This contract should only be used to receive C-I credit in a course that is NOT currently certified. To receive C-I credit, the student must earn a B- or higher on the Communication-Intensive activities contracted (even if not counted officially as part of the course grade) and a B- or higher for the final course grade. At the end of the semester, the faculty member and student will both complete a short survey to verify the contract was completed as detailed in the contract.
