LSU awards scholarships in the form of cash awards, full tuition and nonresident fee exemption, room and board, and employment opportunities to students who meet certain academic qualifications.

The scholarships listed for entering freshmen are awarded mainly on the basis of standardized test scores (ACT/SAT) and high school record.

In addition to the scholarship programs, the LSU Office of Student Aid & Scholarships administers a number of federally funded financial aid programs totaling approximately \$150 million annually for students who qualify on the basis of need.

LSU SCHOLARSHIPS AVAILABLE TO ENTERING FRESHMEN

Most awards listed below are valid for one year of undergraduate study. Each may be renewed annually as long as the recipient meets academic requirements. The maximum term of the award is four years or until the recipient receives an undergraduate degree, whichever occurs first.

Louisiana residents selected for the scholarships listed below will likely qualify for tuition assistance and cash stipends through the state's TOPS program. See the section titled "Louisiana's Tuition Opportunity Program for Students, TOPS."

Application Procedure

The LSU "Application for Undergraduate Admissions" is an automatic application for entering freshmen scholarships. The online application must be submitted along with an official high school transcript, standardized test scores, and all other required information to the Office of Undergraduate Admissions, 110 Thomas Boyd Hall, LSU, Baton Rouge, Louisiana 70803-2802. The priority date for full consideration for LSU's scholarship programs is **November 15**.

Notification of scholarship recipients normally begins in December. Students are considered based on a six-semester transcript once they have been admitted to the University. To be guaranteed consideration, standardized test scores must be received by **November 15**.

Chancellor's Alumni Scholarships

These scholarships, funded through endowments made to the University by Gordon A. Cain and Fred H. Fenn, are LSU's most prestigious awards.

To be considered, a candidate must have either a Critical Reading and Mathematics SAT score of at least 1460 or a composite ACT score of at least 33 as well as a 3.50 computed grade point average. The essay portion of the SAT and ACT will be used for additional screening of the applicants. Students will be notified in early January if they are selected to compete for this award which includes a weekend of on-campus interviews and other events held in late February. The students selected receive either:

The student may choose the Chancellor's Student Aid position in lieu of the research program.

- Each recipient will receive a cash stipend of \$2,000 toward the cost of an approved Study Abroad program which may be utilized at anytime throughout the duration of the scholarship.
- Nonresident students receiving this award are eligible to receive a *Golden Oaks* award which covers tuition and the nonresident fee.

ROTC Scholarships

Air Force ROTC Scholarships

The Air Force ROTC College Scholarships Program offers assistance to outstanding men and women who enroll in the Air Force ROTC program. Most scholarships provide for payment of tuition (resident and nonresident), textbook expenses, laboratory and associated fees for required classes, and also include a tax-free monthly allowance during the school year. Freshmen will receive \$250 per month; sophomores will receive \$300 per month; juniors will receive \$350 per month; and seniors will receive \$400 per month. Male and female high school students are eligible for the four-year scholarship program if they complete an application prior to December 1 of their senior year.

For applications and procedures, interested students should apply to LSU and Air Force ROTC early during their senior year. Scholarship applications can be obtained by visiting the web site: www.afrotc.com.

After applying, the student competes for the awards against other highly qualified students from around the nation.

Additionally, cadets enrolled in college have opportunities to be awarded scholarships ranging from one to three and one-half years, depending upon their academic major and quality factors.

Army ROTC Scholarships

The Army ROTC Scholarship Program is designed to offer financial assistance to outstanding men and women who are interested in serving as an officer in the Army. Each scholarship provides for all tuition (resident and nonresident), Student Health Service fee, laboratory fees, other required fees, \$900 per

year for books, and \$250-\$400 per month subsistence allowance for up to 10 academic months each year the scholarship is in effect.

