

Plan of Study Guidelines

MASTER'S NON-THESIS OPTION (36 Credits)

Complete this Plan of Study in consultation with your major professor. Fill this form COMPLETELY (36 credits), including any FUTURE COURSES in which you plan to enroll. This is NOT a binding contract and can be changed/updated with approval from your major professor and the GSC.

Restrictions:

- Of the 36 credits, a maximum of 18 credits can be from EE 4x0x. EE 7x00. EE 709x and other independent study/seminar/special topics courses.
- No more than 2 “C” grades will be accepted

Major Area Requirement (15 Credits)

- List only LSU EE 7xxx level courses in this section
- EE 7091 and EE 7092 cannot be used in the major area requirement

Electives Requirement (21 Credits)

- List only courses in EE, CS, Math, Physics, Chemistry, EXST 1 and EXST 2 taken at LSU
- Maximum of 12 credits in 4xxx level courses
- Maximum of 6 credits of EE709x
- Other LSU courses outside the approved list **must be pre-approved****
- Transfer Courses: Maximum of 12 credits, from U.S. Institutions only. **Must be pre-approved****
- **** *Course Pre-Approval Form*** (also located on ece.lsu.edu) must be submitted **prior to** the Plan of Study for Transfer courses and LSU courses not on the approved list.
- Students may take a maximum of 12 credits outside the division (EE).

NOTE: MS Non-Thesis students MUST be registered in either EE 7091 or EE 7092 Independent Study in the semester of the final examination.

Instructions: Complete the Plan of Study according to the Guidelines on page 1
