What is a Diverse or HUB Supplier?

Supplier must hold at least one certified diverse business classification issued by a third-party qualifying agency to be identified as a HUB supplier in the LSU database.

- Minority Business Enterprise (MBE)
- Woman Business Enterprise (WBE)
- Disadvantaged Business Enterprise (DBE)
- Disability-Owned Business Enterprise (DOBE)
- Veteran-Owned Business (VOB)
- Small Businesses (Small)
HUBs and Master Contracts

Purchases made directly from a HUB supplier are considered direct or tier 1 spend. Examples include:

- AmeriPrint – Small – Hudson Initiative
- Christopherson Business Travel – WBE
- SHI International - WBE

While working with major/master contract suppliers, we encourage their use of diverse suppliers as part of LSU’s 2nd tier efforts. Examples include:

- Amazon Business – Sells diverse products
- Grainger – Offers diverse products
- Office Depot – Offers diverse products
- America to Go – hosts diverse caterers
- Exemplis, Global Furniture and OFS Brands - uses Corporate Interiors of Baton Rouge LLC – SDVOB as distributor

What can your college/department do to help?

In order to create a more inclusive supplier community, those individuals making purchasing decisions must fully embrace the LSU Supplier Diversity initiative. Please remember to:

✓ Share information about new HUBs sources or products

✓ Be aware of HUBs in the commodities you purchase and consider directing department-level purchases under $10,000 to those suppliers

✓ Make use of established term contracts with HUBs or master contracts who have HUB subcontractors/distributors

✓ When searching for goods or services in Workday Supplier Catalogs, look for a Diverse Supplier icon next to the supplier name/product or filter the catalog site for Diverse Supplier Products

Finding Diverse Suppliers

We are committed to assisting all departments with inclusion of diverse suppliers in their procurement of goods and services. Below are instructions on how to find diverse suppliers:

1. Search the Workday supplier database by running the Find Diverse Suppliers report. This will allow you to view all flagged diverse suppliers by supplier group and classification type.
2. In the event a diverse supplier cannot be located in Workday, email suppdiversity@lsu.edu for a diverse supplier recommendation. Email must include explanation of specific good or service, estimated cost, along with time frames for when item is needed and duration and other pertinent information impacting the purchase.
3. In the event a diverse supplier does not exist or Supplier Diversity cannot locate in this commodity, Supplier Diversity will grant a one-time waiver to proceed with the procurement process.