Scholarships may be awarded for two, three, three and one-half, or four years. Four-year scholarships are open, on a competitive basis, to high school juniors and seniors. Applications for four-year scholarships must be completed and returned *prior to November 15* of the student's senior year in high school. Applications may be completed online at www.armyrotc.com or obtained by calling 1-800-USAROTC. The on-campus three- and two-year scholarships are open, on a competitive basis, to all qualified freshmen and sophomores. Applications for these scholarships are obtained from the Professor of Military Science. In addition to the benefits provided by Army ROTC scholarships, LSU will provide room and board at no cost to all ROTC scholarship recipients. For most of the scholarships, a student can expect to incur an active duty obligation of four years upon graduation and commissioning.

Navy ROTC Scholarships

The National Competition Navy ROTC Scholarship Program is designed to provide four, three, or two years of financial assistance to outstanding young men and women working toward the bachelor's degree. NROTC scholarships provide for the University fee, nonresident fee, books, laboratory fees, and \$100 per month subsistence allowance.

Interested students should apply to the NROTC Navy-Marine Corps Scholarship Program, P.O. Box 5909, Washington, DC 20014 before December 1 or contact the Navy recruiter at the NROTC Unit, Southern University, Baton Rouge; telephone 225/771-4370 or 774-3521 (collect).

LSU students who join the Naval ROTC Program at Southern University become eligible to compete for NROTC scholarships while actively participating in the program. These scholarships are awarded following each semester's performance. The Professor of Naval Science nominates students enrolled in the NROTC college program based on their demonstrated academic performance and aptitude for service as commissioned officers in the U.S. Navy or Marine Corps. Midshipmen may choose the Marine Corps option prior to beginning their junior year.

Additional information may be obtained by contacting the Professor of Naval Science, NROTC Unit, Southern University, Baton Rouge 70813; telephone 225/771-4370 or 225/774-3521 (collect). Students incur no obligation while participating in the freshman and sophomore years of NROTC. There is no additional cost to LSU students to cross-enroll in the NROTC Program.

TOPS—Louisiana's Tuition Opportunity Program for Students

Louisiana residents meeting certain eligibility requirements will qualify for tuition assistance and, in some cases, cash stipends through this state-funded program. TOPS has three components: (1) the *Opportunity Award* provides tuition assistance for four years; (2) the *Performance Award* provides tuition assistance and a \$400 per year cash stipend for

four years; and (3) the *Honors Award* provides tuition assistance and a cash stipend of \$800 per year for four years. Each of these components has certain ACT score and gpa requirements; in addition, all TOPS awards require 16.5 units of specified high school course work.

To apply for TOPS awards, the Free Application for Federal Student Aid (FAFSA), which corresponds to the year in which the student plans to enroll, must be submitted by the deadline published in the FAFSA.

More detailed information on these programs may be obtained from the Louisiana Office of Student Financial Assistance, Scholarship Division, P. O. Box 91202, Baton Rouge, Louisiana 70821-9202 or by visiting their web site at www.osfa.state.la.us.

FEDERAL FINANCIAL AID PROGRAMS

LSU administers all Title IV federal programs which are based on a student's demonstrated financial need. Funds received from the federal programs help students to cover school expenses, including tuition and fees, room and board, books and supplies, and transportation. All such programs are subject to regulations authorized by the United States Department of Education, as well as University policies consistent with these federal regulations and are subject to change.

Detailed information on these programs can be found on the Internet at www.lsu.edu/financialaid.

Eligibility for Financial Aid

All students must meet the following criteria to apply for Title IV federal aid—grants, work study, and loans:

- Be enrolled as a regular student in a degree-granting or certificate program.
- Be a U.S. citizen or eligible noncitizen (permanent resident).
- Be enrolled at least half-time (most programs—regular semesters: undergraduate, six hours; graduate, five hours; summer term: undergraduate and graduate, three hours).
- Not be in default on prior student loans or owe a refund on a federal grant.
- Be making satisfactory academic progress as described in the section, *Satisfactory Academic Progress for Purposes of Financial Aid Eligibility*.

Application for Federal Financial Aid

Students who wish to apply for the programs described in this section should file either the *Free Application for Federal Student Aid* (FAFSA) or the *Renewal Application*. The FAFSA is available online at www.fafsa.ed.gov. It is recommended that the application be filed no later than March 1 for summer or fall enrollment or October 1 for spring enrollment. These applications cover aid awarded for the upcoming academic year (beginning with the summer term) and application must be made each year.

