LSU awards scholarships in the form of cash awards, full tuition and nonresident fee exemptions, room and board, and employment opportunities to students who meet certain academic qualifications.

The scholarships listed for entering freshmen are awarded mainly on the basis of standardized test scores (ACT/SAT) and high school record.

In addition to the scholarship programs, the Student Aid Division administers a number of federally funded and state funded financial aid programs. The total amount of funding disbursed annually through these programs is approximately \$150 million.

LSU SCHOLARSHIPS AVAILABLE TO ENTERING FRESHMEN

Most awards listed below are valid for one year of undergraduate study. Each may be renewed annually as long as the recipient meets academic requirements. The maximum term of the award is four years or until the recipient receives an undergraduate degree, whichever occurs first.

Louisiana residents selected for the scholarships listed below will likely qualify for tuition assistance and cash stipends through the state's TOPS program. See the section titled "Louisiana's Tuition Opportunity Program for Students, (TOPS)."

Application Procedure

The LSU "Application for Undergraduate Admissions" is an automatic application for entering freshmen scholarships. The online application must be submitted along with an official high school transcript, standardized test scores, and all other required information to the Office of Undergraduate Admissions & Student Aid, Pleasant Hall, LSU, Baton Rouge, Louisiana 70803-2802. The priority date for full consideration for LSU's scholarship programs is **November 15**.

Notification of scholarship recipients normally begins in December. Students are considered based on a six-semester transcript once they have been admitted to the University. To be guaranteed consideration, standardized test scores must be received by **November 15**.

FEDERAL FINANCIAL AID PROGRAMS

LSU administers all Title IV federal programs which are based on a student's demonstrated financial need. Funds received from the federal programs help students to cover school expenses, including tuition and fees, room and board, books and supplies, and transportation. All such programs are subject to regulations authorized by the United States Department of Education, as well as University policies consistent with these federal regulations and are subject to change.

Detailed information on these programs can be found on the Internet at www.lsu.edu/financialaid.

Eligibility for Financial Aid

All students must meet the following criteria to apply for Title IV federal aid—grants, work study, and loans:

- Be enrolled as a regular student in a degree-granting or certificate program.
- Be a U.S. citizen or eligible noncitizen (permanent resident).
- Be enrolled at least half-time (most programs—regular semesters: undergraduate, six hours; graduate, five hours;
- Not be in default on prior student loans or owe a refund on a federal grant.
- Be making satisfactory academic progress as described in the section, *Satisfactory Academic Progress for Purposes of Financial Aid Eligibility*.

Application for Federal Financial Aid

Students who wish to apply for the programs described in this section should file either the *Free Application for Federal Student Aid (FAFSA)* or the *Renewal Application*. The FAFSA is available online at www.fafsa.ed.gov. It is recommended that the application be filed no later than March 1 for summer or fall enrollment or October 1 for spring enrollment. These applications cover aid awarded for the upcoming academic year (beginning with the summer term) and application must be made each year.

Once the Office of Undergraduate Admissions & Student Aid has received your FAFSA, additional documentation will be requested through your PAWS accounts. To receive a loan for the academic year, the deadline to return all required documents is the first business day of May. To receive a semester only loan, the deadline to return all required documents is:

- Summer only loans—Last business day of July
- Fall only loans—First business day of December
- Spring only loans—First business day of May

For consideration for Pell grants only, documents may be accepted later than the stated dates. Check with the Student Aid Office for deadlines.

Once all documents are processed, an award letter will be sent via the student's PAWS account to allow them to accept or decline their aid. The deadline for a student to accept a loan is:

- Semester only loans—First day of final exams for that semester
- Academic year loans (summer/fall/spring or fall/spring loans)—First day of spring semester final exams

Please note that students will not receive an award notice until all verification documents have been properly submitted and processed. Documents submitted after the stated deadlines may not result in an award. Student submitting documents after the stated deadlines may jeopardize their opportunity to receive funding for that academic year.

For additional information on these programs, as well as, information regarding how financial need is determined and an LSU student's cost of attendance, visit www.lsu.edu/financialaid.

Grants

- *Federal Pell Grants*—Undergraduate students working toward their first degree are eligible for consideration. Eligibility is determined by a federal need analysis formula.
- *Federal Supplemental Educational Opportunity Grants*—Undergraduate students working toward their first degree, who show exceptional financial need may qualify. Funds are limited.
- *Leveraging Educational Assistance Partnership (LEAP)*—Undergraduate students working toward first degree, who show financial need may qualify. Student must be a Louisiana resident and have a 3.00 gpa.
- *Academic Competitiveness Grant (ICG)*—Full-time undergraduate students who completed a "rigorous" high school program of study and are: (1) U. S. citizens; (2) eligible for a Federal Pell Grant; (3) have earned less than 50 credit hours; and (4) meet several other requirements may qualify for this program.
- *National Science and Mathematics Access to Retain Talent Grant (National SMART Grant)*—Full-time undergraduate students who have earned between 60 and 119 credit hours who are: (1) U. S. citizens; (2) eligible for a Federal Pell Grant; (3) majoring in specific math, science, or critical foreign languages; and (4) meet several other requirements may qualify for this program.

