The Division of Student Life & Academic Services is committed to the concept of student growth and development through active participation in the University's living and learning environment. Students will maintain and develop their physical and mental health, sense of self-worth, ability to work with and lead others, understanding of citizenship obligations, concern for the campus environment, ability to think critically and ethically, and a sense of belonging to the University and global communities. To foster the development of these qualities, a comprehensive range of student programs and services has been designed to develop full participation in the life of the University, to promote intellectual development, leadership, and civic responsibility, and to contribute to students' personal growth. Rates for meal plans, effective with the fall semester 2007, vary from \$551 to \$1,478 per semester. **Please note that dining plan rates are subject to change at the beginning of a semester or summer term.** Meal plans offered and policies are described below.

Students are offered a choice of the following one-semester dining plans beginning on the residence hall move-in day and continuing through the final examination period:

- *Five-day Unlimited* (Unlimited meals and \$70 Paw Points)—Meals can be used Monday breakfast through Friday lunch in the dining halls. The Five-day Unlimited meal plan would be ideal for a student who goes home during the weekends and dines mostly in the dining halls, relying on few Paw Points. This plan is limited to the student only.
- *Resident Tiger* (160 meals and \$150 Paw Points)—The Resident Tiger provides approximately 10 meals per week. The Resident Tiger is ideal for the student who plans to dine mostly in the dining halls and for students who plan to stay on campus most weekends.
- *Tiger Ultra* (130 and \$275 Paw Points)—The Tiger Ultra provides an average of eight meals per week. The Tiger Ultra is ideal for the student who plans to eat mainly in the dining halls while having \$200 Paw Points to spend in our retail locations. The Tiger Ultra would be a good choice for the student who plans on going home on the weekends and eats approximately two meals per day in the dining halls.
- *Tiger Plus* (120 meals and \$300 Paw Points)—The Tiger Plus provides an average of seven meals per week. The Tiger Plus would be a good choice for the student who remains on campus during the weekends and eats one meal per day in the dining halls. It also allows flexibility with using Paw Points in our retail outlets.
- *Tiger Lite* (95 meals and \$375 Paw Points)—The Tiger Lite provides an average number of five meals per week. The Tiger Lite is ideal for the student who would prefer to use Paw Points to dine at LSU's dining retail locations, while only having five meals per week in the dining halls. The abundance of Paw Points is also good for the student on the go, giving them the ability to grab snacks and groceries in between classes.
- *Tiger Commuter* (55 lunches and \$75 Paw Points)—The Tiger Commuter is a great plan for students not required to have a meal plan. It provides breakfast, lunch, and dinner during the week and meal transfers on the weekend in the LSU Student Union.

**Note: Dining plan rates, number of meals, and amount of Paw Points are subject to change at the beginning of a semester or**

**summer term. Unless otherwise noted, meal plans can be shared with friends and family.**

First-year students who live in University residence halls are required to participate in a University meal plan for two semesters. Students who are exempt from participation include the following:

- Part-time students, as defined by the *LSU General Catalog*.
- Students who are released to participate in a fraternity or sorority dining plan on the basis of fraternity or sorority membership.
- Students who have been employed full-time, including military service, for a period of 18 months prior to enrolling in the University and following high school graduation.
- Students who have conflicts with work and class schedules that do not permit taking meals at the regular serving times and who cannot be otherwise accommodated by LSU Dining.
- Students who have specialized medical diets prescribed by a physician that cannot be provided through LSU Dining.

Requests for an exemption should be submitted in writing to the Director of Contracted Auxiliary Services.

Students who have completed two regular semesters (excluding the summer term) are not required to participate, but they are invited and encouraged to do so. All continuing students, part-time or full-time, residing off-campus or on-campus, may purchase a LSU Dining meal plan.

For more information about dining plans, please contact the Tiger Card Office, 207 LSU Union Building, call 225-578-4300, visit our Web site at [www.lsu.edu/dining](http://www.lsu.edu/dining), or see the "Student Life & Academic Services" section in this catalog.

**Contract Terms**

Students contract with LSU Dining for dining services on a yearly basis and are billed per semester, when selecting the Five-day Unlimited, Resident Tiger, Tiger Ultra, Tiger Plus, Tiger Lite, or Tiger Lunch. The contract is effective as of the date of registration is processed by the University or use of the meal plan begins, whichever occurs first.