Once the Office of Student Aid & Scholarships has received your FAFSA, additional documentation will be requested

through your PAWS accounts. To receive a loan for the academic year, the deadline to return all required documents is the first business day of May. To receive a semester only loan, the deadline to return all required documents is

- Summer only loans: Last business day of July.
- Fall only loans: First business day of December.
- Spring only loans: First business day of May.

For consideration for Pell grants only, documents may be accepted later than the stated dates. Check with the Office of Student Aid & Scholarships for deadlines.

Once all documents are processed, an award letter will be sent via the student's PAWS account to allow them to accept or decline their aid. The deadline for a student to accept a loan is:

- Semester only loans: First day of final exams for that semester.
- Academic year loans (summer/fall/spring or fall/spring loans): First day of spring semester final exams.

Grants

- *Federal Pell Grants*—Undergraduate students working toward their first degree are eligible for consideration. Eligibility is determined by a federal need analysis formula.
- *Federal Supplemental Educational Opportunity Grants*—Undergraduate students working toward their first degree, who show exceptional financial need may qualify. Funds are limited.
- *Leveraging Educational Assistance Partnership* (LEAP)—Undergraduate students working toward first degree, who show financial need may qualify. Student must be a Louisiana resident and have a 3.00 gpa.

Campus-Based Programs

- *Federal Perkins Loans*—Low-interest (5 percent) loans made by LSU and repaid to LSU. Students must show financial need and be enrolled at least half-time. Deferment and cancellation privileges are available under certain circumstances.
- *Federal Work-Study Program*—Campus jobs provided to full-time students who show financial need. Students earn an hourly wage (beginning at minimum wage) and are paid every two weeks. Students who are awarded Federal Work-Study employment have the option of choosing job sites designated as community service agencies. Funds are limited.

Federal Family Education Loans

LSU participates in the following Title IV Federal Family Educational Loan Programs:

- *Federal Subsidized Stafford Loans*—Based on financial need, this program enables students to borrow funds at a special low rate of interest from a participating lender. Payments are deferred until six months after the student ceases being enrolled on at least a half-time basis.

- **Federal Unsubsidized Stafford Loans**— This program enables students to borrow, regardless of need. Interest will accrue on this loan while the student is enrolled, and may be paid or capitalized as agreed by the borrower and the lender. The interest rate on the unsubsidized loan will be the same as on the Federal Stafford Loan.
- **Federal Parent Loan for Undergraduate Students (PLUS)**—This program allows parents of dependent students to borrow per year up to the cost of education, less any other aid. The repayment period begins on the day the loan is disbursed, and the first installment to the lender is due within 60 days of that date. This loan is not based on need.

Loan disbursements normally occur the week prior to the start of classes. However, for first-time, first-year borrowers, the disbursement will not occur until 30 days after the first day of class. Depending on the award package, loans will be disbursed accordingly: 1. summer, fall, and spring loans will occur in three equal disbursements; 2. fall and spring loans will occur in two equal disbursements; and 3. semester only loans will disburse in two equal disbursements with one disbursement at the start of the semester and the second occurring at midpoint of the semester.

Students borrowing under the Federal Family Education Loans Programs described above, except PLUS, are required by federal regulation to have an *entrance counseling session* before they receive their first disbursement at LSU. When a student borrower graduates, resigns, or otherwise ceases to be enrolled on at least a half-time basis at LSU, he/she is required to attend an *exit counseling session*. These counseling sessions can be accomplished at www.nelliemae.com.

Satisfactory Academic Progress for Purposes of Financial Aid Eligibility

Undergraduate Students

In order to receive financial aid, a student must be making “satisfactory academic progress.” For the purpose of participating in any of the federal student aid programs, the LSU Office of Student Aid and Scholarships has established the following policy for determining satisfactory academic progress for undergraduate students:

- Students must not be on academic probation.
- At the end of the student’s fourth semester, the student must have earned at least a 2.00 cumulative grade point average.
- Students must earn at least 75 percent of hours attempted.
- Students may only receive financial aid for a maximum of 192 attempted credit hours (240 for five-year curricula).

