German 4062: Advanced German Discourse

Spring 2016
Tuesdays & Thursdays 1:30 – 2:50 p.m.,
101 Audobon Hall
Instructor: Michael B. Dettinger, Ph.D.

Course Description

This course will examine the German language and culture in present-day contexts. In doing so we will utilize multiple media formats, including interactive Web 2.0 technologies to further explore German politics, festivals, music, sports, the culinary arts, and more. We will practice all four communication skills; reading, writing, listening, and speaking with topics relative to your own personal interests.