Meal plan changes or cancellations may be made up to the seventh day of class by calling Tiger Card Office at 225-578-4300. Changes after the seventh day may only be made with the express written permission of the Tiger Card Manager.

Students are permitted to transfer to the Greek dining system when the authorization is requested by the Office of Greek Affairs.

Students are required to participate in the dining contract for the entire academic year, except for official resignation from the University. Students who officially withdraw from the University during the first six class days will receive a 90 percent refund or expenditure (whichever is greater).

Students who officially withdraw from the University on class days seven through 24 will receive a 50 percent refund or expenditure (whichever is greater). After class day 24, no refunds will be processed.

**Retail Dining Outlets**

The *Student Health Center* provides quality health care to LSU students. The center is fully accredited by the Accreditation Association for Ambulatory Health Care (AAAHC). The center provides a variety of out-patient services including medical care, mental health services and health education. All visits and inquiries are confidential. The student health service fee, paid by full-time students during registration, entitles students to many of the services of the Student Health Center at no additional charge. There are additional charges for lab, diagnostic imaging, medication, and medical specialists.

The *Student Health Center Medical Clinic* has six full-time primary care clinicians, two gynecologists, and 12 nurses. In addition, part-time specialty services are offered in orthopedics, dermatology, ear/nose/throat, and ophthalmology. A dental screening clinic is available, but no dental procedures are performed on the premises.

*Mental Health Service* provides crisis intervention and individual and group therapy. These services are rendered by mental health providers experienced in treating emotional problems and stresses experienced by University students.

The Student Health Center also has an extensive Wellness Education Department. Services include a resource room and an interactive Web page ([www.lsu.edu/wellness](http://www.lsu.edu/wellness)). Individual appointments are available for consultations on nutrition and weight management; stress and time management; sexual and reproductive health; alcohol and other drug abuse; smoking cessation; sexual assault and violence; and many other areas of concern to University students. Educational programs for student organizations and residence halls, as well as guest lectures for undergraduate and graduate classes, are available upon request throughout the entire year. A departmental-sponsored peer education organization offers service learning and leadership development experiences.

## HONORARY SOCIETIES

Three of the most prestigious University honor societies are *Omicron Delta Kappa*, *Phi Beta Kappa*, and *Phi Kappa Phi*. Other honorary societies are included in this chapter under "Honorary Organizations."

### Omicron Delta Kappa

*Omicron Delta Kappa* (ODK) is the national leadership honor society for college students that recognizes and encourages superior scholarship, leadership, and exemplary character. It was founded in 1914 at Washington and Lee University, Lexington, Virginia. ODK was the first college honor society of national scope to recognize and honor meritorious leadership and service in extracurricular activities and to encourage the exercise of general campus citizenship.

Membership is awarded to undergraduate

junior and senior students—and occasionally to students in graduate and professional schools—as well as to faculty, staff, and community members. Student membership candidates must rank academically in the upper 35 percent in their school/college and must show leadership in at least one of five areas: scholarship; athletics; campus or community service, social activities, religious activities, and campus government; journalism, speech, or the mass media; and creative/performing arts. Membership in ODK is a mark of the highest distinction.

### Phi Beta Kappa

The oldest academic society in the U.S., *Phi Beta Kappa* was founded in 1776 at the College of William and Mary. The LSU chapter was installed in 1977 as Beta of Louisiana. For more than two centuries, Phi Beta Kappa has advocated the ideal of a liberal education as a basis for a life-long love of learning and as a way to broaden the perspectives of students, whatever their chosen field of endeavor. At LSU, juniors and seniors with an excellent academic record and an adequate breadth of study are considered for membership. Specific requirements are described at the Phi Beta Kappa Web site which is located at: ([www.lsu.edu/student\\_organizations/phiбетakappa/](http://www.lsu.edu/student_organizations/phiбетakappa/)).

### Phi Kappa Phi

Founded in 1897 at the University of Maine, *Phi Kappa Phi* is the nation's oldest, largest, and most selective honor society for all academic disciplines. Its chapters are on nearly 300 campuses in the United States, Puerto Rico, and the Philippines. Each year, approximately 30,000 members are initiated. Some of the organization's more notable members include former President Jimmy Carter, writer John Grisham, NASA astronaut Wendy Lawrence, and Netscape founder James Barksdale. The LSU chapter was founded in 1930 as the 43<sup>rd</sup> chapter in the nation.

