LEAVE CERTIFICATION REQUIREMENT

Louisiana Revised Statute 17:3311 A (3), along with PM-20 and PS-12, requires unclassified and academic personnel to certify that they were either present or absent from their usual duty posts during the usual working day. It further requires that the certification be completed and reported monthly. Each month, employees in these employment categories receive an email to respond to the requirements of the statute by certifying their attendance. The email is sent from hr@lsu.edu with the subject: LSU Leave Certification Required. In order to certify attendance, employees will login to myLSU, expand the 'Employee Resources' section of the myLSU menu, and click on 'Workday Leave Certification'. If all leave has been certified, the Workday Leave Certification will state “There are no pending items.”

Leave certification monitoring by HR Analysts, HR Department Heads, Department HR, and Managers should be established within the department/college. The Leave Certification Report is available in myLSU, expand the 'Financial Services' section, click on 'Reporting Tools', and scroll to the 'Leave Tracking' Category. HRM encourages departments to monitor the report throughout the year. All leave certifications will need to be verified for completed status when conducting annual evaluations.

9-month faculty will continue to complete the leave certification during the summer months as they are still employees of the university.
