12B. Finance, Infrastructure, and Core Development

Mr. Anderson, Chair, that the Committee received the following recommendations, and (2) reports and added to the agenda Item No.6.
12B1. Request from LSU Health Sciences Center Shreveport for authorization of Non-Resident Fee Exemptions in the School of Allied Health Professions

Upon motion of Mr. Anderson, seconded by Dr. George, the Board unanimously voted to approve the following resolution:

WHEREAS, LSU Health Science Center Shreveport seeks to encourage high caliber candidates from surrounding communities in the ArkLaTex area to apply to attend the School of Allied Health Professions in Shreveport;

WHEREAS, LSU Health Science Center Shreveport seeks to assist in the recruitment of students into lower enrollment programs in the School of Allied Health Professions;

WHEREAS, LSU Health Science Center Shreveport seeks to increase the likelihood that non-resident students elect to work in Louisiana upon graduation after having received an education at LSU Health Science Center Shreveport;

NOW THEREFORE, BE IT RESOLVED that the Board of Supervisors of the Louisiana State University and Agricultural and Mechanical College does hereby authorize a program for the exemption of the non-resident fee at Louisiana State University Health Science Center Shreveport for certain Texas and Arkansas residents that are accepted into low enrollment programs of the School of Allied Health Professions effective with the Summer 2013 academic term;

BE IT FURTHER RESOLVED that Louisiana State University Health Science Center – Shreveport is bound by the Board of Supervisors’ policy and therefore it shall maintain: 1) written policy with eligibility criteria, amounts, and selection and appeal processes; 2) appropriate methods of award distribution; 3) appropriate administrative procedures to ensure student eligibility for initial appointment and for retaining awards and financial assistance;

BE IT FURTHER RESOLVED that the Board of Supervisors of the Louisiana State University and Agricultural and Mechanical College does hereby provide the Chancellor authority to propose an annual scholarship budget, subject to final approval by the Board of Supervisors during the operating budget approval process. However, any proposed change in the fundamental principles of these exemptions may require Board and/or legislative approval and all such proposed changes shall be timely provided to the Board for review and approval.

12B2. Request from LSU and A&M College for the establishment of restricted accounts in departments that collect self-generated fees from the rental of facilities, equipment, land, and/or high performance computing systems for non-academic purposes or functions

Upon motion of Mr. Anderson, seconded by Dr. George, the Board unanimously voted to approve the following resolution:

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College does hereby approve the restriction of all self-generated revenues generated by usage fees charged by the LSU Center for Computation and Technology Center (CCT) to external users such as visual effects and/or digital media companies, and research related entities for the use of its high performance computing system. The restricted self-generated funds are to be used exclusively for the operation and maintenance of CCT’s high performance computing system, including acquisition of new equipment;
BE IT FURTHER RESOLVED that the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College does hereby approve the restriction of all self-generated revenues generated by usage fees charged by departments and units who are responsible for facilities used for performances, meetings, presentations, and other non-academic functions. The restricted self-generated funds are to be used exclusively for the operation and maintenance of these venues, including acquisition of new equipment.

BE IT FURTHER RESOLVED that the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College does hereby approve the restriction of all self-generated revenues generated by the Louisiana Business Technology Center (LBTC) from the operations of the business incubator and the LSU Innovation Park. The restricted self-generated funds are to be used exclusively for the operation and maintenance of the LBTC including acquisition of new equipment and future improvements to the LSU Innovation Park.

No Board action required.

