORE, BE IT RESOLVED* that the Board of Supervisors of Louisiana State University and A&M College does hereby ratify the action of the President to increase the number of Decennial scholarships at the University of New Orleans from 100 to 500 and decrease the number of Napoleon scholarships from 500 to 100.

11F3. **Recommendation to amend the General Ticket Policy for football tickets at Louisiana State University**

Upon motion of Mr. Weems, seconded by Dr. Andonie, the Board voted unanimously to approve the following recommendations:

**NOW, THEREFORE, BE IT RESOLVED** that the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College does hereby approve the following recommended changes to the General Ticket Policy, effective with the 2005, football season. (Deletions are in strikethrough and additions *italic-bold*).

**GENERAL POLICY ON DISTRIBUTION OF SEASON TICKETS TO HOME FOOTBALL, BASKETBALL, AND BASEBALL GAMES**

The Ticket Policy concerning football, men's and women's basketball and baseball games, as established by the Board of Supervisors is the general guideline for ticket sales and procedures. This document sets forth the Board's policies relating to the use of football, men's and women's basketball and baseball tickets in one comprehensive announcement. The general procedure has been to place all ticket policies under the control of the Board of Supervisors. This Ticket Policy provides guidelines for ticket reorder priorities, football ticket one time transfer option, ticket holder policies, Alumni Association tickets, student body tickets, Tiger Athletic Foundation tickets, private enterprise/corporation tickets, and individual game tickets.

**Ticket Reorder Priorities**

All season ticket holders, both individual and private enterprise/corporations may, at the discretion of the Athletics Department, renew their tickets each year, provided the ticket renewal order is returned with payment by the deadline date. Tickets not renewed, will revert to the LSU Athletics Department for resale.

LSU reserves the right to deny renewal privileges and to change the seat location of any season ticket holder, for any reason deemed necessary and appropriate by the Athletics Department.

**Football Season Ticket One-Time Transfer**

Season ticket holders for the sport of football may request a one-time transfer of any number of tickets for which it is a ticket holder of record with the LSU Athletics Department to any other person or persons. To do so, the season ticket holder must notify the ticket office in writing on a notarized form of the desired change. A form for such transfer will be available at the Athletic Ticket Office and on LSU’s official website during the transfer period. This option is only available for a limited time and requests for transfers must be received by the LSU Ticket Office no earlier than January 5, 2004, and no later than April 15, 2004. A faculty or staff member who is a transferee under the provisions of this paragraph shall not be eligible for the benefits of paragraph 3 of the General Pricing Policy for Home Football Games, adopted this date. (August 21, 2003)
Football Season Tickets Held By Endowed Scholarship Donors – One-Time Transfer

Season ticket holders who hold certain football tickets as a result of their endowment of a scholarship fund for athletics (the “endowed ticket holders”) were not eligible for the one-time transfer option provided to other season ticket holders in 2004. Therefore, the endowed ticket holders will be offered a similar one-time transfer option, as described below. The endowed ticket holders may request a one-time transfer of those tickets they receive as a result of the endowment with the LSU Athletics Department to any other person or persons, provided those persons agree to make the annual Tradition Fund contributions for such tickets. To do so, the endowed ticket holder must notify the ticket office in writing on a notarized form of the desired change. A form for such transfer will be mailed to all endowed ticket holders at their last known address, and will also be available at the Athletic Ticket Office and on LSU’s official website during the transfer period. This option is only available for a limited time and requests for transfers must be received by the LSU Ticket Office no later than May 31, 2006. A faculty or staff member who is a transferee under the provisions of this paragraph shall not be eligible for the benefits of paragraph 3 of the General Pricing Policy for Home Football Games under this Ticket Policy. (April 2005)
