   campaigning and campaigning practices, and a general election timeline in order to increase
   interest in positions and reach out to more potential candidates.

Section 4. Election Informational Meetings

The Commissioner of Elections shall hold Election Informational Meetings during the week of pre-
file, filing, and qualifying. The purpose of these meeting will be to provide a simple explanation of
basic campaigning guidelines, and a general election timeline, in hopes of fully educating all

candidates, and at least two shall be offered per semester. Copies of this Election Code shall be
made available to prospective candidates at these meetings.

Section 5. Pre-Filing

A. A student shall have the option to pre-file for an election to ensure he/she meets all
   stipulations outlined in Section 7 of this Article for the sought office before the period

C. Once a student has filed for a certain office or race, he/she is able to refile for a different office or race as long as the filing period has not closed. A student may not be filed for more than one office or race at any one time. Once the filing period has closed, a student may not refile for a different office or race. The only exception applies to President/Vice President candidates and is as follows:
1. Candidates for Student Body President and Vice President shall both be listed together on the ballot and identified as to which office each candidate seeks. If, after the close of filing, a candidate for Student Body President or Vice President has not qualified, has been disqualified, or has withdrawn, then the remaining candidate may submit the name of a replacement candidate to the Commissioner of Elections, and this replacement candidate must be qualified by the Commissioner of Elections by 4:30 P.M. on the fifth (5th) class day preceding the General Election. The remaining candidate will also have the discretion to refile as either President or Vice President upon selecting their replacement candidate.

D. In the event that a candidate wishes to refile for a different position, the most recent filing form will be considered valid.

E. If a candidate successfully pre-files for a position, he or she is automatically filed for that position and, therefore, does not have to file during the designated filing period.

F. Any student may request from the Election Board the name of any other student(s) who has already filed for candidacy for any position.

C. If a student has pre-filed with the Election Board as outlined in Section 4 of this Article, the Commissioner of Elections shall not submit their information for verification, and shall list those students as eligible.
D. Once the Student Government Advisor reports back to the Commissioner of Elections, he/she shall report to the Election Board with a listing of filed candidates, and whether or not each is qualified.

E. After any amendments and final approval by the Election Board, the official list of qualified candidates will be posted outside of the Student Government Executive Office, Student Senate Office, and the Student Government website. Upon arrival, candidates must sign in with the Commissioner of Elections or member of the Election Board and also present a valid form of picture identification.
B. In the event that candidates are unable to attend one of the mandatory scheduled instructional courses or meetings, the candidate must notify the Commissioner of Elections before their mandatory scheduled meeting. If an extenuating circumstance as determined by the Election Board occurs on the night of a meeting which causes a candidate to be unable to attend, the candidate must provide a written excuse to the Commissioner of Elections within two (2) class days of the mandatory scheduled meeting. In any case where the candidate becomes excused, the appropriate meeting chair shall work with the Commissioner of Elections to determine alternate arrangements for the candidate. B. The vote threshold required to win is determined by dividing one hundred (100) by the number of seats available, and then dividing that number by two (2).

Section 10. Ties

Ties shall be handled as follows:

A. If there are only two (2) candidates in the General Election and the election results in a tie, then the election shall be rerun in the Run-off Election.

B. If a tie occurs in the General Election that affects which candidates will proceed to the Run-off Election, all tied candidates in question will proceed.

C. If a Run-off Election results in a tie, then the tied candidate who received the most votes in the General Election shall be the winner.

D. If a Run-off Election results in a tie, and the tied candidates received the same number of votes in the General Election, then the Election Board shall conduct a special election between the tied candidates.

Section 11. Voter and Petition Fraud
