## THESIS CHECKLIST

- Have you thoroughly proofread the manuscript?
- Are your name and thesis title **identical** in wording on title page, cataloging abstract, and approval sheets? (Title should be in all capital letters on the title page and in upper and lower case on the cataloging abstract and approval sheets. The title should also be entered in upper and lower case on the ETD collection page.)
- Have you checked for missing pages and accuracy of pagination?
- Have all page changes in final copy been made in the table of contents, list of tables, and list of illustrations?
- Do the table of contents, list of tables, and list of illustrations reproduce, word-for-word, the heads and titles as expressed in the text?
- Have you prepared an original cataloging abstract?
- Does the thesis meet margin and typeface font and size requirements?
- Have you notified the Graduate School whether or not you will be attending commencement?
- If any previously published material authored by you appears as a substantial part of the document, have you applied for and received permission to reprint from the publication it appeared in? (A copy of any letter(s) of permission must appear in an appendix.)
