Financial Accounting & Reporting

Monthly Close Dates
The monthly closeout is scheduled to take place the first working day of the new month.

In order for the monthly closeout process to be completed in Workday, all “In Progress” manual journal entries must be approved. Otherwise, the accounting date on the entry must be moved into the next open month. When the accounting date is changed, the entry reroutes through the entire business process.

In an effort to mitigate having entries reroute, initiators of manual journals should:

⇒ Track entries by running the “Find Journal” report to find “In Progress” entries. A job aid for the “Find Journal” report is available on the Workday Training under Reporting.
⇒ Initiate entries as early as possible in the month to allow enough time for them to make it through the entire business process prior to closeout. Since July 1, 2016, entries initiated in the last five days of the month typically end up having their accounting date changed to the next month

Cost Center Managers and all other approvers on journals should:

⇒ Approve any entries in your inbox in a timely manner
⇒ Make an extra effort to clear inboxes the last week of the month
Financial Accounting & Reporting continued...

Reports
A list of the recommended reports for departmental use to assist with reconciliations and management of funds is available on the Workday Training webpage under Reporting. The report is an Excel file called “Finance Reports by Functional Area”.

All finance related job aids are available on the Workday Training webpage.

1099 Tax Forms
1099 forms issued to LSU should be forwarded to Dakota Schoenfield in Financial Accounting & Reporting, 204 Thomas Boyd Hall or by e-mail at dschoe5@lsu.edu.

Bank Reconciliation
Contact us at bankrecon@lsu.edu for questions/requests related to the following:

⇒ Stop payment requests
⇒ Check copy requests
⇒ Check status requests
⇒ Unclaimed property
⇒ Unrecorded deposits
⇒ Expected wire or ACH payments

In addition, the AS32: Stop Payment Request and AS500: Request for Copy of an LSU Check forms can be found at FAR forms. Please ensure the most recent version is used when requesting information. Completed forms can be scanned and e-mailed to bankrecon@lsu.edu.

Cost Transfers
The following are tips when completing cost transfers:
⇒ The journal source should be “Manual Journal” not “Accounting Journal – Corrections.”
⇒ The journal line needing correction must be reversed with all related worktags. All information should be the same as on the original entry, with only the amount moving from debit to credit or vice versa.
⇒ Run the report “Journal Line Details” or “SPA – Journal Lines” and print it to PDF to use as backup. Avoid printing, highlighting, and rescanning the report because the size of the text causes it to become illegible. Instead, use the highlight and comment tools in Adobe to note which lines to use or if a partial transfer is being done.
⇒ On partial transfers, note the amount being moved.
⇒ FD940 is not required on an entry – please only use if balancing error is received when submitting the journal.

The “Create Journal Entry: Correcting Journal” job aid provides specific instructions on completing a cost transfer and is available on the Workday training webpage under Financial Accounting.

Credit Card Merchant
Please ensure daily CARD entries are being made to record credit card revenue received. If assistance is needed with obtainingbackup documentation from First Data/Bank of America or Elavon, please contact Jennifer Richard at jgendr1@lsu.edu.

Petty Cash
The university will no longer accommodate petty cash funds within departments and units. If funds are needed for an event, an AS750: Petty Cash Check Request should be e-mailed to Stephanie Laquerre at slaquer@lsu.edu using Melanie Powell (SPL-44555) as the supplier. Once received, the check can be cashed at the vault in Bursar Operations, 125 Thomas Boyd Hall. When the event is over and the cash is no longer needed, the deposit of funds should be recorded in the Customer Accounts Receivable and Deposit (CARD) application to record the deposit of the funds. A job aid is available for the CARD application.

Employee reimbursements will be processed by submitting an expense report in Workday. A job aid for this process is posted under Expenses on the Finance Training tab of the Workday website.

For non-worker reimbursements (university guests or non-employed graduate or undergraduate students), Expense Reports for Non-Workers should be created in Workday in lieu of submitting the paper forms AS300-NW: Travel Expense Reimbursement Request and AS541-NW: Reimbursement to a Non-worker. For international guests/visitors, the paper AS300-NW and AS541-NW forms are required to be submitted to the AP & Travel Office and will be processed via the Supplier Invoice Workflow for the payment to be sent by WIRE. Expense Report for Non-Workers Job Aid can be found on the Workday Training website.
Deferred Payment Plan for Spring 2023 Semester
For semester students that selected Deferred Payment Plan for Spring 2023, the first payment was due March 1. Payments are considered late after 4PM CST on March 13. The second payment will be due on April 1 and considered late after 4PM CST on April 11.