The mission of Phi Kappa Phi is to recognize and promote academic excellence in all fields of higher education and to engage the community of scholars in service to others. Phi Kappa Phi is unique because it recognizes superior scholarship in *all academic fields*, rather than restricting membership to a limited field. Juniors in the top 7.5 percent and seniors and graduate students in the top 10 percent of their classes may be invited to become members of Phi Kappa Phi. New LSU Phi Kappa Phi members are initiated and honored in the spring semester each year and wear identifying ribbons on their academic gowns at commencement exercises. Additional information about the Society may be found at [www.phikappaphi.org](http://www.phikappaphi.org).

## LSU CHILD CARE CENTER

Gourrier Avenue  
Phone: 225-578-7882  
FAX: 225-578-7562  
WEB SITE: [www.lsu.edu/childcare](http://www.lsu.edu/childcare)

The LSU Child Care Center has been accredited by the National Association for the Education of Young Children and offers a high quality child care program to students, staff,

and faculty. The center exceeds state and national standards that guide developmentally appropriate programs for young children.

Priority for eligibility is given according to the following guidelines:

- Children of full-time students, staff, and faculty of LSU
- Siblings of currently enrolled students
- Children of those individuals with secondary affiliations to LSU (i.e., part-time students, part-time staff, and adjunct faculty, LSU alumni, grandchildren of LSU students, staff, or faculty, individuals working for the LSU system)
- Children of the community, families who have no affiliation to LSU

## Facility

The LSU Child Care Center is a 15,500 square foot one-story facility with separate spaces for 175 full-time children from different age groups ranging from six weeks old to five years old. The center includes 15 classrooms (based on Louis Torelli's pod design), parent and teacher resource center, multi-purpose room, kitchen, porches off of each classroom for play during rainy weather, and three fenced playground areas (75 square feet per child) with toys and play equipment for infants, toddlers, and preschoolers.

## Services

The philosophy of LSU Child Care Center is one of freedom to learn, grow, and make choices through both structured and unstructured activities. All activities are intentionally planned to help children grow and develop physically, socially, emotionally, and cognitively. The learning atmosphere is one of acceptance, mutual respect, pleasure, fairness, consistency, clear limits and expectations, and encouragement. The predictable, organized environment, with caring adults, clear expectations, and appropriate consequences is designed to support the whole child. Teachers are flexible and allow the children freedom to learn at their own pace.

Families are an integral part of the LSU Child Care Center program. Support, encouragement, and assistance are provided to ensure personal and professional success for parents. Communication with the child's family is established to share day-to-day happenings and gain new insights about the family's beliefs and concerns regarding the child's well-being.

### Infant/Toddler Program

A complete developmental program for infant/toddlers provides caring and individualized human interaction through activities that promote language, movement, and self-awareness. Daily lesson plans are based on each individual child's needs.

### Preschool Program

The preschool program provides learning activities through play, the child's natural path to learning. Daily lesson plans respond to the child's individual needs and provide activities to enhance a child's development in the four

developmental domains: cognitive, socio-emotional, physical, and language. The Center uses the standards and goals defined by the Louisiana Department of Education as measures for developmental and academic success for kindergarten readiness.

## RESIDENTIAL LIFE

OFFICE • 99 Grace King Hall  
TELEPHONE • 225-578-8663  
FAX • 225-578-5576  
WEB SITE • www.lsu.edu/reslife

To make on-campus living a worthwhile experience, LSU students and staff have designed a residential life program to promote learning and personal growth. Residence halls and apartments provide a natural and convenient social setting for students. Residents are seldom more than a 10-minute walk from the library, classes, or campus activities.

One of the greatest advantages in living in residence halls is that the staff is available to assist students with concerns and questions. Studies show that campus residents maintain higher grade point averages than do off-campus students. The housing staff also provides informative programs related to safety, wellness, community service, and a variety of other topics. Many of these programs are led by faculty members.

