**FEDERAL FINANCIAL AID PROGRAMS**

LSU administers all Title IV federal programs which are based on a student's demonstrated financial need. Funds received from the federal programs help students to cover school expenses, including tuition and fees, room and board, books and supplies, and transportation. All such programs are subject to regulations authorized by the United States Department of Education, as well as University policies consistent with these federal regulations and are subject to change.

Detailed information on these programs can be found on the Internet at [www.lsu.edu/financialaid](http://www.lsu.edu/financialaid).

**Eligibility for Financial Aid**

All students must meet the following criteria to apply for Title IV federal aid—grants, work study, and loans:

- Be enrolled as a regular student in a degree-granting or certificate program.
- Be a U.S. citizen or eligible noncitizen (permanent resident).
- Be enrolled at least half-time (most programs—regular semesters: undergraduate, six hours; graduate, five hours; summer term: undergraduate and graduate, three hours).
- Not be in default on prior student loans or owe a refund on a federal grant.
- Be making satisfactory academic progress as described in the section, *Satisfactory Academic Progress for Purposes of Financial Aid Eligibility*.

**Application for Federal Financial Aid**

Students who wish to apply for the programs described in this section should file either the *Free Application for Federal Student Aid (FAFSA)* or the *Renewal Application*. The FAFSA is available online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). It is recommended that the application be filed no later than March 1 for summer or fall enrollment or October 1 for spring enrollment. These applications cover aid awarded for the upcoming academic year (beginning with the summer term) and application must be made each year.

Once the Student Aid Division of the Office of Undergraduate Admissions & Student Aid has received your FAFSA, additional documentation will be requested through your PAWS accounts. To receive a loan for the academic year, the deadline to return all required documents is the first business day of May. To receive a semester only loan, the deadline to return all required documents is:

- Summer only loans—Last business day of July
- Fall only loans—First business day of December
- Spring only loans—First business day of May

For consideration for Pell grants only, documents may be accepted later than the stated dates. Check with the Student Aid Division for deadlines.

Once all documents are processed, an

award letter will be sent via the student's PAWS account to allow them to accept or decline their aid. The deadline for a student to accept a loan is:

- Semester only loans—First day of final exams for that semester
- Academic year loans (summer/fall/spring or fall/spring loans)—First day of spring semester final exams

Please note that students will not receive an award notice until all verification documents have been properly submitted and processed. Documents submitted after the stated deadlines may not result in an award. Student submitting documents after the stated deadlines may jeopardize their opportunity to receive funding for that academic year.

For additional information on these programs, as well as, information regarding how financial need is determined and an LSU student's cost of attendance, visit [www.lsu.edu/financialaid](http://www.lsu.edu/financialaid).
