AS509: Request to Establish Endowed Scholarship
AS551: Request for Project

Workday Security Access
Workday Access can be requested through myLSU:

- Financial Services
  - Workday Security Access Request
Bank Reconciliation
Contact us at bankrecon@lsu.edu for questions/requests related to the following:

- Stop payment requests
- Check copy requests
- Check status requests
- Unclaimed property
- Unrecorded deposits
- Expected wire or ACH payments

In addition, the AS32: Stop Payment Request and AS500: Request for Copy of an LSU Check forms can be found at Financial Accounting and Reporting Forms. Please ensure the most recent version is used when requesting information. Completed forms can be scanned and e-mailed to bankrecon@lsu.edu.

Petty Cash
The university will no longer accommodate petty cash funds within departments and units. If funds are needed for an event, an AS750: Petty Cash Check Request should be e-mailed to Stephanie Laquerre at slaquer@lsu.edu using Beth R. Nettles (SPL-23055) as the supplier. Once received, the check can be cashed at the vault in Bursar Operations, 125 Thomas Boyd Hall. When the event is over and the cash is no longer needed, the deposit of funds should be recorded in the Customer Accounts Receivable and Deposit (CARD) application to record the deposit of the funds. A job aid is available for the CARD application.

Employee reimbursements will be processed by submitting an expense report in Workday. A job aid for this process is posted under Expenses on the Finance Training tab of the Workday website.

For non-worker reimbursements (university guests or non-employed graduate or undergraduate students), Expense Reports for Non-Workers should be created in Workday in lieu of submitting the paper forms AS300-NW: Travel Expense Reimbursement Request and AS541-NW: Reimbursement to a Non-worker. For international guests/visitors, the paper AS300-NW and AS541-NW forms are required to be submitted to the AP & Travel Office and will be processed via the Supplier Invoice Workflow for the payment to be sent by WIRE. Expense Report for Non-Workers job aid can be found on the Workday Training website.

Sponsored Program Accounting

SPA offers a Post Award Training Certificate Program. The program is designed to provide in-depth training to campus administrators of sponsored programs. The certificate program offers 6 required courses:

1. Overview of Post Award Administration
2. Cost Transfers
3. Cost Sharing
4. Subawards and Participant Support
5. Effort and Key Personnel
6. Reports, Ledgers and Journals

To earn a certificate, you must complete all 6 courses. You can register through myLSU under Employee Resources.

Key Personnel
According to Uniform Guidance, federal sponsors must be notified or sponsor approval is required if a PI or Co-PI is disengaged from the project for more than three months or if there is a 25% or more reduction in the time devoted to the project. Please notify SPA in either case.

To assist in monitoring Key Personnel, the following reports are available:

- Award Key Personnel & Award Key Personnel Commitments (Report) job aids can be found on the LSU Workday website under the following sections:
  - Finance Training
    - Grants section
    - Effort Certification section
  - Just for Faculty page
    - Grants section
    - Effort and Leave Certification section

Cost sharing in lieu of directly charging the sponsored agreement as a way of documenting key personnel effort is contrary to University policy since effort can only be cost-shared if required by the sponsor. LSU’s cost sharing policy (FASOP: AS-06) states that cost sharing should be committed only when required by the sponsor as a funding stipulation. The salary for key personnel included in the approved budget should be charged directly to the sponsored agreement.
Sponsor Checks
If a check is received for a sponsored agreement in your department, please forward it to Accounting Services, SPA, 204 Thomas Boyd, to be logged in. Please include the following information on the check: award or grant number, principal investigator name, proposal number, and a name and phone number to contact if necessary.

LaCarte Expenses
In order for LaCarte expenses to be allowable on a sponsored agreement account, items purchased using LaCarte must be received during the grant period.

Office Supplies
General purpose office supplies (such as computers and toner cartridges) are not normally allowable on federally sponsored agreements. General purpose supplies are part of facilities and administrative costs which are not considered allowable direct cost.

Source Documents
Requested information from sponsors should be routed to the appropriate SPA contact (Grant Manager). The Grant Manager can be found on the Roles tab of the grant in Workday.

