The E. J. Ourso College of Business offers specialized professional training in several areas of business in addition to a program of general business administration. The curricula of the various departments are shown in the following chart.

Each curriculum is constructed to ensure that students receive a broad general education and a sound foundation in the basic areas of business knowledge. At the same time, students may obtain limited specialization in a particular area of business. The objective of the college is to provide training in the functional fields of business administration so students will be qualified to hold positions of leadership, trust, and responsibility in business and industry.

The E. J. Ourso College of Business is a member school of the American Assembly of Collegiate Schools of Business (AACSB). Its undergraduate programs have been accredited continuously by the AACSB since 1931.

MISSION OF THE COLLEGE

The statement of mission and objectives below was developed by the E. J. Ourso College of Business's strategic planning committee and was approved by the faculty of the college in the spring of 1993.

The mission of the E. J. Ourso College of Business at Louisiana State University is to be the provider of premier business, management, and economic education in the state and a leader in the southeastern United States. This mission stems from LSU’s position as the state's flagship University. The college is responsible for achieving excellence in the development, dissemination, and application of knowledge about the functioning of public, private, and nonprofit organizations in a global environment.

The teaching mission of the college is to produce outstanding graduates by offering comprehensive, state-of-the-art bachelor's, master's, doctoral, and continuing professional education programs in business, economics, and management of public and nonprofit organizations. The college seeks to provide its students with unique opportunities for personal and professional growth based on ethical awareness and an ability to think innovatively.

The college is equally committed to its research mission: to conduct and disseminate significant basic and applied research studies in entrepreneurship, organizations, public policy, and the economy. Such research contributes to and transgresses the teaching mission of the college by advancing the frontiers of knowledge.

The college has a service mission to the University, outside constituencies, and the community of scholars. It seeks to fulfill this mission by contributing to the University’s effective functioning, by interacting with business and government to foster the state's and nation's economic development, by serving in professional associations, and by developing and managing rigorous academic journals.

ADMISSION REQUIREMENTS

Students in good standing may apply for admission to the E. J. Ourso College of Business. Admission is competitive and will be granted on a space-available basis. For each admission cycle, the college establishes admission criteria that limit student enrollment to a number consistent with the available space. Profiles of students who were admitted in the previous admission cycle are posted on the college Web site. Students who are denied admission may reapply for admission in a subsequent semester.

Entering Freshmen

Students interested in admission to the E. J. Ourso College of Business as freshmen should apply to the college at the same time that they apply to LSU. A student must first be admitted to LSU to be considered for admission to the business college. Students must indicate they wish to be admitted as freshmen to the E. J. Ourso College of Business on their LSU application. Information about students admitted as freshmen in the previous academic year, including number of freshmen admitted and a student profile is available on the college Web site.

Students admitted as freshmen must register for and successfully complete BADM 1000 in their first semester to remain in the college. In addition, students admitted as freshmen must successfully complete the Pre-Business Core (English 1001, Math 1021 and 1431, Economics 2000, ISDS 1100 and Accounting 2001) with a “C” or better during their freshman year. Students who place out or test out of any of the Pre-Business Core classes will be given credit for successfully completing those classes. Freshmen who earn less than a “C” on any Pre-Business Core course will be put on college probation. Freshmen are subject to all other maintenance standards in order to continue as a business major.

Transfer Students and Continuing Students

Students who successfully transfer to LSU from other universities and LSU students not in the E. J. Ourso College of Business may apply for admission to the college. These students will be admitted on a space-available basis. Information about students admitted as continuing or transfer students in the previous academic year, including the number admitted and a student profile is available on the college Web site. Preference will be given to students with a minimum number of “W” grades and to students who have completed less than 60 hours of university course work.

Students in good standing at LSU may apply to the E. J. Ourso College of Business once they have successfully completed the following requirements:

- Complete a minimum of 30 hours of university course work.

