### Company

- View access to most operational transactions linked to company.
- Each company has separate financial statements.
- Each company has some level of operational independence.
- 10 = LSUAM; 20 = LSUA; 30 = PBRC; 50 = LSUS; 60 = LSUE; 90 = LSUAG

### Cost Center

- Typically used to house people and their associated costs.
- Level at which budgets are created and managed.
- Format: CC#### (CC00101 LSUAM | Col of AGRI | Dean’s Office)

### Cost Center Hierarchies

- Hierarchies were established for each company according to organizational chart.
- Ensures reporting requirements can be met.
- Simplifies searches in Workday.

### Fund

- Required on every transaction.
- Defines source of funds being used/collected.
- Format: FD### (FD100 Unrestricted Fund)

### Function
- Custom organization used to track classifications of expenditures.
- All expenditures will be tagged with a function.
- Function is defaulted via related driving worktags.
- Example: FN## (FN10 Instruction).

Program
- Used to capture activities that do not have a designated start and end date.
- Format: PG###### (PG0002200 LSUAM | PBS – Veterinary Parasitology Diagnostic Services).

Project
- Used for traditional projects – a scope of work with a defined start and end date.
- Typically used for capital projects.
- Format: PJ###### (PJ000003 LSUAM | Coates Hall – Renovation for Physics Lab).

Gift
- External source of funds typically with usage restrictions (temporary or permanent) and requiring some level of reporting.
  - Not subject to grant reporting or letter of credit drawdown requirements.
- Gift is the central organization/worktag for Endowments and is linked to an investment pool.
- Basic Gift is a gift without the investment pool and can be used to track “spendable gifts” (non-endowed gifts).
  - Do not have the same reporting and/or billing requirements as grants.
  - Example: scholarship, LSU foundation, designated funds
- Basic Gifts can be assigned:
  - Gift type
  - Gift purpose
  - Related worktags
- Basic Gift Format: BG###### (BG000007 100016-342 | LSU FDN Priv Base-JC Floyd Professorship in Agriculture)
- Endowed Gift Format: EG###### (EG###### James M. Bernhard Jr. Scholarship)

Grant
- Represents specific funding source provided by an outside sponsor (federal or non-federal) with detailed reporting requirements.
- Separate grant (award line) is required for each sub recipient (if subject to F&A base limit), cost sharing, and program income.
- Naming system which links grant to award
- Format:
  - GRC-################ (GRC-1666142110000000 LSUAM | Equine Medication Surveillance 2015 – 2018 | 166614211)
  - GR-######## (GR-00000009 LSUAM | Regional Geospatial Modeling | 001)

Agency/Clearing
- Custom organization used to track funding for which companies act as an agent
- Student organizations, fraternities/sororities, etc.
- Example: AG0000 (AG0300 LSUAM | NCAA – Student Athlete Opportunity Fund)
Funding Source

- Custom organization to track funding for legacy accounts that are considered “revenue only” and provide funding to expenditure accounts.
- Student tech fee revenue account, interest income account, etc.
- Format: FS#### (FS0003 LSUAM | Laboratory School – Activity Fee