Maintenance/Repair Costs
Equipment maintenance/repair costs are not allowable as a direct charge to federally funded projects including federal pass through projects. There is however one exception - when maintenance/repair costs for equipment dedicated to a project which equipment was acquired for the project are allowable as direct costs to that project. (AS550 not required.)

Maintenance/repair costs are permitted to be charged as direct costs on non-federal agreements when used exclusively on a sponsored project or proportional benefit can be established by departmental documentation. The principal investigator (PI) must submit form AS550 to SPA for review to determine whether the charges meet the test of reasonableness, allocability, and allowability.

Overdrawn Accounts
University policy states that restricted accounts are the responsibility of the department and should not be in an overdraft status. However, some accounts may be in an overdraft status which are acceptable due to extenuating circumstances (such as, a multi-year agreement or incrementally funded agreement or a pending request for additional funding). It is imperative that immediate attention be given to such accounts and appropriate action is taken to clear any overdraft accounts.

Bursar Operations

Annual PCI training
Bursar Operations will be reaching out to merchants over the next few weeks to get an updated list for the annual PCI training course. The training is required for any employee or student worker that is involved in processing payment card transactions. The training course will be available online through CampusGuard, and will open in November.

Did you know some CARD entries can be submitted via e-mail?
CARD entries that do not contain cash, checks or money orders can be scanned and e-mailed to cardobo@lsu.edu. All approvals and supporting documentation are still required for the CARD entry to be worked. If you do not have access to a printer and/or scanner, we will accept any of the following:

* Sign electronically (using phones and/or computer mouse).
* Provide images of the CARD entry with all supporting documentation that contain signatures and have the signature clearly visible.
* The approval can be obtained via an e-mail directly from student/faculty/staff. If the authorization is received via e-mail without a signature, it must come directly from the user’s authenticated myLSU account, and not a secondary e-mail account.

University Cashier
Departmental deposits can be dropped off in person between 10:00 – 11:45 am and 12:30 – 4:00 pm, M – F.

- Maci Jones 578-1620 or macijones1@lsu.edu
- Jessica Hodgkins 578-1541 or jhodgkins1@lsu.edu

Expense Reports
Expense Reports should be created for LaCarte and CBA transactions with complete cost documentation and submitted for approvals no later than 30 days from the date of the purchase/transaction. Failure to adhere to this policy will result in the suspension of the cardholder’s privileges.

Annual Cardholder Review
Each Department Head is required to conduct an annual review of their unit’s LaCarte cardholder profiles, spending limits, and last usage date to determine if each employee should retain his/her card and/or if the cardholder’s spending limit should be adjusted. Cardholder listings were recently sent by AP & Travel to departments for review and certification by the Department Head. The listing should be returned to AP & Travel no later than October 15, 2021, where the information will be centrally filed.

Non-Expensed FY21 LaCarte Transactions
There are still 364 LaCarte procurement transactions outstanding for FY21. Cardholders may experience a suspension of card privileges for not adhering to the deadline. It is imperative that immediate action is taken by creating expense reports and attaching the completed AS900 form, if applicable to have the transactions reconciled. No cardholder privileges will be affected for outstanding transactions related to future travel. For questions, please contact DeAnna Landry at 578-8593 or deannal@lsu.edu.

LaCarte Card Distribution
LaCarte card distribution is being handled by appointment only. Cardholders will be notified by e-mail of available dates, times, and location to pick up the card. It is imperative that cardholders take the respective Accounts Payable office to be matched against the PO and Receipt.
correct training prior to card distribution. For questions or special requests concerning the LaCarte card, please contact DeAnna Landry at deannal@lsu.edu.

Safeguard LaCarte cards
LaCarte cards should be safeguarded in a safe place at all times. Card numbers should never be written on any supporting documentation, communicated through e-mail correspondence, or given to a supplier/merchant to keep on file. Cardholders experiencing any issues when using their card should contact DeAnna Landry at 578-8593 or deannal@lsu.edu.

