Column Explanations

Date Funding Notice was Received: Typically, this will be the date that the funding notice was received (as the title suggests). However, if an award notice is future dated, the future date should be listed in this column. For example, an award letter is received on 1/1/18 for funding that is set to begin on 2/1/18. The 2/1/18 date should be used.

Project Title: Title of project that is being funded.

Sponsor Name: Name of entity providing funding to STC.

Sponsor Type: Federal Agency, State Agency, For Profit, Foreign Sponsor, Local Government Agency, Non-Louisiana State Agency, Non-Profit, Private University, Louisiana Public University, Non-Louisiana Public University

Sponsor Award Reference Number: Sponsor issued number used to identify the award.

Amount Obligated by Award Notice: Total amount currently obligated by the award. This does not include any amounts that are anticipated to be obligated in the future. Future obligations will be reported once they are received.
