The College of Music & Dramatic Arts is comprised of the Department of Theatre and the School of Music. The Department of Theatre offers theatrical productions under the joint auspices of the LSU Theatre and Swine Palace Productions, the latter being an affiliated actors’ equity professional company. Divisions in the School of Music are: Academic Studies, Bands, Ensembles and Conducting, Instrumental, Keyboard, Music Education, and Voice/Opera. Both the Department of Theatre and the School of Music offer comprehensive degree programs from the baccalaureate through the doctorate.

The primary goals of the college are:

• to offer advanced training in the performing arts to students who are committed to developing their innate talents;
• to make the performing arts a cultural asset in their lives and the lives of others;
• to prepare graduates for leadership roles and careers in the performing arts.

The School of Music and the Department of Theatre at LSU have long been recognized regionally and nationally for the quality of their performance and research programs. Their faculties have distinguished themselves as specialists in their fields and many currently lead their respective discipline’s professional associations. Student groups have appeared as invited featured performers at the Kennedy Center in Washington, D.C., and at national and regional conferences and conventions.

The college provides numerous public performances and opportunities for artistic learning and cultural enrichment throughout the year for students and the community at large.

ADMISSION REQUIREMENTS

From University College • Students may be admitted to the College of Music & Dramatic Arts from University College on the bases given in the University College section of this catalog, provided that they have credit for the freshman-year courses of the curriculum they plan to follow and with an audition for the appropriate faculty (audition required for music majors, not for theatre majors).

Students must have earned an overall average of 2.00 or better in order to be admitted unconditionally to the Bachelor of Music and Bachelor of Arts degree programs and 2.25 or better to be admitted unconditionally to the Bachelor of Music Education degree program. Freshmen who plan to work for a degree in music or theatre should register for the courses listed in the freshman year of the curriculum of their choice. Music students must audition before they register for music major courses.

By Transfer • Transfer students from other divisions of the University or from other colleges and universities who have met the general entrance requirements of the University, who have completed college courses equivalent to those offered in University College, and who have passed the required audition for admission may be admitted to the college.

All transfer students in music must take an advisory examination in theory. This includes ear-training, keyboard work, harmonization, and analysis. The results of the examination will be used to aid in planning a practical schedule of courses consistent with the student’s training and ability. The examinations are given at stated times during registration in each semester or summer term. Students in music degree programs also must audition. See the “School of Music” information in this chapter.

CORRESPONDENCE AND EXTENSION CREDIT

Up to one-fourth of the number of hours required for the baccalaureate degree may be taken in correspondence and/or extension courses. Acceptance of such work is contingent upon its applicability to the student’s curriculum; therefore, students should obtain approval from the dean of the College of Music & Dramatic Arts before registering for correspondence courses. Correspondence study in music theory and work in applied music completed through other universities or colleges must be verified by examination and auditions.

REQUIREMENTS FOR A SECOND BACHELOR’S DEGREE

A person holding a baccalaureate degree who wishes to obtain a second baccalaureate degree through this college must satisfactorily complete all requirements in the curriculum selected. In addition, general University requirements for a second bachelor's degree must be met.

PHI KAPPA PHI

Phi Kappa Phi, a national scholastic honor society founded in 1897, now contains 282 chapters nationwide. It is one of the most prestigious scholastic honor societies in the U.S. The LSU chapter was founded in 1930 as the 43rd chapter in the nation. At the present time, the national office is located on this campus in the French House.

The primary objectives of Phi Kappa Phi are to promote the pursuit of excellence in higher education and to recognize outstanding achievement by students and faculty through election to membership and through various awards and fellowships. Phi Kappa Phi is unique because it recognizes superior scholarship in all academic fields, rather than restricting membership to a limited field.

Junior in the top five percent and seniors and graduate students in the top ten percent of their classes may be invited to become members of Phi Kappa Phi. New LSU Phi Kappa Phi members are initiated and honored in the spring semester each year and wear identifying ribbons on their academic gowns at commencement exercises.

The School of Music offers several curricula and special courses of vocational as well as avocational nature. These curricula are outlined below. The vocational programs prepare students to be performers, composers, scholars, or teachers and culminate with the undergraduate degree, Bachelor of Music. The Bachelor of Music Education degree is designed to train students to teach vocal and instrumental music in the public schools where state certification is required. Persons wishing to become a music instructor must re-audition. Auditions may also be arranged during walk-through registration at the beginning of each semester.

**GENERAL REQUIREMENTS**

All students enrolled for private lessons in performance, regardless of their college or school (with the exception of graduate keyboard and graduate voice students) may, at the discretion of the dean of the School of Music, in consultation with the conductor of the organization concerned and the applied teacher, be required to participate in one of the major performing organizations for laboratory experience.

