Yearend Operating Budget

- LaCarte Card Audit Recommendation
  - FY17 – 18 Adjustments by Ledger Account

- Yearend Budget Adjustments Processed by Budget & Planning
  - Classified & Unclassified Salary Ledger Accounts
  - Self-generated Revenue Closeout
Budget Development Process Using LOBA

- Cost Center Manager and Department Head roles have access to update LOBA
- Realign financial support budget (ADD COMMENT) $xxx to/from PGxxxxxxx/ledger xxxx
- Review Position Budget – any corrections to Position Budget processed by B&P through Workday: Request must include:
  - Name & Position number
  - Current AND proposed Program number/driving work tag and dollar amount for each split
  - Source of funds if needed
Position Budget vs Costing Allocation

- Position budget is not the same as costing allocation

- Position budget is not updated automatically to reflect costing allocation changes

- FY 19 Position Budget will reflect the last permanent changes that have been tracked in Workday
  - Position Budgets are only updated if unit identifies a transaction as permanent and provides source of fund information in the memo field in Workday
Institutional Pay Adjustments

- Any institutional pay adjustments (promotion, tenure, merits, etc.) are based on Position Budgets NOT costing allocations.

- Position budgets must be reviewed to ensure the budget reflects the permanent splits and amounts on a position since this will be used to load the Operating Budget.
Institutional Pay Adjustments

- Adjustments loaded into Workday as Compensation Change
  - Compensation change will prorate according to current costing allocation and corresponding percentages for payroll purposes

- Office of Budget & Planning
  - Load Position Budget for any institutional pay adjustments based on current Position Budget splits
  - Update Position Budget for all other permanent compensation or costing allocation changes if notified by the department/unit
Institutional Pay Adjustments

- Departments/Units
  - Responsible for all corrections to costing allocations after any institutional pay adjustments
  - For all other permanent position changes, units must note the change as being permanent and provide the following information in the memo field in order for B&P to update the Position Budget:
    - Source of funds if needed – support budget program and ledger account or vacant position number
    - Program number/driving worktag and dollar amount for each split