Campus-Based Programs

- *Federal Perkins Loans*—Low-interest (5 percent) loans made by LSU and repaid to LSU. Students must show financial need

and be enrolled at least half-time. Deferment and cancellation privileges are available under certain circumstances. Funds are limited.

- *Federal Work-Study Program*—Campus jobs provided to full-time students, not on academic probation, who show financial need. Students earn an hourly wage (beginning at minimum wage) and are paid every two weeks. Students who are awarded Federal Work-Study employment have the option of choosing job sites designated as community service agencies. Funds are limited.

Federal Family Education Loans

LSU participates in the following Title IV Federal Family Educational Loan Programs:

- *Federal Subsidized Stafford Loans*—Based on financial need, the interest on this loan does not accrue while the student is in school. Payments are deferred until six months after the student ceases being enrolled on at least a half-time basis.
- *Federal Unsubsidized Stafford Loans*—This program enables students to borrow, regardless of need. Interest will accrue on this loan while the student is enrolled, and may be paid or capitalized as agreed by the borrower and the lender.
- *Federal Parent Loan for Undergraduate Students (PLUS)*—This program allows parents of dependent students to borrow per year up to the cost of education, less any other aid. The repayment period begins on the day the loan is disbursed, and the first installment to the lender is due within 60 days of that date. This loan is not based on need.
- *Graduate PLUS Loans (GRAD PLUS)*—This program is a loan for graduate and professional students that are taken in their own name. This loan will give these students a valuable federal loan alternative to private loans. Just like parent borrowers, these students will be able to borrow under the PLUS program up to the cost of education less other aid received. In addition, these borrowers will have to meet the same credit eligibility requirements that apply to parent borrowers.

Loan disbursements normally occur the week prior to the start of classes. Depending on the award package, loans will be disbursed accordingly: (1) summer, fall, and spring loans will occur in three equal disbursements; (2) fall and spring loans will occur in two equal disbursements; and (3) semester only loans will disburse in one disbursement at the start of the semester. All federal aid funds are applied directly to your student account in the Office of Bursar Operations. If the amount credited to your account is greater than the amount you owe to the University, you will be issued a refund for the credit balance. Allow up to seven business days for the Office of Bursar Operations to process a direct deposit or refund check.

Students borrowing under the Federal Family Education Loans Programs described above, except PLUS, are required by federal regulation to have an *entrance counseling session* before they receive their first disbursement at LSU. This brief online session explains important information about

borrowing student loans and money management during school. When a student borrower graduates, resigns, or otherwise ceases to be enrolled on at least a half-time basis at LSU, he/she is required to attend an *exit counseling session*. The online session explains what the borrower should expect upon entering loan repayment. Entrance counseling can be accomplished at <https://staffordloanguide.usafunds.org/>. Exit counseling can be accomplished at <https://studentloantransitionguide.usafunds.org/>. For additional information on a student's rights and responsibilities regarding federal financial aid, refer to www.lsu.edu/financialaid to view *The Guide to Federal Student Aid* published by the U.S. Department of Education.

Satisfactory Academic Progress for Purposes of Financial Aid Eligibility

Undergraduate Students

In order to receive financial aid, a student must be making "satisfactory academic progress." For the purpose of participating in any of the federal student aid programs, the LSU Office of Undergraduate Admissions & Student Aid has established the following policy for determining satisfactory academic progress for undergraduate students:

- Students must not be on academic probation if they have enrolled for less than four semesters.
- Students must have a 2.0 cumulative gpa at the end of their fourth semester attempted and thereafter.
- Students must earn at least 75 percent of hours attempted for the past academic year.
- Students may only receive financial aid for a maximum of 180 attempted credit hours (238 for 5 year curricula).
- Students pursuing a second Bachelor's degree may only receive financial aid for a maximum of 60 attempted hours beyond the first degree. Student's pursuing a third bachelor's degree are not eligible for federal financial aid.

If these established criteria are not met at the end of the spring semester, students may seek to appeal if mitigating circumstances affected their academic performance. Students are mailed an appeal form when they are not considered to be making satisfactory academic progress at the end of the spring semester. For

a student to re-establish eligibility they must either (1) receive an approved appeal or (2) meet the Satisfactory Academic Progress requirements at the end of the next spring semester. The complete Satisfactory Academic Progress policy may be viewed at www.lsu.edu/financialaid.