Supporting Cost Documentation
All LaCarte transactions must have the appropriate supporting cost documentation that “tells the story”. It is important that the receipt is itemized with a detailed description of the item. If a detailed description is not provided, an explanation of the item should be provided. If the date on the supplier invoice does not coincide with the payment date on the credit card transaction in Workday, please include the order confirmation with the cost documentation to confirm the purchase date. This will help the LaCarte/Travel auditor expedite the review and approval process. Insufficient supporting cost documentation will delay the audit process and may affect the cardholder’s privileges.

For LaCarte related questions, please contact a member of the LaCarte staff:

- Theresa Oubre 578-1543 or talber3@lsu.edu
- Christian O’Brien 578-1544 or cobrien2@lsu.edu
- DeAnna Landry 578-8593 or deannal@lsu.edu

Non-Use of Christopherson Business Travel (CBT)
The use of CBT is mandatory for LSU faculty, staff and students. Non-use of CBT will cause a delay in the final approval of the traveler’s expense report. itinerary provides the ticket number and payment information. The final itinerary (pdf version) should be printed from CBT Concur. The e-mail confirmation with the itinerary sent by CBT is not acceptable since it does not provide all of pertinent required information. Unused Tickets purchased through Short’s Travel
The additional assistance with unused tickets by Short’s Travel Management expired on June 30, 2021. Any employee traveling during this time that has an eligible unused ticket must contact Christopherson Business Travel (CBT) directly at 1-800-961-0720 to seek assistance with reissuance of his/her unused ticket. The CBT agent fee will be $49 (not $24) since the ticket was not purchased originally with CBT and the processing time will take a little longer for the agent to reissue the ticket. Please ensure that the expense report number for the original airfare is referenced on the expense report for the new airfare along with a justification for the original flight cancellation. For questions, please contact Jennifer Driggers at 578-1538 or jdrigg@lsu.edu or Patrice Gremillion at pgremill@lsu.edu.

2. Special meal rates apply for catered events. Additional information related to catering services can be found on the Procurement Services webpage.

LaCarte can be used to pay for dine-in restaurant special meals. The cost of the meal is subject to the special meal rates listed in PM-13 and no alcohol should be included or paid with LaCarte. An itemized receipt for the total meal amount must be attached to the Expense Report reflecting the transaction. For questions regarding special meal events, please contact Jennifer Driggers at jdrigg@lsu.edu or 578-1538 or Patrice Gremillion at pgremill@lsu.edu or 578-3366.

Travel Audit Quick Tips!
Please see guidance below to help avoid a delay in processing travel expense report reimbursements:

1) A fully completed Spend Authorization must be linked to the Expense Report with the following information:
   a. Dates of Travel
   b. To and From Destinations
   c. Justification field is completed with a detailed purpose of travel
2) An AS292-A, Spend Authorization Attachment form should be attached to the Spend Authorization if one of the following criteria applies:
   a. Disclosure of personal travel dates and destinations
   b. Request for US Department of State Rates
   c. Request for High Risk Travel to a Restricted Region Approval
   d. Approval of Travel for a period that exceeds 30 days in one business location
3) All expenses that require a receipt must have an itemized receipt attached in the Attachment tab of the expense report.
4) Cost documentation for lodging receipts should have a zero balance hotel folio or include payment information.
5) For reimbursement of mileage, a mileage calculator or odometer reading is considered sufficient supporting documentation.
6) Conference agenda/documentation are needed for supporting documentation to confirm the conference itinerary and conference lodging rate.
7) When meal per diem is claimed, the exact dates and times of departure/return must be provided – preferably at the line item details on the expense item.
8) When a student study trip is processed, the final student list of who attended the trip should be provided on the expense report.
9) When multiple expense reports pertain to one trip, a cross reference of all expense reports is best, especially when the expenses are paid by another person.
10) Single day meals have a separate expense item than standard per diem. Please refer to PM-13 Appendix A for Single Day Meal reimbursement rates and time requirements.
11. When airfare is cancelled/changed or a hotel “no-show” fee occurs, a justification should be provided in the supporting documentation.

12. Personal travel should not be included in business travel, but when it happens, the personal destinations and dates must be provided on the AS292-A, Spend Authorization Attachment form. Also, the airfare reimbursement will be reduced. Please see PM-13, Section V.A.4, for more information. Also, an airfare quote from CBT for LSU business days/destination along with a justification must be attached to the expense report.