International Payments
International students may pay their student account balance using Flywire. The Flywire payment option is included on the Fee Bill and Billing Statements. Flywire commits to providing the best exchange rates.

1098-T forms
Students can access their 2022 1098-T forms at myLSU > Financial Services > Tax Documents. Questions regarding 1098-T forms can be directed to bursar@lsu.edu.

Credit Card Merchants
Elavon has started converting how American Express is settled on the backend. Merchants should see no change in the accepting of American Express. The reports from Elavon will show one deposit for all credit card transactions. After conversion, merchants will no longer have to break out the American Express MOP on their CARD entries. Any questions concerning the recording of revenue for credit cards should be directed to Jennifer Richard at jgendr1@lsu.edu or Daniel Butcher dbutch1@lsu.edu.

Cashnet eMarkets
eMarkets allow departments to provide customers with a secure, PCI compliant, online payment option for conferences, summer camps, advertising, etc. eMarkets cannot be used for any student-related charges. Questions regarding eMarkets can be directed to Daniel Butcher (dbutch1@lsu.edu).

Scanned CARD Entries
CARD entries that do not contain cash, checks or money orders can be scanned and e-mailed to cardobo@lsu.edu. All approvals and supporting documentation are still required for the CARD entry to be worked. If you do not have access to a printer and/or scanner, we will accept any of the following:

* Sign electronically (using phones and/or computer mouse).
* Provide images of the CARD entry with all supporting documentation that contain signatures and have the signature clearly visible.
* The approval can be obtained via an e-mail directly from student/faculty/staff. If the authorization is received via e-mail without a signature, it must come directly from the user’s authenticated myLSU account, and not a secondary e-mail account.

University Cashier
Departmental deposits can be dropped off in person between 10:00 am – 11:45 am and 12:30 pm – 4:00 pm, Monday – Friday.

Accounts Payable & Travel

Non-Resident Alien Tax Form 1042-S
IRS Forms 1042-S have been mailed by the University to all foreign visitors receiving income, to all non-resident foreign students receiving exemptions and cash awards, and to all tax treaty benefit recipients. Internationals planning to file a tax return claiming a refund of taxes withheld on income received will be required by the IRS to file with a valid SSN or ITIN (Individual Tax Identification Number). The IRS will not accept tax returns filed under an international student “999” student number.

Invoice Processing
Direct charge and purchase order invoices should be sent to aptravel@lsu.edu. Please respond to Direct Charge and Purchase Order staff e-mails to ensure continuous processing of all invoices. For any on-demand or special handling requests for extenuating circumstances, please contact Jessica Hodgkins at 578-1541 or jhodgkins1@lsu.edu or Valery Sonnier at 578-1531 or vsonnier@lsu.edu.

Non-Purchase Order/Direct Charge Invoices
In an effort to optimize the payment process, please ensure that LaCarte is used to pay for non-purchase
order/direct charge invoices from suppliers who accept credit cards as a means of payment. We appreciate your continued support!

International Visitors
Payments to international visitors must be in accordance with FASOP: AS-04, NRA Consultant, Contractor, Scholarship & Fellowship Payments and are subject to federal tax withholding at the rate of 30% unless a reduced withholding or an exemption from withholding is provided by a tax treaty. The tax treaty benefits must be claimed by the international visitor prior to payment.

It is critical to determine if the visa classification and other circumstances related to the international visitor allow for payment of any kind. If the visa classification does not allow the international visitor to receive payment or reimbursement of expenses, no payment request will be processed.

Please note, if the visitor does not have an SSN or ITIN, he or she will have to apply for an Individual Tax Id number (ITIN) via the W-7 form in order to claim tax treaty benefits and the W-7 form must be signed in person in the Accounts Payable & Travel office. For questions, please contact Valery Sonnier at vsonnier@lsu.edu or 578-1531.

Aged Listing of Outstanding Encumbrances Report
Departments are encouraged to utilize the Aged Listing of Outstanding Encumbrances report to review purchase order balances and to ensure payments have been processed. The following filters are available on the report:

- Search by worktag or multiple worktags
- Search by supplier
- Search by purchase order date
- Ability to remove “zero” dollar lines from the report

Purchase Order Invoices
Please do not attach purchase order invoices to the Receipt. The purchase order invoice should be forwarded to the respective Accounts Payable office to be matched against the purchase order and receipt.

