School Professionals’ Networking Day will be held **Wednesday, Oct. 25**, in the **LSU Student Union Royal Cotillion Ballroom**.

On School Professionals’ Networking Day, employers visit campus to network for full-time positions in the K-12 education system including teaching, counseling, school librarian and media specialists, school psychologists, speech pathologists/therapists, audiologists, school leadership, social work, and other school-based professional positions.

You must be a [Careers2Geaux](http://www.lsu.edu/students/careercenter/events/career) member and upload a résumé into the system to participate. Careers2Geaux membership is free for current LSU students and graduated alumni. All alumni must complete the alumni release agreement found on the [alumni section of our website](http://www.lsu.edu/students/careercenter/events/career) before gaining access to the system.

**All students who wish to be considered for interviews and included in résumé books to employers should have an ACTIVE and APPROVED résumé in the Careers2Geaux system by Tuesday, Oct. 24, at 3 p.m.** Students should be prompt in submitting a résumé for activation. The staff at the LSU Olinde Career Center will make every effort to be timely in the approval process but cannot guarantee a turnaround of less than two business days.