Students are not charged for private lessons or for use of school-owned instruments, equipment, or practice rooms, although a maintenance/repair fee may be charged. A fee of $10 per year is charged for use of a locker; a nonrefundable fee of $75 is charged when a recital is scheduled.

An honors curriculum is available within the Bachelor of Music curriculum. Students should contact the Honors College and the School of Music for details.

Electives may include six semester hours of basic ROTC. All students in the School of Music are required to take those courses in science, humanities, social sciences, analytical reasoning, and fine arts which will satisfy the general education requirement. Please refer to the list of approved general education courses which can be found in a separate section of this catalog.

At the completion of the fourth semester of study, all majors in music and music education will be required to take a performance examination which will determine continued study as a major at the junior level. Composition majors will be required to submit written examples of their work to the appropriate undergraduate committee. Consult the guidelines, standards, and procedures developed by each individual area.

**BACHELOR OF MUSIC DEGREE REQUIREMENTS**

- completion of a minimum of 131 semester hours with a grade-point average of 2.00 or better on all work attempted;
- a grade of "C" or better in all required music courses.

BACHELOR OF MUSIC EDUCATION

In view of its responsibility to the teaching profession, the School of Music reserves the right to review at any time a student's suitability to continue in the teacher education program in music education. Faculty members are encouraged to monitor the growth of prospective students enrolled in the program.

After completion of 24 semester hours with at least a 2.25 GPA, students will be eligible for the first level of admission into the music education program within the School of Music, the Basic Education Program. This means that the student has formally declared a major, but is not yet eligible for admission to the second level, the Teacher Education Program. Students must qualify for the second level before they have earned 75 semester hours.

To qualify for and remain in the Teacher Education Program at the conclusion of the sophomore year, students must fulfill requirements of the sophomore upper-level examinations in music education. Each student must:

- pass the applied music upper-level examinations for music education majors;
- achieve a passing score on the Reading, Writing, and Math sections of the Pre-Professional Skills Test of the PRAXIS series. (Specific information and registration forms are available from the student's adviser);
- pass a piano proficiency examination and piano majors must satisfy vocal proficiency requirements;
- have a minimum 2.50 GPA;
- have favorable evaluations of ensemble work by the appropriate ensemble directors; and
- have a favorable recommendation by the music education faculty on the basis of an interview with that faculty.

Students will not be allowed to take EDCI 3136, MUED 3170, 3171, 3630, or PSYC 4070 until they have been accepted into the teacher education program in music education by successfully completing the fourth semester performance examination.

All students are expected to earn a grade of "C" or better in one of the following or have the equivalent transfer credit: ENGL 1002, 1003, 1005 (international students), 2001, or 2002. Students who fail to do so must repeat the course. Any student not declared proficient within six semesters after entering the School of Music will be dropped from the music education program.

Students enrolled in the music education program who fail to earn a minimum 2.00 GPA for two consecutive semesters will be dropped from the program.

Students within 14 semester hours of graduation who are not qualified for student teaching will be dropped from the program.

A substantial portion of the 180 clock hours in actual teaching must be on an all-day basis.

No student may schedule more than 15 semester hours of work during the semester in which student teaching is done. Any student who is within 14 hours of graduation and is not qualified for supervised student teaching will be dropped from the program.

To be permitted to do student teaching, the student must meet the following requirements:

- attainment of senior standing in the School of Music, with an overall average of 2.50 on all work attempted and on all work at LSU, with no grade lower than "C" in all music courses and professional education courses, including PSYC 4070, regardless of the institution(s) attended.

CURRICULUM IN MUSIC THERAPY

LSU has a program in music therapy coordinated with Loyola University in New Orleans. Contact the assistant dean of the LSU School of Music for information.

BACHELOR OF ARTS DEGREE REQUIREMENTS

Effective August 1998, the music concentration under the Bachelor of Arts in Liberal Arts was transferred from the College of Arts & Sciences to the College of Music & Dramatic Arts. The program was also renamed the Bachelor of Arts in Music. The B.A. in Music degree is a viable alternative for those students who prefer a more flexible and less intensive music curriculum than is possible under the Bachelor of Music Education or Bachelor of Music curricula. The B.A. in Music degree could prepare students for careers in arts administration, the music business industry, or for further study at the graduate level in music history or music theory.

The Department of Theatre emphasizes the liberal arts tradition in its baccalaureate degree program. A rigorous and comprehensive program of study supports concentrations in performance, design/technology, theatre studies, and literature/theory/history, in addition to a dance minor. With the addition of Swine Palace Productions, the department has distinguished itself as one of the few programs in the country with an affiliate professional Equity theatre. Students have the opportunity to work alongside world-class artists in every facet of production. The LSU Department of Theatre fosters creativity and originality in its stage productions and scholarships; and offers a learning environment unique to the region.