Accounting Services (AS) Forms
As a reminder, please use the current versions of Accounting Services (AS) forms. Some of the forms were updated in recent months with improvements and additional information. Use of the current versions will streamline department processes and avoid processing delays. The current versions of the AS forms can be found on the Accounts Payable & Travel website.

LACARTE
Expense Reports should be created for LaCarte transactions not related to travel and CBA transactions with complete cost documentation and submitted for approval no later than 30 days from the date of the purchase/transaction. Failure to adhere to this policy will result in the suspension of the cardholder’s privileges.

Cardholder Notifications
Cardholder notifications are sent on the 2nd day of the month to inform cardholders of any outstanding LaCarte transactions greater than 30 days. The notification will not include LaCarte transactions already added on Expense Reports and submitted for approval. The notifications will also remind the cardholders that if any of the outstanding transactions are related to future business travel, the transactions must be reconciled on Expense Reports after the trip is completed/cancelled.

Supporting Cost Documentation
All LaCarte transactions must have the appropriate supporting cost documentation that “tells the story”. It is important that the receipt is itemized with a detailed description of the item. If a detailed description is not provided, an explanation of the item should be provided. Cardholders should not alter any cost documentation using Adobe software. If additional information must be provided, please include a comment within the expense report on one of the following: Header memo, Expense Item line memo, Business Process tab, or attach a separate
Accounts Payable & Travel continued...

memo under the Attachments tab. This will help the LaCarte/Travel auditor expedite the review and approval process. Insufficient supporting cost documentation will delay the audit process and may affect the cardholder’s privileges.

Itemized receipts should include:
- Vendor name
- Description of item purchased
- Quantity of items purchased
- Total dollar amount of purchase
- Transaction date
- Ship to address

Supporting documents may include:
- Sales receipt
- Packing slip
- Cash register receipt
- Copy of order form or application
- E-mail notification confirming order placed, item ordered, and amount purchased
- Accounting Services forms – the most current version should be used

For LaCarte related questions, please contact a member of the LaCarte staff:

Payroll

Retroactive Pay Transaction Cut Off for Current Payrolls
The cut off for Retroactive transactions for student and wage payrolls is Wednesday prior to payroll processing. The process to pull in Retroactive transaction runs on the Thursday prior to payroll processing. Any retro transactions loaded after the Wednesday cut off will not be paid until the payroll for the subsequent period.

The cut off for Retroactive transactions for academic and professional payrolls is 4 days prior to the payroll run date. Payroll end dates and run dates can be found at Payroll Schedules.

Costing Allocations
There are two types of costing allocations. Position Restriction costing allocations and Worker costing allocations. Position Restriction costing allocations follows the position regardless of the worker filling the position.

Position Restriction costing allocation is assigned on the Create Position transaction and must have a begin date equal to the date the position is created.

Position Restriction cost allocations should not have an end date. End dates could cause the Position Restriction costing allocation to expire and expired or missing Position Restriction costing allocations will prevent payment to an employee. Funding sources such as grants or other temporary funding sources should not be used on a costing allocation for Position Restrictions. The Position Restriction costing allocation should be viewed as the commitment budget for the position and must cover the entire life of the position.

Worker costing allocations are assigned in the hire process and can be updated as needed.

When adding a new costing allocation on an existing Worker, be sure to end the old allocation and add an additional record. Just updating the Start and End dates of the current allocation will not preserve the audit trail. HR partners, Cost Center Managers and Student Employment Partners must perform ongoing audits of costing allocation expiration dates and initiate timely changes prior to payroll run dates. The report Costing Allocations Ending Within Prompt Date will help identify employees with expiring Worker costing allocations. The Payroll calculation engine does not recognize when a grant has expired, therefore it is important to keep costing allocations up to date to ensure proper posting of salary charges.

Costing Allocations for Period Activity Pay (PAP)
When processing costing overrides for period activity pay, please be aware of mid period end dates. If the Activity End Date falls mid period, then the Payment End Date should be the Period End Date for the Employee Type. For example, if the activity end date is 10/5 and the employee is in the academic pay group, the Payment End Date should be loaded as 10/14.

Duplicate W-2 Requests
W-2 forms are available online through myLSU for calendar years 2001—2015 and can be printed as needed. To access W-2 forms through myLSU, select Financial Services, then Tax Documents. For 2016 - 2022, the W-2 forms are available through Workday. See Accessing Your W-2 Form for directions with accessing prior W-2s in Workday.

