University Travel

The purpose of this brochure is to provide a general overview of PM-13, University Travel Regulations, and to educate employees who travel on University business. Employees are encouraged to visit the Accounting Services at https://www.lsu.edu/administration/ofa/oas/#, click Department then click Accounts Payable (AP) & Travel. Travel, Policies and Procedures to obtain the most current version of PM-13 to review the complete set of travel rules and regulations as well as any other forms or policies related to travel. Failure to comply with regulations can result in non-reimbursement of travel expenses.

University policies mandate that all airfare is purchased through the state-contracted travel agency, Short's Travel Management. Lowest logical fares must be purchased from the state-contracted travel agency unless approval has been granted prior to travel to purchase the airfare from an alternate agency, resulting in a 10% cost savings amounting to at least $100, not including the service fee. Requests for an exception to use an alternate travel agency or to purchase airfare from a web vendor should be sent to the person who has been delegated this authority on your campus (see PM-13, Appendix B) for consideration prior to purchasing any airfare.

Lowest logical fares are penalty tickets that can have restrictions and cancellations and are also the responsibility of the employee. Lowest logical fares are penalty tickets that can have restrictions and cancellations. The single purchase limit for travel is $5,000 (monthly limit of $40,000). When LaCarte is used for payment of business travel expenses, all original itemized receipts must be submitted. Meal per diem will be reimbursed upon completion of the trip once the traveler submits the Expense Report. For information regarding enrollment in the LaCarte Card Program, please contact Accounts Payable at 578-1550.
