

<b>2009 LHSRA State Rally Unofficial Results</b>
<b>Drama Open Events</b>

Thank you all who participated. We, the judges, had a wonderful time watching all of your wonderful work. Even work that rated "average" was still incredibly enthusiastic, and that enthusiasm was infectious.

For future productions, directors please list not only the name and contact information for your cast and crew, but also which part they played or which position they held. It would make adjudicating move a lot more smoothly.

"Overall" denotes the production including choice of script, sets, ensemble work, and costumes.