Should a W-2 not be accessible through myLSU or Workday, requests for duplicate W-2 forms can be made by completing form AS387. There is a $10.00 charge for each duplicate W-2 form. The completed AS387 form can be e-mailed to the Payroll Office at payroll@lsu.edu, faxed to (225) 578-7217 or mailed to 204 Thomas Boyd Hall, Baton Rouge, LA 70803. If an employee wishes to pick up their duplicate W-2, a phone number must be provided on the request so the employee can be notified when the W-2 is available. The employee must present a picture ID to obtain the duplicate W-2.

Employees can access their W-2 form electronically and avoid the fee charged for paper copies generated through Payroll.

Tax Forms and Instructions Available on Internet

Federal

State

Current tax forms can also be found under the Tax forms section of each employee type on Payroll’s webpage.
IRS Individual Taxpayer ID (W-7) and SSN
International students on scholarship who are not eligible for a social security number should apply for an Individual Taxpayer Identification Number (ITIN). LSU is a Certified Acceptance Agent with authority to collect and submit to the IRS the appropriate paperwork necessary to apply for the identification number. Students that need to apply for an ITIN may do so in the Payroll Office, 204 T Boyd. The ITIN application must be submitted with the applicant’s 2022 tax return, so bring your 2022 tax return as well as your travel documents, to the Payroll Office when you are ready to apply.

International employees who claimed tax treaty benefits in 2022 should have received a 1042-S form. The 1042-S forms are also posted on myLSU under Financial Services/Tax Documents. Both the W-2 and 1042-S forms are needed before tax returns can be filed. Questions may be directed to Yolanda Clark at 578-2592 or yvalle1@lsu.edu.

International employees who are considered non-resident aliens should complete federal forms 1040NR or 1040NREZ and 8843. All other international employees must consider their particular situation to determine the appropriate forms to file.

If the SSN in Box a of the W-2 ends with 9999 you need to bring a copy of your US Social Security Card to Payroll to update your SSN in Workday. A W-2C will be issued and you will need to file the form W-2C along with your form W-2.

Tax Assistance and Tax Software for Non Resident Aliens
There are two software programs available for international taxpayers considered nonresident aliens to purchase and use to prepare their required U.S. Federal tax return. GLACIER Tax Prep is provided through ARCTIC INTERNATIONAL, which is a company that has provided international tax training to employers for many years. Another software for this group of taxpayers is Sprintax, it offers State tax returns where Arctic does not.

Work Study Funds
Work Study charges for student employees must be posted to the College Work Study Pay Earning. That specific Earning is configured to directly charge the Work Study grant and to work in conjunction with the Work Study Award granted to the student by Student Aid.

Amounts posted to the Base Hourly Earning cannot be charged to the Work Study grant. A Payroll Accounting Adjustment cannot be processed to move Base Hourly Earnings to Work Study funds.

If you have student time that is charged to Base Hourly Earnings that you believe should be charged to Work Study Funds, please contact John Pilgrim at j pilgrim1@lsu.edu or Casey Forbes at c forbe1@lsu.edu for further assistance.

President’s Student Aid Funds
President Student Aid charges for student employees must be posted to the President Student Aid Pay Earning. That specific Earning is configured to work in conjunction with the President Student Aid Award granted to the student by Student Aid. A Worker Position Earning Cost Allocation should be entered to ensure charges post to the department President Student Aid account.

Amounts posted to the Base Hourly Earning cannot be charged to the President Student Aid account. A Payroll Accounting Adjustment cannot be processed to move Base Hourly Earnings to President Student Aid funds.

If you have student time that is charged to Base Hourly Earnings that you believe should be charged to President’s Student Aid, please contact John Pilgrim at j pilgrim1@lsu.edu or Casey Forbes at c forbe1@lsu.edu for further assistance.

Additional Jobs
Additional Jobs for an employee must be the same type as the Primary Job. For example, an Additional Job for a GA must also be a GA Position with an Academic Salary Plan. A GA should not have an Additional Job that is a Student Position with a Hourly Plan. The mismatch between employee types will result in incorrect payments.

