University Travel
The purpose of this brochure is to provide a general overview of PM-13, University Travel Regulations, and to educate employees who travel on University business. Employees are encouraged to visit the Accounts Payable & Travel website at [http://www.lsu.edu/administration/ofa/oas/](http://www.lsu.edu/administration/ofa/oas/) and to click the Travel link to obtain the most current version of PM-13 to the complete set of travel rules and regulations as well as any other forms or policies related to travel. Failure to comply with regulations can result in non-reimbursement of travel expenses.

University policies mandate that all airfare is purchased through the state-contracted travel agency, Short’s Travel Management. Lowest logical fares must be purchased from the state-contracted travel agency unless approval has been granted to travel internationally. If the employee is unable to purchase the lowest logical fare, the airfare from an alternate travel agency is reimbursable only if the employee has been delegated this authority on your campus (see PM-13, Appendix B) for consideration prior to purchasing any airfare.

Lowest logical fares are penalty tickets that can have restrictions and charge penalties for changes or cancellations. If the traveler’s schedule changes resulting in a penalty and additional cost to change the ticket, the traveler is responsible for the additional cost incurred when that change or cancellation requires approval. If the traveler is unable to purchase the lowest logical fare from the state-contracted travel agency, the employee must obtain from the outside source a copy of the proposed itinerary and the complete cost. This information must be provided to the state-contracted travel agency for review. The agency will determine if the airfare can be matched or beat, and, within 24 hours, a response will be provided to the traveler and travel manager. If the fare can be matched or beat, the ticket must be purchased from the state-contracted travel agency and an exception request will not be approved.

If the traveler agency cannot match the price, the travel agency will provide to the traveler the complete cost. This information must be provided to the state-contracted travel agency. If the airfare cannot be matched or beat and, within 24 hours, a response is not received, the airfare can be purchased by the traveler (e-mail must be attached to the reimbursement/payment request).

Employees must use caution when purchasing tickets from sources other than the state-contracted travel agency, particularly restricted fares, many of which cannot be changed. The state-contracted travel agency will not be available to help with changes, cancellations, or other needs when a ticket has not been purchased through their office. It will be the responsibility of the employee to ensure the ticket meets their needs and to make changes, cancellations, etc., after the ticket is purchased. Any fees associated with changes or cancellations are also the responsibility of the employee.

LaCarte Card Program
Employees who travel on University business are encouraged to participate in the LaCarte Card Program since the program allows for payment of business travel expenses. However, meals and personal incidental expenses are not allowed on LaCarte. The single purchase limit for travel is $5,000 (monthly limit of $40,000). When LaCarte is used for payment of business travel expenses, all original itemized receipts must be submitted. Meal per diem will be reimbursed upon completion of the trip once the traveler submits the Expense Report. For information regarding enrollment in the LaCarte Card Program, please contact Accounts Payable at 578-1550.
