Upon establishing a higher Board-approval threshold, the President shall not delegate approval authority for compensation exceeding $125,000. 8. General pay plans, including across-the-board pay raises which are granted to all or substantially all of the employees of a campus or institution.

9. Any other personnel action which the President determines should be reviewed at the System level. Such determinations may be made individually or be established for the System as a whole, for individual campuses or institutions, or for classes of employees either across the System or at specific campuses or institutions.

C. Personnel Actions which may be delegated by the President

Authority to take all other personnel actions is hereby delegated by the Board to the President, who may further delegate such authority, by a Permanent Memorandum, as he deems to be in the best interests of LSU, provided such actions are taken in accordance with the requirements for form, and reporting set forth in sections D and E of this policy.

D. Form of Letters of Appointment and Similar Agreements

All letters of appointment, contracts of employment, or other written employment agreements between LSU and any of its employees containing any special provisions not provided for in written general policy, shall either (i) use only the language prescribed for such agreements by the President in a standardized template or form (which is encouraged); or (ii) be approved as to form and legal sufficiency by the System Office of General Counsel prior to being signed.

4. Any additional information required by the President.
G. **Emergency Action by President**

When circumstances require action on a personnel matter that would otherwise require approval of the Board involving faculty or an academic administrator of the rank of Vice Chancellor or below and, through no neglect of the campus, the matter cannot timely be presented to the Board, the President may take such final action. A report of the action, along with justification and a description of the circumstances shall be sent to the Board within ten (10) calendar days of the President’s approval.

H. **Miscellaneous**

1. For purposes of this policy and the Permanent Memorandum to be issued by the President, “compensation” includes all income covered on any check issued (or electronic transmittal) by Louisiana State University for any compensation purposes as well as all income from other sources, including affiliated foundations, paid as compensation for work done on behalf of LSU or pursuant to the employment agreement with LSU. BE IT FURTHER RESOLVED that this resolution be effective as of June 30, 2008.

10C2. Consideration of increases in resident and non-resident tuition and mandatory attendance fees as authorized by the 2008 Regular Legislative Session, and otherwise in accordance with law (AMENDED)

The 2008 Regular Legislative Session (House Bill 734) authorized tuition increases of up to five (5%) percent for public higher education institutions for 2008-2009 through 2011-2012. This legislation decrees the Board of Regents to develop guidelines in accordance with the Southern Regional Education Board (SREB) in order to determine appropriate tuition and mandatory attendance fees based on institutional peers and their respective median tuitions and mandatory attendance fees.

Dr. John McDonald, Chancellor, LSUHSC-Shreveport, advised that his campus would only accept a three (3%) percent increase and not the five (5%) percent authorized by the Legislature. He noted that tuition revenue on the medical school campus enhances a small part of the overall budget. As indicated by Dr. McDonald, “it may be of great importance to the students … but it makes virtually no difference to the future of the medical center.”

Concern was expressed by Mr. Roy that in order to avoid future ramifications with the Legislature, the university system campuses should accept the extra tuition revenue as authorized during this legislative session.

Upon motion of Mr. Kimble, seconded by Mr. Jacobs, the Board voted unanimously to approve the following resolution, as amended:

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Louisiana State University and Agricultural & Mechanical College does hereby authorize that the total of annual tuition and mandatory fees be increased as follows:

1. From $4,688.40 to $4,922.40 or $234.00 for resident undergraduate students taking 15 credit hours.

BE IT FURTHER RESOLVED that each campus shall take reasonable steps to make known to prospective students affected by the increases the criteria and procedures for obtaining a waiver so that the prospective student can be aware of the increase and the availability of waivers prior to making a final decision concerning attendance at the campus.

10D. **Property and Facilities Committee**

Mr. Mount, Chairman, Property and Facilities Committee, reported that the Committee met and recommends that the following resolutions receive Board approval.

Upon motion of Mr. Mount, seconded by Mrs. Reese, the Board voted unanimously to approve the following resolutions:

10D1. **Recommendation to approve a Supplemental Cooperative Endeavor Agreement / Space Act Agreement for shared capabilities at the National Center for Advanced Manufacturing at the NASA-MSFC Michoud Assembly Facility.**

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Louisiana State University and Agricultural & Mechanical College authorizes Dr. John V.
