

Guidelines on Distribution of Printed Material on the LSU Campus

Distribution of literature and other printed material on campus is governed by several LSU Policy Statements, including PS-82 on Use of LSU Facilities and Premises and PS-06 on Solicitation of Advertisement. Because distribution of printed material impacts several different LSU offices and programs, these guidelines have been prepared to clarify how these policies should be interpreted and applied by the various offices involved. These Guidelines do not replace or modify the formal policies, but are provided to assist LSU officials with the implementation of those policies.

Principle

LSU is committed to the First Amendment and the free speech values it embodies. As an institution of higher education, LSU recognizes the importance of free and open debate on all matters. Distribution of printed material on campus raises a number of issues that are unrelated to the content of the message being conveyed by that printed material. LSU has an obligation to take reasonable steps when appropriate to protect its students, faculty, and staff from invasions of privacy, impediments to safety, and interference with the University's educational, research, and service missions. To protect those interests, LSU reserves the right to impose content-neutral and reasonable time, place, and manner restrictions on the distribution of printed material on campus.

A. General Rules

1. Posters, fliers, and bulletins may not be placed on any LSU buildings, doors, walls, utility poles, trees, shrubbery, or any other surface. Posters, fliers, and bulletins may be placed on designated bulletin boards in accordance with any rules established by the department or office responsible for the bulletin board.
2. No printed material may be disseminated inside of or in the area immediately surrounding the Middleton Library and the Quad and inside of or on the steps of the Student Union, as shown on the attached map. Permission may be sought to place unattended distribution racks for printed material in those areas, subject to review as described in paragraph 3.
3. Distribution of printed material on other areas of the LSU campus is subject to reasonable, content-neutral regulation of time, place, and manner to protect the interests of LSU and its students, faculty, and staff, including, but not limited to, vehicular or pedestrian traffic congestion, construction activities, space available or required, parking needs, event security, litter mitigation, landscaping limitations, emergency contingencies and public safety considerations, the prevention of obstreperous distribution of literature, unwelcome hawking and face-to-face solicitation, the frequency or duration of requested use, the volume

or frequency of other requests or reservations, the university's own planned use of its facilities for athletic or other events, and potential for interference with the university's educational mission.