- Complete the Pre-Business Core classes (English 1001, Math 1021 and 1431, Economics 2000, ISDS 1100 and Accounting 2001) with a "C" or better. Students who place out or test out of any of the Pre-Business Core classes will be given credit for successfully completing those classes.
- Maintain a minimum overall 3.0 gpa.
- Continuing and transfer students must register for and successfully complete BADM 1000 within one academic year of their admission to the college to remain in the college.

### MAINTENANCE REQUIREMENTS

Continued enrollment in the E. J. Ourso College of Business is dependent upon satisfying the following requirements:

- Maintain an overall gpa of 2.5 on all university course work.
- Maintain a minimum 2.5 business gpa.
- Maintain satisfactory academic progress towards the completion of the degree.

### College Probation

A student will be placed on college probation for the following reasons:

- The student’s overall gpa is in the range of 2.50 < gpa < 3.00 at the end of any academic semester.
- The student’s business gpa is in the range of 2.50 < gpa < 3.00 at the end of any academic semester.
- The student fails to make satisfactory academic progress towards the completion of the degree.
- A minimum 12-hour load is expected in the probationary semester. Students on college probation will have a college hold placed on their registration which will require them to schedule an appointment with a college academic advisor to register for classes for the next semester. The registration flag will be automatically removed after the student is taken off college probation. Students will be dropped from the college if they are not removed from college probation after two probationary semesters.

A student will be dropped from the E. J. Ourso College of Business for the following reasons:

- Students placed on college probation and who fail to improve their gpa to the minimum maintenance standard after two probationary semesters.
- Students whose overall gpa falls below a 2.50.

### Readmission to the College

Students who have been dropped from the E. J. Ourso College of Business for any reason, may reapply for admission to the college. Students who were not registered at LSU for the preceding regular semester must also file a formal application for readmission. All students applying for readmission will be subject to the admission requirements at the time of the readmission. Readmission to the E. J. Ourso College of Business is not automatic. Students seeking readmission are encouraged to schedule an appointment with a college academic advisor.

### DEGREE REQUIREMENTS OF THE COLLEGE

The degree of Bachelor of Science will be conferred on E. J. Ourso College of Business students who complete one of the approved curricula with a 2.5 or better grade point average on all work taken and a 2.5 or better gpa on all business courses. The requirements above apply both to the total course work taken and to LSU course work.
The AACSB Standards for Accreditation state that “the school should require that at least 50 percent of the business credit hours required for the business degree be earned at the degree-awarding institution.”

The student must complete a minimum of 121 semester hours in accordance with the following regulations:

### Academic Work: 121 Semester Hours

All 3000/4000 level business courses are restricted to students who have completed 60 hours of college-level course work. Many 3000/4000 level business courses have prerequisite requirements. Students are responsible for ensuring they have completed the necessary course prerequisites prior to registration for a course.

### General Education Requirements for a degree in Business

- **English Composition (6 hours)—**English 1001 with a grade of “C” or better; and English 2000 with a grade of “C” or better.
- **Communication Studies (6 hours)—**Communication Studies 1061 or 1062; and Communication Studies 2010, 2061, 2064, 4101, 4113, or 4114.
- **Analytic Reasoning (6 hours)—**Mathematics 1021 and 1431; Mathematics 1550 may be substituted for Mathematics 1431. Students should refer to their chosen curriculum to determine the specific mathematics requirements. No student may receive more than nine semester hours of mathematics courses numbered below 1550.
- **Natural Sciences (9 hours)—**Students must take 3 General Education Natural Science courses, 2 of which must be in a two-semester sequence from the approved list of General Education Natural Science courses. See those courses listed as General Education Natural Science courses in the catalog.
- **Arts (3 hours)—**See those courses listed as General Education Arts courses in the catalog.
- **Humanities (9 hours)—**See those courses listed as General Education Humanities courses in the catalog.
- **Social Sciences (6 hours)—**Economics 2000 and 2010.

### Electives

Students may choose any degree credit courses offered by the University consistent with their specific degree requirements. However, no more than six hours may be selected from ROTC, kinesiology activity courses, band, chorus, or music skills courses. Up to six semester hours in ROTC may be used as electives in all business curricula.