Subrecipient Invoices for Grants

- Subrecipient invoices should be forwarded to SPA as soon as they are received.
- The Office of Management and Budget (OMB) Uniform Guidance requires subrecipient invoices to be paid within 30 days of receipt:
  - SPA will log and track the invoices to ensure it is paid within 30 days of receipt
  - Ensure the PO# and Grant ID are included on the invoice.
  - SPA will forward the invoice to AP who will load in Workday.
  - The invoice will route in Workday to the PI for approval.
  - Below is the PI Checklist for Subcontractor Invoices. Please ensure the following is checked for when approving invoices:

**PI Checklist for Subcontractor Invoices**

- Acceptable technical reports and deliverables have been submitted in accordance with subcontract requirements
- Dates on the invoice identifying the billing period (not the invoice date) are within subcontract period of performance
- Invoice format (e.g., major cost categories, lump sum, milestones, etc.) is in the format required by the subcontract
- Invoice frequency (i.e., monthly, quarterly, at final, etc.) is in compliance with subcontract requirements
- If required by the subcontract, invoices reflect the source of funds (ex: NASA, LEQSF – two separate awards) and invoiced amounts are charged to respective LSU grants
- Expenditures are allowable and within the rebudgeting limitations set forth in the subcontract
- If cost reimbursable, the cumulative amount equals the amount previously billed plus the current billing amount
- Cost sharing certification has been attached to the invoice, if applicable
- The invoice has been certified and signed by the authorized institutional representative
- If withholding is required by the subcontract, each invoice has been reduced by the retainage (% of amount invoiced)

- The final invoice has been marked “Final”, cost sharing has been met, the close-out certification has been submitted, and final deliverables have been submitted and accepted before the final invoice is approved for payment
- The Checklist can be found in the Post Award Manual on the SPA website.

- Properly prepared invoices and cost sharing certifications are approved by the Principal Investigator or his designee and forwarded to SPA. The department should also create a receipt in Workday. See job aid on LSU Workday website under Procurement “Create Receipt for Services.” SPA will forward the invoice to Accounts Payable for payment.
- If any of the above items are not satisfactory, the PI should notify the SPA contact for assistance in resolving the issue. If the invoice is satisfactory, Uniform Guidance requires that it be paid within 30 days. Therefore, please do not delay processing. The Checklist can be found in the Post Award Manual on the SPA website.

Appointments to Sponsored Projects – Reviewing Costing Allocations

- Appointments to sponsored projects must be for the period of actual time. These appointments may be beyond budget periods specified in the award if the PI and the department chair expect the grant period will be extended. However, a costing allocation to change the source of funds will be necessary if the grant is not extended or the sponsor issues a new award (in which case we must assign a new account number for the project). If a retroactive change needs to be made, a PAA must be processed.
- Overdrafts, unallowable costs, or costs not incurred within the period of the award remain the responsibility of the department. Therefore, personnel appointments to sponsored projects should be carefully evaluated. Appointments for extended periods should be considered when appropriate in lieu of preparing numerous forms over the life of multi-year or incrementally funded agreements.
- Ensuring costing allocations are correct during the period of performance will help reflect accurate time charged on the grant accounts and shown on the effort reports.
Board of Regents (BOR) Industrial Match
Industrial match commitment letters for BOR contracts are due to BOR by March 31, 2023:
- The original commitment letter should be mailed directly to BOR with a copy to Sponsored Program Accounting (SPA) as long as there are no changes with sponsor, amount, or terms.
- If a change is necessary, you must contact your appropriate Office of Sponsored Programs Office (OSP) coordinator. The commitment letters are required in order for SPA to budget the next year’s funding.

BOR R&D and Enhancement contracts expiring June 30, 2023
Any requests for rebudgeting and/or no-cost extensions must be submitted to BOR by April 30, 2023. Please allow time for review by Sponsored Program Accounting (SPA) and/or the Office of Sponsored Programs (OSP) for your campus. Any questions regarding BOR accounts should be directed to the Grant Manager whose name can be found on the grant under the Roles tab.

Early Termination
If an agreement is terminated for any reason, please notify both SPA and OSP in writing (e-mail is preferred). If the sponsor sent any written correspondence relating to the termination, e.g., e-mails, letters, etc., this must also be forwarded to both offices. Both SPA and OSP will work with the PI, department, and sponsor to close the project. Additionally, if a PI or Graduate Assistant named on any project has left the University, please notify SPA and OSP immediately.

Progress Reports
All progress reports, regardless of sponsor, must have the principal investigator’s signature and date. If this is not part of the report, it must be added. Since the cover letter is not considered part of the progress report, the signature needs to be on the actual progress report.

Unallowable Costs on Sponsored Agreements
FASOP: AS-21 UNALLOWABLE COSTS FOR SPONSORED AGREEMENTS includes procedures for unallowable costs and cost overruns that have not been cleared. If charges are not cleared after proper communication, the SPA Billing Analyst will transfer the unallowable costs or overdraft amount to a designated SPA-Unallowable Costs (unrestricted) account established in the college. An unrestricted program will be established, as needed, in each College for each function (research, instruction & public service).
