- Alcohol may be present only in the form of commercially prepared packages of 12 ounces or less of a beverage that contains no more than 6 percent alcohol.
- No cover charge or admission charge shall be imposed at social events at which alcoholic beverages are served nor may alcohol be provided free in return for the purchase of another item (i.e. cup), and groups may not sell alcohol to participants (only Authorized Vendor/Servers may do this).
- Non-alcoholic beverages and food also must be served.

PS-108 Prohibition of Hazing

Hazing -- As stated in Section 5.2.B.3. of the Code of Student Conduct: Hazing is defined as any intentional, knowing, or reckless act, occurring on or off campus, by one person alone or acting with others, that subjects a student to an unreasonable risk of physical, mental, emotional or academic harm for reasons related to that student's status at the University or for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization whose members are or include students at the University.

Individual Violations
A person commits a hazing offense under this policy if that person does one or more of the following:
1. engages in hazing, including submitting to hazing; 2. solicits, encourages, directs, aids or attempts to aid another engaging in hazing; 3. carelessly allows hazing to occur; or 4. has knowledge of the planning of a specific hazing incident, or has knowledge that a specific hazing incident has occurred, and fails to report that knowledge in writing to the Dean of Students. Students who violate the University’s prohibition against hazing are subject to sanctions in accordance with the procedures outlined in the Code of Student Conduct.

Organizational Violations
An organization commits a hazing offense under this policy if the organization condones, encourages or recklessly allows hazing or if an officer or any combination of members, new members, prospective members, or alumni of the organization commits or assists in the commission of hazing. Organizations that violate the University's prohibition against hazing are subject to sanctions in accordance with the procedures outlined in Policy Statement 52. The sanctioning of a student
organization in no way precludes the sanctioning of individual members of that organization, or the imposition of civil or criminal penalties.

**REPORTING** A faculty member, staff member, or student who becomes aware of possible hazing of LSU students must immediately report the matter to the Dean of Students, 333 LSU Union, 578-4307, or to the LSU PD, 578-3231. For questions or concerns, please contact Greek Life at 578-2171 or greeks@lsu.edu.

**Sexual Assault Support, Services and Resources for Students and Policy Information**

Louisiana State University is committed to providing a learning, working, and living environment that promotes integrity, civility, and mutual respect in an environment free of discrimination, on the basis of sex and sexual misconduct which includes sex discrimination, sexual harassment, dating violence, domestic violence, sexual assault, stalking and retaliation.

LSU has developed policies and procedures to protect our students, employees, and our community from acts of sexual misconduct. LSU urges people who have been the victim of sex-based offenses to pursue criminal charges against the person or persons they believe to have committed the crime. A criminal charge and a disciplinary charge may be pursued at the same time; however, students may pursue a disciplinary complaint without pursuing criminal charges. Support and resources are available even if a student elects not to pursue criminal charges or University disciplinary action.

Individuals having knowledge of a sex-based offense (including dating violence, domestic violence and stalking) also are strongly encouraged to timely report that crime to the LSU police, Campus Title IX Coordinator, the Office of the Dean of Students, or the Office of Human Resource Management.