Prospective students must apply first to the University before applying for on-campus housing. The Department of Residential Life will begin accepting fall 2008 applications/contracts on **June 1, 2007**. If a student has not applied to the University first and submits a housing application/contract, Residential Life will return these items, including the deposit. A student may resubmit these items once he or she applies to the University. The application date for priority consideration is not established until the student has submitted an application for admission and an application for housing with the deposit. Both applications may be completed online.

## Choices in Residential Living

LSU has 17 residence halls with architectural styles ranging from northern Italian Renaissance, typical of the older campus, to

modern, high-rise buildings. Also for single students there are 184 apartments in a complex called the *East Campus Apartments* and 168 apartments in a complex called the *West Campus Apartments*. For married students, single parents, students 21 years or older, and post-doctoral students and research associates, there are 578 apartments in the *Nicholson* and *Edward Gay Apartments*.

Most residence halls have ground-floor reception areas and feature kitchenettes and study rooms on each level. Entry to all halls is controlled by a security system that utilizes residents' LSU ID cards. Coin and card access laundry facilities are available in most, while others have laundries located nearby. Several halls are accessible for students with disabilities. East and West Campus Apartments rent by the individual room, are fully furnished, and have modern appliances including stove, refrigerator, microwave, dishwasher, garbage disposal, and clothes washer and dryer. Nicholson and Edward Gay Apartments rent by the whole apartment and are unfurnished except for stoves and refrigerators.

Nine halls have computer labs, while all halls, East and West Campus Apartments, and Edward Gay Apartments have Ethernet data connections and basic cable TV connections included in the rent. All except Nicholson Apartments include local telephone service. Residents, however, must provide their own computer, telephone, and television sets. Most common areas in the residence halls and apartments (e.g., courtyards, lobbies, and patios) are equipped with wireless Internet service.

Students in residence halls may choose to have roommates or, if space is available, a private room. Living arrangements have been established with individual preferences for social and educational development in mind.

## Residential Colleges

Residential Colleges are structured to create a stimulating living-learning environment through student interaction with faculty and other freshmen beyond the boundaries of the more traditional classroom setting. Students participating in the Residential Colleges reside in the same facility and must enroll in special sections of general academic courses taken with other Residential College students. This environment creates a close-knit academic community similar to the small college experience. With greater academic emphasis and faculty involvement, the Residential College atmosphere encourages studying, provides access to exceptional academic and social support, and makes it easy to establish new friendships. For more information regarding course requirements, visit the Residential Life Web site at [www.lsu.edu/housing](http://www.lsu.edu/housing).

*Broussard Information Technology Residential College*—The *Broussard Information Technology Residential College* is a technology-based program for entering non-honors freshmen of all majors and interests. Technology-savvy students will enjoy taking some college courses in Broussard Hall's smart classrooms with faculty members who utilize interactive, multimedia teaching methods and the wireless environment.

*Herget Residential College*—Students participating in *Herget Residential College* take several core freshman courses together creating a “mini-campus” atmosphere in the halls. This program for non-honors students is designed to integrate learning with community living and provide students with greater opportunities to interact with faculty and specially selected upperclass students.

*Global Studies Residential College*—The *Global Studies Residential College* is open to students in all majors and provides academic courses and practical experience that supplements the typical LSU curricula. The *Global Studies* program offers students contact with persons in various fields at LSU, in the community, and beyond who are engaged in global activities and/or language immersion groups.

*Business Residential College*—Students in the *Business Residential College* have unique educational and professional development opportunities to acclimate to a business culture. This residential college is open to students admitted to LSU’s E. J. Ourso College of Business.

*Engineering Residential College*—Incoming freshmen who have declared a major in engineering and are placed into MATH 1022 or higher will have the opportunity to live in the *Engineering Residential College*. This residential college supports students as they advance through LSU’s quality engineering program. Faculty involvement and research opportunities will strengthen each student’s connection with the College of Engineering.

*Agriculture Residential College* (opening fall 2008)—Incoming freshmen and sophomores in good standing admitted to the LSU College of Agriculture will have the opportunity to live in the new *Agriculture Residential College*. This new residential college will support students as they advance through LSU’s agriculture program. Faculty involvement and research opportunities will strengthen each student’s connection with the Agriculture College, the land-grant mission dating back to 1862, and the interdisciplinary educational experience that reflects the latest in science and technology.