### Pass-Fail Option

The pass-fail grading option is limited by the college to courses that are electives in a student’s specific degree program.

### Correspondence and Extension Credit

Students must have the permission of the dean of the college prior to scheduling correspondence or extension courses.

Students who are taking classroom courses at the University may not take courses through correspondence study. Students not enrolled in classroom courses during a given semester may be approved for courses by correspondence through the dean of the E. J. Ourso College of Business (3304 CEB) and may enroll at Continuing Education (E106 Pleasant Hall; 578-3171). Enrollment in correspondence courses must be completed by the final date for adding courses for any semester, including summer term.

The deadline for completion of all correspondence course work is the last day of final examinations for the semester during which the student is enrolled. As a maximum of three lessons per week can be submitted in a course, the time required to submit all of the lessons in a three-credit correspondence course is at least six weeks.

Correspondence study is restricted to elective courses. No more than 12 semester hours of correspondence and extension credit may be applied toward the degree requirements of the college. A student must complete all correspondence study before registering to receive a degree and no degree may be awarded during a semester in which a student is enrolled in correspondence study.

### DIRECTED STUDY COURSES

If an independent study course is taken within the college, a written description of the project to be undertaken in the course must be submitted to the department chair and dean for approval, prior to registration in the course.

### STUDENT RESPONSIBILITY

Students in this college bear final responsibility for selection of their academic programs and adherence to all published regulations and requirements of the college and the University. Each student must see a counselor for a final degree checkout during the semester prior to the semester in which the degree is to be awarded.

### GRADUATION REQUIREMENTS

Students who complete degree requirements during intersession should plan to graduate in August and must inform the dean's office of this intention. Such students should see a counselor and register in the summer for “degree only.”

Students who have completed courses at another college or university must have an official transcript covering this work on file in the Office of the University Registrar before registering for the degree.

### BETA GAMMA SIGMA

Membership in Beta Gamma Sigma is one of the highest forms of recognition at the national level that a student can receive in an undergraduate or master’s program in business or management. To be eligible for membership, a student must rank in the upper 7 percent of the junior class, upper 10 percent of the graduating senior class, or upper 20 percent of the graduating master’s class. Members are elected to membership and publicly recognized during the fall and/or spring term.

Beta Gamma Sigma has three purposes: to encourage and reward scholarship, to promote advancement of education in business, and to foster integrity in the conduct of business operations.

### PHI KAPPA PHI

Founded in 1897 at the University of Maine, Phi Kappa Phi is the nation’s oldest, largest, and most selective honor society for all academic disciplines. Its chapters are on nearly 300 campuses in the United States, Puerto Rico, and the Philippines. Each year, approximately 30,000 members are initiated. Some of the organization’s more notable members include former President Jimmy Carter, writer John Grisham, NASA astronaut Wendy Lawrence, and Netscape founder James Barksdale. The LSU chapter was founded in 1930 as the 43rd chapter in the nation. At the present time, the national office is located on this campus in the French House.

The mission of Phi Kappa Phi is to recognize and promote academic excellence in all fields of higher education and to engage the community of scholars in service to others. Phi Kappa Phi is unique because it recognizes superior scholarship in all academic fields, rather than restricting membership to a limited field. Juniors in the top 7.5 percent and seniors and graduate students in the top ten percent of their classes may be invited to become members of Phi Kappa Phi. New LSU Phi Kappa Phi members are initiated and honored in the spring semester each year and wear identifying ribbons on their academic gowns at commencement exercises. Additional information about the Society may be found at www.phikappaphi.org.

### REQUIREMENTS FOR A SECOND BACHELOR’S DEGREE

To receive a second bachelor's degree from this college, students must:

- reapply for and gain admission to the college;
- complete two semesters in residence in the college;
- meet all stated requirements for a B.S. degree in the college;
- earn 30 additional hours of course work at the 3000 level or above, except when
  - the second degree program requires a 2000 level or below course, or
  - the course is in a language other than the student’s native language.

