Dropping Courses Via myLSU after the Last Day to Add Courses – Students may drop courses via myLSU until 4:30 p.m. on the final date to drop courses or resign unless they are a student in one of the groups noted below:

- All Center for Freshman Year students
- College of Agriculture students who have not earned 24 hours
- Student athletes
- Candidates to receive degrees at the conclusion of the current term or semester
- Students whose dean’s office has placed a hold on their registration
- In addition, graduate/teaching assistants and international students with an immigration status of “0” or “2” will not be able to drop below full time status using myLSU

Resignation

Beginning the first class day, students cannot drop all of their courses using myLSU. This is, in effect, resigning from the University. If a student wants to resign they must begin the resignation process in their dean’s office. The student must obtain a resignation form and file the form with the Office of the University Registrar within 10 days after it has been endorsed by each administrative office indicated on the form. Resignation is not complete until the form is submitted to the Office of the University Registrar.

Students who absent themselves from the University without leave and without official resignation will not be assigned “W” grades and, at the end of the semester, normally will receive grades of “F” in courses for which they are registered.

Repayment Policy (Return of Title IV Financial Aid)

The federal government mandates that students who withdraw from all classes may only keep the financial aid (federal “Title IV” grant and loan assistance) they have “earned” up to the time of withdrawal. Funds that were disbursed in excess of the earned amount must be returned by the university and/or the student to the federal government. Please click here for the entire policy.