Payroll

Partial Payments
A partial payment is issued to an employee when the appointment transaction or timesheet is not completed by the payroll processing date. Please refer to the Payroll website for a more detailed explanation of the partial payment procedure. Before departments request a partial payment for the employee be sure that the employee has reviewed and understands the partial payment process and send Payroll an acknowledgement that the employee is actually requesting a partial payment.

International Employees
Tax treaty benefits expire December 31, 2021. Departments and affected employees will be receiving detailed instructions soon on the renewal process.

Edit Passport and Visa Task
Please ensure that all employees are completing the Edit VISA and Passport Task. The Payroll Office uses the VISA information to monitor when an international employee reaches substantial presence. Once an employee reaches substantial presence, they may be eligible for a retirement plan or mandated to pay OASDI and Medicare. Payroll cannot effectively capture this population and coordinate with Human Resources to ensure that the employees taxes and retirement are coded correctly without the VISA information. An alert similar to the ones received for personal information change and onboarding will be added. We are asking the departments to review and make certain that all their employees are completing this task in a timely manner.

Employee Benefits Annual Enrollment
LSU’s Annual Enrollment is being held from October 1, 2021 through November 15, 2021. During this time, employees are able to make benefit plan changes for an effective date of January 1, 2022.

All eligible active employees will be routed an Open Enrollment event in Workday in October for Annual Enrollment. The Open Enrollment event will go to their Workday Inbox. The Open Enrollment event in employee’s inboxes will disappear at close of business on November 15th. Retirees will not have access to Workday. Retirees will receive an Annual Enrollment change form in the mail to be returned to LSU in order to make plan changes.
Payroll continued...

Employees are encouraged to print a benefits confirmation from their Benefits worklet after completing their Open Enrollment event in Workday. Employees should verify all benefits, contact information, personal information, dependent information, and plans are correctly reflected on their records and review their elections at the completion of the Open Enrollment event in Workday. This process will eliminate not receiving ID cards, tax documents, and desired benefits.

Employees currently participating in the flexible spending and health savings account options must re-enroll for the 2022 plan year. Employees may enroll in flexible spending account options through their Workday Open Enrollment event. The maximum contribution limits employees can elect for the 2021 plan year is $2,750 for health care and $5,000 for dependent care plan year is $2,750 for health care and $5,000 for dependent care.

Employees may enroll in Health Savings Account by completing a HSA_Enrollment Form GB-79 which can be found on the LSU HRM Benefits website. The GB-79 form must be routed to Anne Landry’s attention in Payroll, 204 Thomas Boyd Hall. Employees must be enrolled in the Pelican HSA_775 Medical Plan to participate in the Health Savings Account.

United Way
Employees may elect to contribute to United Way through their Workday Benefits Worklet by selecting the United Way Benefit Event. The effective date of the contribution will be determined by the Benefit Event date inputted by the employee. The current United Way deduction will remain in effect unless a new election is made to change the current election.

Administration continued...

W-9 Requests
All requests for a W-9 should be forwarded to Brenda Wright at bwrigh4@lsu.edu or Desiree Esnault at desnault@lsu.edu. This document must be signed by Interim Associate Vice President Elahe Russell on behalf of the University. The W-9 will be sent directly to the vendor from Accounting Services with a copy sent to the requesting department.

Vendor Applications
When LSU does business with an organization, the University (department) must enroll or register in that organization’s vendor database. This will oftentimes be referred to as the vendor application or enrollment process. During the registration process, various documents may be requested by the vendor such as a vendor application referenced above. It is the responsibility of the department to initiate the vendor application process by completing as much information as possible on the vendor application or enrollment form. This form will vary by vendor and will ask for specific information pertaining to the department, contact information, goods/services, etc. Note: it is common for a W-9 to be requested during this process. Upon completion, forms should be forwarded to Accounting Services, 204 Thomas Boyd Hall. The proper signature will be obtained and the documents will be returned to the requesting department or submitted directly to the vendor.