12B5. Approval of the FY 2012-2013 Supplemental Appropriation and FY 2013-2014 Appropriation Institution Distribution

Upon motion of Mr. Anderson, seconded by Dr. George, the Board voted unanimously to approve the following resolution:

WHEREAS, Article VII, Section 5 [D] [4] of the Louisiana Constitution requires the Board of Regents to develop a funding formula as a component of the Master Plan for Public Postsecondary Education for the equitable distribution of funds to the institutions of postsecondary education; and

WHEREAS, Article VIII, Section 12 of the Louisiana Constitution states that appropriations for the institutions of higher education shall be made to their managing boards and the funds appropriated shall be administered by the managing boards and used solely as provided by law.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Louisiana State University and Agricultural & Mechanical College that the Board authorizes the President of the LSU System with notice to the Board to act on behalf of the Board in presenting the methodology and distribution of appropriations to the institutions of the LSU System to the Board of Regents, the Legislature or its committees as required between meetings of the Board of Supervisors, and hereby delegates all such authority necessary to accomplish such purposes.

BE IT FURTHER RESOLVED that the actions taken herein constitute approvals of the appropriations, not specific approval of the operating budgets of any budget entity of the LSU System, as required, which approvals remain with the Board or President, each respectively, pursuant to the Bylaws and as provided by law.
Minutes - Regular Board Meeting  
June 7, 2013

12B6. Request from the Administrative Officers of the campuses and hospitals to write-off uncollectible receivable accounts as of June 30, 2013: Revised

Upon motion of Mr. Anderson, seconded by Dr. George, the Board voted unanimously to approve the following resolution:

**NOW, THEREFORE, BE IT RESOLVED** that the Board of Supervisors of Louisiana State University and Agricultural & Mechanical College does hereby authorize the write-off of accounts receivable for fiscal year 2012-13 which are deemed to be uncollectible and chargeable against the respective funds, without prejudice to the continuing right to collect such sums.

Mr. Angelle moved to amend this item as such:

12B7. Request to Authorize the President of the LSU System to Approve Contemplated Tuition and Fee Increases Provided in HB 671 that was Approved by the Louisiana Legislature, Contingent Upon the Instrument Becoming Law (AMENDED) (Added to Agenda)

Upon motion of Mr. Anderson, seconded by Dr. George, the Board voted unanimously to approve the following resolution:

**WHEREAS**, House Bill 671 of the 2013 legislative session allows the Board of Supervisors of Louisiana State University to authorize a dental supply fee of $300 per year for students in the doctor of dental surgery program, the dental hygiene program, and the dental laboratory technology programs at Louisiana State University Health Science Center in New Orleans; and

**WHEREAS**, House Bill 671 of the 2013 legislative session allows the Board of Supervisors of Louisiana State University to authorize a prosthetic device fee of $275 per year for second year students in the doctor of dental surgery program at the LSU Health Science Center in New Orleans, and

**WHEREAS**, House Bill 671 of the 2013 legislative session allows the Board of Supervisors of Louisiana State University to authorize a digital media program fee not to exceed $2,500 per semester for students enrolled in graduate and professional degree programs in digital media at Louisiana State University and A&M College; and

**WHEREAS**, House Bill 671 of the 2013 legislative session allows the Board of Supervisors of Louisiana State University to authorize a building use fee not to exceed $48 per semester to be used for construction, acquisition, repair, maintenance, operation or improvements to facilities and physical infrastructure of the institution collecting the fee; and

**WHEREAS**, House Bill 671 of the 2013 legislative session allows the Board of Supervisors of Louisiana State University to set the tuition and attendance fees for students enrolled in an academic degree program offered entirely through distance education as defined by the Southern Association of Colleges and Schools beginning with the Fall 2013 semester; and

**WHEREAS**, House Bill 671 of the 2013 legislative session has yet to become law by signature or inaction by the Governor of the State of Louisiana;
NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Louisiana State University and Agricultural & Mechanical College does hereby authorize the President, as he determines to be in the best interests of the University, to approve the tuition and fee increases pursuant to House Bill 671 of the 2013 Legislative Session contingent upon that instrument becoming law; and

BE IT FURTHER RESOLVED that the Board of Supervisors of Louisiana State University and Agricultural & Mechanical College does hereby authorize its institutions to utilize existing financial hardship waiver policies previously approved by the Board in waiving the tuition and fees authorized in HB671 in cases of financial hardship

12C. Property and Facilities Committee