*Freshman Interest Groups*—Freshman Interest Groups (FIGs) are small groups of 24 students living together and engaging in linked courses, a community service project, faculty involvement, and several other activities in the designated themes. FIGs provide first-year students a way to make LSU feel smaller in a unique residential environment. Themes include topics such as Pre-Professional Health, Career Exploration, and Adventure Leadership. For more information regarding current FIGs, visit the Residential Life Web site at [www.lsu.edu/housing](http://www.lsu.edu/housing).

### Residence Hall and East and West Campus Apartment Applications

The Department of Residential Life accepts applications beginning June 1 of the year prior to your fall semester enrollment. For example, for fall 2008 enrollment, we began accepting applications June 1, 2007. If you are a new student, to increase your chances of assignment to the residence hall of your choice, we recommend that you apply for housing at least 11 months in advance. The East and West

Campus Apartments are available to full-time, upper-class students only.

Applying to the Department of Residential Life is a THREE-STEP online process:

1. Apply for admission (or be a current student). Afterward, you will receive an e-mail informing you to apply online for housing at [www.lsu.edu/housing](http://www.lsu.edu/housing).
2. Fill out the online housing application.
3. Use a credit card to pay the \$150 housing reservation fee.

To get your housing assignment online, you must:

1. Go to [www.lsu.edu](http://www.lsu.edu) and click the PAWS icon at the top of the page.
2. Click "LOGON to PAWS" at the top of the page and enter the username and password that you received at the PAWS orientation session.
3. Click "Student Services" on the left-side menu, and then select "Student Housing." This will take you to the Residential Life Web site.
4. Click "View Application Status" to see your assignment for the fall semester.

Students may not apply for housing prior to applying for admission to the University. *Acceptance of a residence hall or East and West Campus Apartments application or receipt of an assignment is not a guarantee of admission to the University.* An application for admission must be approved by the Office of Undergraduate Admissions before a room assignment is official.

Cancellation of an application/assignment must be submitted in writing to the Department of Residential Life. If the cancellation is received by **July 1** for the fall semester, **December 1** for the spring semester, or **May 1** for the summer term, a processing fee will be deducted from the deposit, and the remainder will be refunded. If the cancellation is received after July 1 for fall, December 1 for spring, or May 1 for summer, or if the assignment is not claimed during registration, the entire deposit will be forfeited unless all requirements for evaluation of an application for admission have been met and admission has been denied.

The University reserves all rights in connection with assignment of rooms, inspection of rooms, termination, and occupancy of rooms. Reservations are not transferable. If the room is not occupied by the day before the first class day, the reservation is forfeited unless notification stating the time of late arrival has been received. Other terms of residence hall occupancy are provided in the housing contract. Room reservations in fraternity or sorority houses are limited to eligible members of those organizations and are made directly with the organization.

### Residence Hall and East and West Campus Apartment Rates

LSU provides housing for approximately 4,500 students in air-conditioned residence halls and apartments. Rates are published on a semester basis. For a list of current rates, see the Residential Life Web site at [www.lsu.edu/housing](http://www.lsu.edu/housing). A student living in a room that is not filled to normal capacity will be expected to pay an additional rental charge or to move to another room with a roommate at

the same rental charge in the same residence hall. If rooms are available for single occupancy, the charge for single occupancy of a two-student room is 1.5 times the semester rate for full occupancy. Semester rental rates are subject to change at the beginning of a regular semester or summer term.

Residence hall rent is due by the deadline established on the advanced fee bill. Additional information concerning residence hall accommodations may be obtained from the Department of Residential Life, 99 Grace King Hall, 225-578-8663 or on the Web site at [www.lsu.edu/housing](http://www.lsu.edu/housing).

### Nicholson and Edward Gay Apartments

The University has 578 one-, two- and three-bedroom apartments that are available for families and for single, upperclass, full-time graduate students aged 21 or older, post-doctoral students, and research associates.

Additional information is available from the Department of Residential Life, 225-334-5198 or [www.lsu.edu/housing](http://www.lsu.edu/housing).

### Refund of Residence Hall Rent

Students contract for space in a residence hall or East and West Campus Apartments on an academic-year basis. The contract is effective on the date it is counter-signed by the student. Refund of room rent will be made according to the guidelines below. For further details, contact the Department of Residential Life, 99 Grace King Hall, 225-578-8663.

