Guidelines for Louisiana State University Application for Release Without Penalty from the Residence Halls Academic Year Contract

Please retain guidelines on pages 1 and 2 for reference.

(Note: All guidelines for residence halls also apply to East and West Campus Apartments.)

The housing contract is issued for the full academic year. The contract is strictly adhered to with exceptions made only under special circumstances. A request for a release from the contract does not constitute an automatic release nor should acceptance of this form be construed as a commitment to release. Essentially, consideration for adjustments or cancellation of the contract will fall into four categories: withdrawal from school, medical, marriage, and "in cases of necessity as determined and approved by the Department of Residential Life." Residents requesting a release without penalty must establish through documentation, two issues: 1) a change in circumstance creating a special need (categories stated above) after moving into the assigned space and 2) LSU has no other form of housing that will meet this need.

Necessary Documentation

The following is a list of documentation that must be provided in support of the resident's application for release without penalty:

a. Medical: Once the Application for Release without Penalty is returned to the Operations Administrative Coordinator, a complete explanation of medical condition by the treating physician will be requested. A medical form will be forwarded to applicant's physician (per information provided on the Application for Release without Penalty) and must be completed and returned by the physician in order for an appeal to be considered. Medical documentation from family members will not be considered.
b. **Financial:** Financial reasons for release will only be considered if it can be verified that a significant change in the financial status of a resident’s family or background has occurred since the date the resident moved on-campus. Examples might include a death of a parent, permanent lay-off of a parent, family bankruptcy, etc. A release will not be granted for the sole reason to move into off-campus housing, fraternity/sorority houses, to secure less expensive housing, to commute from home, or live in a newly family purchased, non-permanent residential property. Documentation to be provided must include: photocopies of federal or state income tax returns, proof of outstanding debt, loan contracts, verification of income, photocopies of current savings and checking account statements, etc. Parents' financial statements are required as well if the resident is a minor/dependent. Students requesting release for financial reasons must also complete the Financial Evaluation Application for Release without Penalty.

c. **Other:** For reasons other than those listed, resident must be very specific and extensive in his/her explanation. Additional documentation may be required. In these instances, documents will be photocopied and the original returned to the resident at the time it is presented. If original documents are attached to the application, they become a part of the University's permanent records and may not be returned.

**When and how will I know that my appeal has been granted?**

The Contract Release Committee meets on a weekly basis November - January unless prohibited by holiday schedules. The committee meets every two - three weeks or as needed during other months of the year. Therefore, you may not receive a decision from the committee for 2 - 3 weeks after submitting an appeal application. For questions regarding the status of your appeal, please contact Jacquelyn Brown at 578-0559.
