University Travel
The purpose of this brochure is to provide a general overview of PM-13, University Travel Regulations, and to educate employees who travel on University business. Employees are encouraged to visit the Travel website at http://www.lsu.edu/administration/ofa/oas/#, click Department then click Accounts Payable (AP) & Travel, Travel, Policies and Procedures to obtain the most current version of PM-13 to review the complete set of travel rules and regulations as well as any other forms or policies related to travel. Failure to comply with regulations can result in non-reimbursement of travel expenses.

University policies mandate that all airfare is purchased through the state-contracted travel agency, Short’s Travel Management. Lowest logical fares must be purchased from the state-contracted travel agency unless approval has been granted prior to travel to purchase the airfare from an alternate agency, resulting in a 10% cost savings amounting to at least $100, not including the service fee. Requests for an exception to use an alternate travel agency or to purchase airfare from a web vendor should be sent to the person who has delegated this authority on your campus (see PM-13, Appendix B) for consideration prior to purchasing any airfare. All pertinent documentation should be attached to the request. A written response via e-mail granting or denying the exception request will be provided.

Lowest logical fares are penalty tickets that can have restrictions and charge penalty fees for changes or cancellations. If the traveler’s schedule changes resulting in a penalty and additional cost to change the airfare, the traveler is responsible for paying the penalty fees and the additional cost. Change or cancellation is required by the University or due to other unavoidable situations approved by the person who has been delegated this authority on your campus (see PM-13, Appendix B). Certification of the requirement for the change or cancellation by the traveler’s Department Head/supervisor is required on the travel expense reimbursement request.

International airfares available from other sources may be less expensive than fares available from the state-contracted travel agency. Once an employee has been granted approval to travel internationally, the employee is free to either:
1. Book airfare through the state-contracted travel agency; or
2. If an employee seeks and finds a lower fare available from a source other than the state-contracted travel agency, the employee must obtain from the outside source a copy of the proposed itinerary and the complete cost. This information must be provided to the state-contracted travel agency. This approval must be obtained to the Travel Expense Reimbursement Request to obtain reimbursement of the cost of the ticket. If no response is received within the 24 hour period, the airfare can be purchased by the traveler (e-mail must be attached to the reimbursement/payment request).

Employees must use caution when purchasing tickets from sources other than the state-contracted travel agency, particularly restricted fares, many of which cannot be changed. The state-contracted travel agency will not be available to help with changes, cancellations, or other needs when a ticket has not been purchased through their office. It will be the responsibility of the employee to ensure the ticket meets their needs and to make changes, cancellations, etc. after the ticket is purchased. Any fees associated with changes or cancellations are also the responsibility of the employee.