If these established criteria are not met, students may seek to appeal if mitigating circumstances affected their academic performance. Students are notified when they are not considered to be making satisfactory academic progress and if they qualify for the appeal process.

Graduate Students

Graduate and professional school students who meet the requirements for admission and retention in a specific degree program under the scholastic regulations of that school are considered to be in “good academic standing.”

Graduate Students are expected to earn at least 75 percent of hours attempted. This will apply for each academic year in which the student is enrolled, as well as for his or her cumulative graduate academic record.

Professional school students pursuing a professional degree program in either law or veterinary medicine will be expected to earn 75 percent of hours attempted. This will apply for each academic year in which the student is enrolled, as well as for his or her cumulative academic record in a professional school.

Resignations/Unofficial Withdrawals

Students who receive financial aid funds and then resign or unofficially withdraw (cease attendance) during the first 60 percent of the enrollment period will be required to repay all or part of the aid they received. The amount of aid that must be returned is based on the period of time the student remained enrolled. Federal aid must be returned to the appropriate programs in the following order: Unsubsidized Federal Stafford Loans, Subsidized Stafford Loans, Perkins Loans, PLUS (Parent) Loans, Pell Grants, SEOG, and LEAP. The amount of aid to be returned will be calculated at the time of resignation. For unofficial withdrawals, the amount will be calculated at the end of the enrollment period. Until this obligation is settled, requests for academic transcripts will not be processed and any further financial aid may be in jeopardy.

Refunds

Students who receive financial aid funds and then officially resign from the University may be entitled to a partial refund of certain University fees, depending on the resignation date. Specific information regarding the refund schedule is available in the Office of the University Registrar.

Campus Employment

Those students who want to work on campus, but do not qualify on the basis of financial need, may seek regular student employment by contacting various departments on campus. Only full-time students who are not

on academic probation are eligible to hold campus jobs. Graduating seniors who are part-time in their final semester may have permission to work in a campus job. The Career Services location in B-4 Coates Hall provides assistance to those who seek part-time jobs on- and off-campus. Graduate students should inquire about the availability of assistantships in their departmental offices.

Short-Term LSU Loans

Full-time students, who have completed registration, may apply for short-term Hiram Student Loans in the amount of \$300 for undergraduate students and \$500 for graduate/professional students. Students must not be on academic probation to receive these loans. Students must have repaid any prior short-term loans to be eligible. Loans are made starting on the first day of classes and continues for the first two weeks of classes. Students are permitted a maximum of 60 days to repay the loan in full. A 2 percent service charge is assessed on the amount borrowed. This 2 percent service charge is equivalent to an annual interest rate of 12 percent.

Hiram Student Loans are to be repaid at the Office of Bursar Operations, 125 Thomas Boyd Hall, on or before the maturity date shown on the promissory note signed by the student at the time the loan was negotiated. Students who fail to repay Hiram Student Loans by the maturity date may jeopardize their chances of receiving future loans.

Accounts that must be turned over to LSU’s attorneys for collection are assessed an additional collection fee. *All international students who are interested in Hiram Loans should contact the International Student Office prior to receiving loans or working in jobs on campus.*

Services for Students with Disabilities

Students with physical disabilities who must confer with a financial aid officer should contact the office for an appointment in advance so that appropriate accommodations can be made.

VETERANS’ BENEFITS

The Office of the University Registrar, 112 Thomas Boyd Hall, provides counseling and information for veterans attending LSU. Enrollment certifications to the Veterans’ Administration are handled through this office, and all veterans and eligible dependents of deceased or disabled veterans are urged to establish contact with the Office of Veterans’ Affairs when they arrive on campus. New students who wish to receive advance pay should notify this office at least 30 days prior to registration. Information is also available at the Office of Veterans’ Affairs web site: www.lsu.edu/slas/vetaffairs.
