7950 Seminar in Corporate Finance (3) Prereq.: BADM 7020 and BADM 7040. Theory of business finance and evaluation of its usefulness in practice; design, control, safeguarding, and evaluation of financial decisions.

7760 Food and Beverage Operations (3) Prereq.: ECON 7610 or equivalent. Examination of all aspects of foodservice operation in hospitality industry and retail settings; major food cost factors; individual food and beverage items; depreciation of assets; product quality control; and operational aspects of the foodservice business.
lab. Methods of chemical, physical, and instrumental analysis in food colors and flavors; natural and synthetic flavorings and colorings.

7050 Food Protein Biotechnology (3) F,E Prereq.: FDSIC 4060, 4050 or permission of instructor. Overview of contemporary research topics in food proteins and enzyme technology, genetic engineering, and immunology for the production of safe foods and food ingredients; proteins as nutrients and allergens; applications and regulations of protein biotechnology in the food industry as well as ethical and legal issues; career opportunities in protein and enzyme technology.

7060 Advanced Concepts in Food Science (3) V Prereq.: FDSIC 4060 and BIOL 4087. Analysis of new and progressive concepts in food science.

7071 Seminar in Food Science (1) F,S May be taken for a max. of 3 hrs. of credit. Selected topics in food science and technology.

7075 Advanced Food Preservation (4) F,S Prereq.: FDSIC 4075 or equivalent. 3 hrs. lecture; 3 hrs. lab including field trips to local food processors. Preservation technologies of various food processing operations from raw ingredients to final product.

7079 Seminar in Nutrition (1) Same as HUREC 7094. May be taken for a max. of 2 hrs. of credit. Prereq.: ANSC 7091. FDSIC 7071, HUREC 7010, or equivalent or previous slide (not poster) presentation at a professional meeting.

7099 Taxonomy 2291, 2296, 2201 not for FREN 2102 and FREN 2202. 3 hrs. of lecture and lab in field work. Requires permission of the Department. Students completing FREN 2102 or FREN 2202. Continuation of elementary Cajun French. Structures and lexicon of French as it is spoken in Louisiana. Emphasis on comprehension and production of extended discourse, both oral and written; supplementary work in language lab and one field work project required. Taught in French. May be taken for a max. of 6 hrs. of credit.

4074 Intermediate Oral Communication (3) V Prereq.: FREN 2101, 2201 or concurrent enrollment in 2101 or 2201. Development of listening and speaking competency.

4075 Reading in French Literature (5) F,S,Su Prereq.: FREN 2102 or equivalent. Introduction to interpretive reading of French texts; development of competency in written French.

4080 French for Travelers I (3) FREN 2101, 2102 or equivalent prior study is prerequisite for FREN 2201. 2101 or equivalent prior study is a prerequisite for FREN 2202. Credit will not be given for FREN 2101, 2102 and FREN 2303, 2104. FREN 1002 or equivalent prior study is prerequisite for FREN 2102. Students completing 2102 or equivalent or higher, with a grade of "C" or higher, may not enroll in FREN 2101, 2102 or equivalent prior study for FREN 2102. Strategies and lexicon of French; additional emphasis on reading and writing; supplementary work in language lab and one field work project required. Taught in French. May be taken for a max. of 6 hrs. of credit.

4081 French Literature of Quebec (3) V Prereq.: FREN 2101, 2102 or concurrent enrollment in 2101 or 2201. Development of listening and speaking competency.

4082 Introduction to Francophone Cultures (3) V Prereq.: FREN 2101, 2102 or concurrent enrollment in 2101 or 2201. Development of listening and speaking competency.

4083 The French Film (3) V Prereq.: FREN 2101, 2102 or concurrent enrollment in 2101 or 2201. Development of listening and speaking competency.

4084 French in Its Second Language (1) Prereq.: FREN 2101, 2102 and FREN 2303, 2104. Credit will not be given for FREN 2101, 2102 and FREN 2303, 2104. FREN 1002 or equivalent prior study is prerequisite for FREN 2102. Students completing 2102 or equivalent or higher, with a grade of "C" or higher, may not enroll in FREN 2101, 2102 or equivalent prior study for FREN 2102. Structures and lexicon of French; additional emphasis on reading and writing; supplementary work in language lab and one field work project required. Taught in French. May be taken for a max. of 6 hrs. of credit.

4085 French in Its Second Language (1) Prereq.: FREN 2101, 2102 or equivalent prior study is prerequisite for FREN 2102. Students completing 2102 or equivalent or higher, with a grade of "C" or higher, may not enroll in FREN 2101, 2102 or equivalent prior study for FREN 2102. Structures and lexicon of French; additional emphasis on reading and writing; supplementary work in language lab and one field work project required. Taught in French. May be taken for a max. of 6 hrs. of credit.