- A student who moves from one room to another in a residence hall or from one residence hall to another will be refunded or charged the difference, if any, between the unused prorated portions of rent for the two spaces.
- A student who moves out of a residence hall and resigns from the University will be responsible for 25 percent of the rent for the remainder of the contract for the space the student was occupying.
- A student who moves out of a residence hall without resigning from the University will be responsible for 75 percent of the rent for the remainder of the contract for the least expensive space.
- A student who moves out of a residence hall into a fraternity or sorority house before the close of business on the last day of the regular fall registration period will be refunded all of the unused portion of rent for the space he or she was occupying. If such a move is made after the last day of regular registration (the last day of fall registration, if on an “Academic-Year Rental Terms” agreement), the student will receive a refund as noted in the paragraph above.
- A student who is required to move out of a residence hall as a result of disciplinary action will be responsible for 75 percent of the rent for the remainder of the contract for the least expensive space.

All the units in Student Media are nationally recognized within their fields.

*The Daily Reveille*, the University's student-edited newspaper, is published Monday through Friday during the fall and spring semesters and on Tuesdays and Thursdays during the summer term. The student written and produced yearbook, the *Gumbo*, is distributed during the fall semester. Students also edit and publish the LSU student magazine, *Legacy*, which is distributed on campus four times each year. *KLSU-FM* is a 5,000-watt educational FM station operated by students 24 hours a day, seven days a week. The Center for Student Leadership & Involvement (CSLI) provides meaningful experiences in tandem with classroom education and operates three major programmatic efforts:

- The center oversees the support, training, and educational programming for over 350 registered student organizations.
- Additionally, the center is responsible for the implementation of campus-wide leadership development programming to enhance the academic experiences of the student body. This area includes hosting leadership development programs, coordinating leadership conferences, and providing specific training for individuals who wish to become campus leaders.
- Finally, the center coordinates first-year experience and transition programs that successfully introduce new students to the history, traditions, and campus resources available. One such program is the S.T.R.I.P.E.S. program in which students spend four days learning the history, traditions, and campus resources available for new students. These programs also facilitate transition into college life and connect students with campus involvement opportunities.

*University registration of a student organization does not imply control of, support for, or agreement with the organization's purposes, goals, or philosophy.* Participation in student organizations is voluntary. A student organization's status may change after the catalog is published. For the most up-to-date

list, visit the center's site at [www.lsu.edu/csli](http://www.lsu.edu/csli).

The *LSU Student Union*, located in the heart of the campus, serves as LSU's community center by providing facilities, services, and programs for students, faculty, staff, alumni, and friends of the University. The Union is supported by student fees and by a variety of retail and service enterprises located in the building. Students are automatically members of the Union through their student fees. Faculty, staff, alumni, and friends of the

University may become members by paying an annual fee.

Through its student programming committees, the Union presents a wide range of programs and events designed to appeal to all segments of the University community. Programs include lectures, performing arts, visual arts, films, concerts, comedians, and a large number of noncredit leisure classes. Information on programs, student committees, and student leadership opportunities in the Union are available in the Program Department, 304 Union, 225-578-5118, and on the Union Web site.

The Union provides a variety of facilities, services, and conveniences to meet the needs of the campus community. Also located on the ground floor are the *Barbershop*, *STA Travel Agency*, Cox Communications, walk-up e-mail terminals, and a *U. S. Post Office* branch.

On the main floor, patrons will find the *Art Gallery*, which offers a variety of local and national exhibits year round. The *Information Center* provides patrons with candy, a copy shop, and sundry items. The *Union Theater* is host to the School of Music concerts, Broadway shows, dance performances, and many performing arts events throughout the year. The *Box Office*, next to the theater main entrance, sells tickets for Reilly and Union Theater events. The University's ID card operation and the TigerCASH debit card services are located in the *Tiger Card Office*. The front lounge overlooks a beautiful view of oak trees and the LSU Parade Ground, while the center lounge rests beneath the Union's skylights.

On the third floor, customers will find the *Student Technology Learning Center* where students will find a computer lab and Internet connections. The *Event Services Office*, located in room 310, processes more than 6,000 reservation requests annually for Union facilities and campus grounds. Information on student job opportunities in the Union can also be found in room 310.
