Dear Kevin,

On behalf of the LSUA Faculty Senate, I want to thank you and your team for coming to visit us last week. It was a good example of how the LSU System Faculty Senates could touch base with each other, collaborate, and share information. It also was much more personal in the sense that it allowed all of us to put faces to names, which is something that I feel is a critical element in any communication. The time that you and your executive committee took to drive up from Baton Rouge is an example of the sacrifice to service that I believe all faculty senates in the state could emulate. As you may have discovered, our own Faculty Senate here is deeply involved in the issues that affect our campus and I am extremely proud and honored to be able to work with each of them. I am very glad that you had the opportunity to meet them, and I am very glad that I had the opportunity to meet each of you.

Sincerely,

A handwritten signature in cursive script that reads "Callum B. Johnston".
