

STUDY ABROAD WITH:

BUSINESS

Our global economy is proving that an international profile is mandatory. Start building yours today by studying abroad! According to the *Frontiers Journal: A Student Guide to Studying Abroad*, 73 percent of employers report that they think favorably of study abroad experiences on resumés. The E. J. Ourso College of Business requires business majors to take classes at institutions accredited by the AACSB, an international organization that evaluates the top 5 percent of global business universities. Academic Programs Abroad is here to help you study abroad for a semester or a year at the following universities.

With all these exciting options, **why not geaux?**