4086 French for Travelers I (3) FREN 2101, 2102 or equivalent prior study is prerequisite for FREN 2201. 2101 or equivalent prior study is a prerequisite for FREN 2202. Credit will not be given for FREN 2101, 2102 and FREN 2303, 2104. FREN 1002 or equivalent prior study is prerequisite for FREN 2102. Students completing 2102 or equivalent or higher, with a grade of "C" or higher, may not enroll in FREN 2101, 2102 or equivalent prior study for FREN 2102. Structures and lexicon of French; additional emphasis on reading and writing; supplementary work in language lab and one field work project required. Taught in French. May be taken for a max. of 6 hrs. of credit.

4087 Introduction to Francophone Cultures (3) V Prereq.: FREN 2101, 2102 or concurrent enrollment in 2101 or 2201. Development of listening and speaking competency.

4088 Introduction to Francophone Cultures (3) V Prereq.: FREN 2101, 2102 or concurrent enrollment in 2101 or 2201. Development of listening and speaking competency.

4089 Introduction to Francophone Cultures (3) V Prereq.: FREN 2101, 2102 or concurrent enrollment in 2101 or 2201. Development of listening and speaking competency.

4090 Introduction to Francophone Cultures (3) V Prereq.: FREN 2101, 2102 or concurrent enrollment in 2101 or 2201. Development of listening and speaking competency.

4091 History of the French Language (3) V Prereq.: FREN 3071 and 3072 or equivalents or permission of instructor. Major aspects of the language and literature of the period.

4092 History of the French Language (3) V Prereq.: FREN 3071 and 3072 or equivalents or permission of instructor. Major aspects of the language and literature of the period; topics will focus variously on an author, a theme, or a genre.

4093 French for Travelers I (3) FREN 2101, 2102 or equivalent or permission of instructor. French phonology, morphology, and syntax.

4094 Advanced French Phonetics (3) S Theoretical and practical study of French phonetics and perception.

4095 Advanced French Syntax and Stylistics (3) F Prereq.: FREN 3060 or equivalent or permission of instructor. Syntactical structure of French, with attention to stylistic improvement of written and oral expression.

4096 French Literature of the 16th Century (3) V Prereq.: FREN 3071 and 3072 or equivalents or permission of instructor. Major aspects of the language and literature of the period; topics will focus variously on an author, a theme, or a genre.

4097 French Literature of the 18th Century (3) V Prereq.: FREN 3071 and 3072 or equivalents or permission of instructor. Major literary, philosophic, and scientific currents of the period and their interrelations.

4098 French Literature of the 19th Century (3) V Prereq.: FREN 3071 and 3072 or equivalents or permission of instructor. Major literary, philosophic, and scientific currents of the period and their interrelations.

4099 French Literature of the 20th Century (3) V Prereq.: FREN 3071 and 3072 or equivalents or permission of instructor. Major literary, philosophic, and scientific currents of the period and their interrelations.

4100 French Literature of the 21st Century (3) V Prereq.: FREN 3071 and 3072 or equivalents or permission of instructor. Major literary, philosophic, and scientific currents of the period and their interrelations.

4101 Translation Skills (3) F Prereq.: FREN 3060 or equivalent or permission of instructor. An analytic approach to the structures of English and French; strategies and techniques for their translation in literary, technical, and scientific contexts.

4102 French Literature of the 20th Century (3) V Prereq.: FREN 3071 and 3072 or equivalents or permission of instructor. Major literary, philosophic, and scientific currents of the period and their interrelations.

4103 French Literature of the 21st Century (3) V Prereq.: FREN 3071 and 3072 or equivalents or permission of instructor. Major literary, philosophic, and scientific currents of the period and their interrelations.

4104 Translation Skills (3) F Prereq.: FREN 3060 or equivalent or permission of instructor. An analytic approach to the structures of English and French; strategies and techniques for their translation in literary, technical, and scientific contexts.

4105 French Literature of the 20th Century (3) V Prereq.: FREN 3071 and 3072 or equivalents or permission of instructor. Major literary, philosophic, and scientific currents of the period and their interrelations.

4106 Translation Skills (3) F Prereq.: FREN 3060 or equivalent or permission of instructor. Major literary, philosophic, and scientific currents of the period and their interrelations.

4107 Translation Skills (3) F Prereq.: FREN 3060 or equivalent or permission of instructor. Major literary, philosophic, and scientific currents of the period and their interrelations.

4108 Translation Skills (3) F Prereq.: FREN 3060 or equivalent or permission of instructor. Major literary, philosophic, and scientific currents of the period and their interrelations.
