### **What you will learn and experience . . .**

- How to walk away with the tools to create a well-managed and effective classroom
- How to create a safe and positive learning environment
- How to get students to do what you want them to do
- How to maximize classroom time for learning and achievement
- How YOU can change a student's life

**Chelonnda Seroyer** was successful on her very first minute on her first day of school. She built upon that success and was named Teacher-of-the-Year. With stories and examples, she shows how she created a classroom with no discipline problems and high academic success. Chelonnda has helped educators transform their classrooms into well-oiled learning machines.

**William Martinez** pays tribute to teachers in an inspirational, musically spectacular, and interactive performance. He will leave you with ideas to make your classroom inviting and nourishing for all students. In narration, song, and sign language, he shares how he went thorough 18 elementary schools until he met the teacher who changed his life and became the unique, magnificent performer he is today. Music by Grammy nominee, David Bawiec. See a preview at [www.SIGNingtheSong.com](http://www.SIGNingtheSong.com).

*"In my 11 year career, this was the best, most informative workshop I have attended. I LOVE Mrs. Seroyer. She was positive and practical and spoke to us from a place of experience—not theory."* ~Evaluation Report from Teacher, Houma, Louisiana

*"William's show is a MUST SEE! I laughed, I cried, and I came out a different human being!"* ~Anna Cass, Los Angeles, California
