CPT Checklist for Undergraduate Student Application

IMPORTANT: Applications cannot be submitted or processed until the earliest date listed on our website for the upcoming semester.

☐ Copy of your current I-20 containing up-to-date and correct information. Make sure the major/level of study, source of funding (cannot be from CPT employment), and program completion date are accurate. To make any corrections to your I-20, you must submit a Green Sheet, Status Extension, or Change of Program Level form prior to or at the same time as submitting your CPT application; this will require extra processing days.

☐ CPT Application (below) fully completed, with original signatures from student and academic advisor.

☐ Original job offer letter, on official company letterhead with actual signature from employer.
   Your department (and the LSU Olinde Career Center if applicable) must approve the job details before you apply to our office, so please make sure that you provide a copy of the letter to them as well. No faxes or email attachments can be accepted if they do not come directly to IS from the employer. If your employer only provides electronic offer letters, they will need to email it directly to isoemp@lsu.edu. See sample job offer letter. Your CPT will not be approved if the dates on your job letter do not meet requirements listed above.

   B. Register for a course requiring an internship, if the basis for your CPT application is a course for credit.

☐ Complete registration: LSU Bursar Operations lists the first day to register and pay fees on their website, which is also shown on our CPT page as the date that processing will begin. No Early CPT Applications will be accepted. Actual CPT processing begins no earlier than the date fee bills are released; at that time, the 5-10 day processing period for CPT begins, after you complete formal registration for the upcoming semester.

☐ Submit all application materials to International Services, 101 Hatcher Hall before the CPT deadline listed on our website for the upcoming semester. NO EXCEPTIONS.

By the CPT deadline, all required documentation must be submitted and final registration must be completed (all fees must be paid for the upcoming CPT semester and enrollment officially confirmed through LSU Bursar / PAWS). Late or incomplete applications cannot be processed. Allow at least 5-10 business days for processing before your requested start date, from the date we receive all materials. We cannot entertain requests for expedited service. Note: You are not authorized to begin working unless and until this application is approved by our office and you have picked up your CPT authorization I-20 from our office.
The deadline for submitting your completed CPT application for the upcoming semester is listed on our website. All required documents must be received and registration requirements must be completed by this deadline. No exceptions can be made.
