VISION
We, the members of the *Latin American Student Association* do hereby establish this organization in order that our purposes, of enhancing the cultural exchange among students and alumni of Louisiana State University, as well as the strengthening of the historical relations between Latin American countries and Louisiana State University, shall be realized to its fullest extent.

MISSION
The Latin American Student Association is established for the expressed purpose of fostering the integration of the Latin American community at Louisiana State University by means of solidarity, service, exchange of information, and activities that improve our society, culture and academic life.

In order to accomplish the general purpose and the specific objectives of the Latin American Student Association the activities to be planned and executed shall be relevant, the feasibility of achievement of each activity shall be high given that as students we are constrained by time. Activities are classified as: Integration, Hospitality, Information, and Networking.

OBJECTIVES
The purpose of the Latin American Student Association will be achieved by pursuing the following specific objectives:

- To facilitate the integration of Latin American students to campus life and the Baton Rouge community.
- To tend the needs of Latin American students, including new comers and established, by fostering service and solidarity.
- Exchange of valuable information that is necessary for a good living and academic excellence.
- To foster friendship and networking among Latin American students and the student body at LSU.

Committees that LASA has promoted are Academics, Cultural Affairs, Fundraising, Hospitality, Integration, and Webmaster and Graphic Design. You can start new committees; you need to present a strategic plan, see the template online.

VALUES
Following the path of our mission and future activities, the values of Latin American Student Association are: Integration, Hospitality, Information sharing, Networking and Solidarity.
