

Dear Potential Sponsor,

The Powerlifting Team of LSU is a club represented and run by college students. These individuals are hard working students who have a passion for success in and outside the gym. The benefits of powerlifting far exceed just physical fitness and well being; it builds on leadership abilities, commitment, team work, community service, and the ability to strive for things some believed impossible.

Our organization host several meets, including the annual Tiger Open in November and Tiger Invitational in March. Our team hosted "RAW" Biggest Bench Press on Campus this past semester and is also hosting our first sporting clay tournament in February of 2009. We assist at LHSPLA (Louisiana High School Powerlifting Association) meets with such schools as Lutchter High, and Runnels. We help coach, spot, work, and judge these events.

The team competes in meets sanctioned by the USA Powerlifting association, "Americans Choice for Drug Free Powerlifting." Our team holds the title as back-to-back **Collegiate National Champions** of 2007 and 2008. Our men's team took home the gold in 2007 and our women's team in 2008. We compete against several teams from across the U.S. including schools such as Louisiana Tech, Penn State, the US Air force and Naval Academes. This year the tigers are bringing it home and competing in Baton Rouge for the 2009 Collegiate National Title.

We also compete at Women's Nationals and Men's Nationals. In addition, a few outstanding members will lift on the World Team representing not only the United States but also our university and community. In 2007 six of our lifters made the Junior World team and competed in La Garde, France. Traveling to those meets and others around the US can be a bit overwhelming at times and certainly cause a strain on a college student's budget.

By sponsoring our organization your funds will be used to help with those travel expenses, the cost in hosting meets and purchasing team equipment. Eligible sponsors will be given the opportunity to represent their companies name on our lifting shirts, which will be worn at meets and around the public. We also recognize our sponsors with a gift team shirt and having their logo on our webpage.

We know that a huge part of our success is due to the support we receive and those helping us reach our goals. We appreciate your consideration in sponsoring our team and if you have any further questions you may visit our web page at <http://powerlifting.lsu.edu> or contact us by email lsupowerlifting@lsu.edu.

Sincerely,

Kayrie Spinney
