This report contains information about expenditures, funding allocations, and sponsorships made or attained by the 2016-2017 LSU Student Government as a whole during the Fall 2016 semester. The expenses, data, and graphical reports represented here serve to reflect the amount of expense, funding allocation, and sponsorship awarded that had a direct impact on the LSU student body or LSU student-led organizations during the Fall 2016 semester. This report does not include spending on office operational expenses, supplies, or internal Student Government spending. This report serves as a snapshot view of the total amount of funds intended to be awarded.

This report was generated as part of an open-door policy that calls for transparency between the LSU Student Government and the LSU student body. The parties that received funding in the Fall 2016 semester are not guaranteed to receive funding during future semesters. All funds are awarded on a case-by-case basis upon the completion of an application process. For detailed information on the expenditures of the PSIF and ORF Committees refer to their independent reports on the LSU SG website.

All funds awarded by the LSU Student Government are in compliance with the LSU Student Government Constitution and Bylaws, Louisiana State University Policy, and all local, state, and federal laws.
