MANDATORY TRAINING ON REPORTING POWER-BASED VIOLENCE

The mandatory training on power-based violence prevention and response is now available. All employees including faculty, staff, and graduate assistants are required to take this online training annually through Moodle. This year’s hour-long course was developed by the Board of Regents and the Office of Civil Rights & Title IX, in partnership with the Office of Human Resource Management. You can visit the mandatory employee training page to view all mandatory trainings.

Louisiana state law now requires all public institutions of higher education to report the number of employees who have completed the training to the Board of Regents and the Louisiana legislature. Since the report is due in early October, to meet this compliance demand please complete the training by midnight on Sept. 30, 2022.

For further information or training on power-based violence and sexual misconduct, please contact the Title IX office at titleix@lsu.edu or 225-578-9000. For technical questions regarding accessing and completing the modules, please contact hrmtraining@lsu.edu.

INFORMATION TECHNOLOGY SERVICES

Zoom Cloud Storage
On Thursday, March 24, 2022, Information Technology Services implemented changes in the Zoom meeting tool. These changes are intended to reduce LSU A&M’s usage of the Zoom Cloud Recording storage. Zoom provides the University with 88TB of cloud storage space and we are currently utilizing 80TB.

The following changes will be made:
- Each user’s Zoom configuration will be updated to the default setting, which is to only record a single view. Users can edit that option in their settings.
- For faculty and staff, all recorded content older than a year will be deleted from the Zoom Cloud Recording storage. Going forward, all recorded content will be kept for a year and then deleted. Faculty and staff can delete recorded content sooner via the Zoom web portal.
- Students will no longer be able to utilize Zoom Cloud Recording storage.

ITS Customer Satisfaction Survey
LSU Information Technology Services (ITS) is committed to improving the service we provide to our customers. We are conducting a customer satisfaction survey and want your input. The anonymous survey should take approximately five minutes to complete, and your honest input will ensure that ITS is investing resources in areas that will most benefit you and your tech experience. The survey will be active until Friday, May 6.
Facility Services Hosts Free Tax Service
LSU Facility Services once again provided a facility and computers for the Volunteer Income Tax Assistance (VITA) and Tax Counseling program. VITA offers free basic tax return preparation to qualified individuals and free tax help to people who need assistance in preparing their own tax returns, including:

- People who generally make $58,000 or less
- Persons with disabilities; and
- Limited English-speaking taxpayers

This year, VITA volunteers completed 332 tax returns, including 236 for LSU students and employees. Many of the students who scheduled an appointment to have their tax returns done were international students with no other option for free tax preparation.

LifeShare Blood Drive May 5
Facility Services will hold a LifeShare Blood Drive on Thursday, May 5 from 12:00-4:00 p.m. in the Landscape Services building on Skip Bertman Drive.

Not only is there a national blood shortage, but there is also a local blood shortage. At this time, all blood donated to local LifeShare Blood Centers is distributed within 24 hours of donation to local area hospitals.

The upcoming summer months are the most difficult times to collect, since schools are out of session and normally play a large part in helping restock hospital shelves with blood products.

LifeShare will also offer a free blood typing service at the blood drive. Some blood types are absolutely critical right now as newborns, cancer patients, sickle cell patients, etc. can only use a certain type of blood.

Remember: Your donation may save the life of someone you know.

Click here to sign up or just show up at the blood drive: https://donor.lifeshare.org/donor/schedules/drive_schedule/237477