Graduate/Professional Students

For the purpose of participating in any of the federal student aid programs, the LSU Office of Undergraduate Admissions & Student Aid has established the following policy for determining satisfactory progress for graduate and professional students:

Graduate Students:

- Students must have a 3.0 cumulative gpa.
- Students must earn at least 75 percent of hours attempted for the past academic year.
- Master's students may receive financial aid for a maximum of five years from the first semester of their program.
- Students pursuing a second master's degree may receive financial aid for a maximum of five years from the first semester enrolled in the program. Students pursuing a third master's degree are not eligible for federal financial aid.
- Doctorate students may receive financial aid for a maximum of seven years from the first semester of their program.
- Students pursuing a second doctorate degree are not eligible for federal financial aid.

Professional Students:

- Students must have a 2.0 cumulative gpa.
- Students must earn at least 75 percent of hours attempted for the past academic year.
- Law students enrolled in the JD/BCL program may receive financial aid for a maximum of 145 attempted credit hours.
- Law students enrolled in the LLM or MCL program may receive financial aid for a maximum of 39 attempted hours.
- Students enrolled in the DVM program may receive financial aid for a maximum of 265 attempted course hours.

If these established criteria are not met at the end of the spring semester, students may seek to appeal if mitigating circumstances affected their academic performance. Students are notified when they are not considered to be making satisfactory academic progress at the end of the spring semester. For a student to re-establish eligibility they must either (1) receive an approved appeal or (2) meet the Satisfactory Academic Progress requirements at the end of the next spring semester. The complete Satisfactory Academic Progress policy may be viewed at www.lsu.edu/financialaid.

Resignations/Unofficial Withdrawals

Students who receive financial aid funds and then resign or unofficially withdraw (cease attendance) during the first 60 percent of the enrollment period will be required to repay all or part of the aid they received. The amount of aid that must be returned is based on the period of time the student remained enrolled. Detailed information regarding the return of funds and postwithdrawal disbursements, if

applicable, is located at www.lsu.edu/financialaid.

Federal aid must be returned within 45 days to the appropriate programs in the following order: Unsubsidized Federal Stafford Loans, Subsidized Federal Stafford Loans, Perkins Loans, PLUS (Parent) Loans, Graduate PLUS Loan, Pell Grants, Academic Competitiveness Grant (ACG), National SMART Grant and SEOG. The amount of aid to be returned will be calculated at the time of resignation. For unofficial withdrawals, the amount will be calculated at the end of the enrollment period. Until this obligation is settled, requests for academic transcripts will not be processed and any further financial aid may be in jeopardy.

Campus Employment

Those students who want to work on campus, but do not qualify on the basis of financial need, may seek regular student employment by contacting various departments on campus. Only full-time students who are not on academic probation are eligible to hold campus jobs. Graduating seniors who are part-time in their final semester may have permission to work in a campus job. The Career Services location in B-4 Coates Hall provides assistance to those who seek part-time, internship, co-op, or volunteer positions on and off campus. Graduate students should inquire about the availability of assistantships in their departmental offices. For additional information, visit www.lsu.edu/career.

Short-Term LSU Loans

Full-time students, who have completed registration, and have not received a credit balance check, may apply for short-term Hiram Student Loans in the amount of \$300 for undergraduate students and \$500 for graduate/professional students. Students must not be on academic probation to receive these loans. Students must have repaid any prior short-term loans to be eligible. Loans are made starting on the first day of classes and continues for the first two weeks of classes. Students are permitted a maximum of 60 days to repay the loan in full. A 2 percent service charge is assessed on the amount borrowed. This 2 percent service charge is equivalent to an annual interest rate of 12 percent.

Hiram Student Loans are to be repaid at the Office of Bursar Operations, 125 Thomas Boyd Hall, on or before the maturity date shown on the promissory note signed by the student at the time the loan was negotiated. Students who fail to repay Hiram Student Loans by the maturity date may jeopardize their chances of receiving future loans.

Accounts that must be turned over to LSU's attorneys for collection are assessed an additional collection fee. *All international students who are interested in Hiram Loans should contact the International Student Office prior to receiving loans or working in jobs on campus.*

Services for Students with Disabilities

Students with physical disabilities who must confer with a financial aid officer should contact the office for an appointment in advance so that appropriate accommodations can be made.

VETERANS' BENEFITS

The Office of the University Registrar, 112 Thomas Boyd Hall, provides counseling and information for veterans attending LSU. Enrollment certifications to the Veterans' Administration are handled through this office, and all veterans and eligible dependents of deceased or disabled veterans are urged to establish contact with the Office of Veterans' Affairs when they arrive on campus. New students who wish to receive advance pay should notify this office at least 30 days prior to registration. Information is also available at the Office of Veterans' Affairs Web site: www.lsu.edu/slas/vetaffairs.