### NONMATRICULATED STATUS

To be admitted to the college on a non-matriculated basis, students must have earned a bachelor's degree and must meet the same admission requirements stated for students seeking the bachelor's degree. Credit earned after being admitted to the college may be applied toward a second bachelor's degree in
accordance with the requirements for the second degree.

**COOPERATIVE EDUCATION PROGRAM**

Please see “Career Services Center” in the section of this catalog titled, “Student Life & Academic Services.”

**GRADUATE PROGRAMS**

Master's and doctoral degrees are offered through the Graduate School by the various departments within the college. In addition, the following specialized master's degrees are offered. For information about these degrees consult the Graduate Bulletin.

James C. & Cherie H. Flores Master of Business Administration Program

The combination of a general or a technical undergraduate education with a graduate-level Master of Business Administration degree is a widely recognized avenue to opportunity and success in the business world. To this end, the college offers an MBA program for students who aspire to management careers in business and industry. The program is open to those who hold degrees in arts and sciences or specialized fields such as engineering, geology, chemistry, physics, or agriculture, as well as to students with undergraduate degrees in business administration.

**Master of Public Administration**

The Master of Public Administration is a professional program for students interested in public management and/or public policy issues. The M.P.A. program provides students with the management and financial skills to work in public agencies, non-profit organizations, private consulting and research organizations, and private companies in governmental relations. This program is administered by the Public Administration Institute. M.P.A. students take 30 credit hours of core courses and 12 credit hours in an area of specialization.

**PLACEMENT SERVICE**

The University maintains a professionally staffed placement service located on the first floor of the CEBA Building. Interviews are conducted throughout the year. The major concern of the placement office is to assist both students and alumni in finding positions consistent with their career objectives.

**DEPARTMENTS AND CURRICULA**

**GENERAL BUSINESS ADMINISTRATION**

**CURRICULUM IN GENERAL BUSINESS ADMINISTRATION**

**TOTAL SEM. HRS. • 121**

*ASee “Electives” under “Degree Requirements of the College.”

**To be selected from the offerings of at least four of the following departments: Accounting, Economics, Finance, Management, Marketing, and Information Systems and Decision Sciences.**

**DEPARTMENT OF ACCOUNTING**

**CHAIR • B. Apostolou**

OFFICE • 3101 CEBA Building

TELEPHONE • 225-578-6222

FAX • 225-578-6201

PROFESSORS EMERITI • Brenner, Dunn, McCameron

PROFESSORS • B. Apostolou, N. Apostolou, Christie, Crumbley, Summers

ASSOCIATE PROFESSORS • Hughes

ASSISTANT PROFESSORS • Diaz, Hayes, Hughes, Legoria, Melendez, Moffitt, K. Rakow, Reichelt, Wilson, Woodland

INSTRUCTORS • Anderson, Armentor, Blue, Chenier, DeLaune, Holmes, Lafleur, Lowe-Ardoin, J. Rakow

Students are required to earn at least a grade of “C” in each accounting course taken. For an accounting course to qualify as a prerequisite for another accounting course, it is necessary that a grade of “C” or better be earned in the prerequisite course. 

*Candidates for the Certified Public Accountant’s examination (CPA) in Louisiana must have at least 150 hours of college credit. LSU accounting graduates meet the course work requirements of the Louisiana State Board of Certified Public Accountants. Other states may have different requirements.

The Public Administration Institute provides an interdepartmental administrative framework for the study of public administration, public management, and public policy at LSU. Academic programs, research activities, and public service endeavors are included in the mission of this institute.

The Academic program is the Master of Public Administration. Research activities include organizing major studies of importance to state and local governments. Public service activities include serving on state commissions, providing executive sessions for top state management, and working with state agencies on major issues of importance to the state.

The Public Administration Institute coordinates a joint MPA/JD degree program with the LSU Law Center. See the Graduate catalog for more information.
