

Louisiana State University
FY 21-22 Approved Service Centers
Revised February 16, 2022

College of Science

- Technical Services Group
- Nitrogen Cost Center
- X-Ray Diffraction Laboratory
- Chemistry Mass Spectrometry Facility
- CENEX Service Center
- Nuclear Magnetic Resonance (NMR) Facility
- Chemistry Stockroom

College of Engineering

- Materials Manufacturing, Testing and Evaluation Facility (MMTEF)
- Advanced Manufacturing & Machining Facility (AMMF)

Louisiana Geological Survey

- LGS – Geophysical Services Center

School of Mass Communication

- Public Policy Research Lab

Office of Research & Economic Development

- Shared Instrumentation Facility

CAMD

- LSU Nanofabrication Facility (NFF)/CAMD Cleanroom Service Center
- CAMD Beamlines

School of Veterinary Medicine

- Pathobiological Sciences Service Center
- Gene Probes and Expression Lab
- Histopathology Core Service Center
- Life Science Animal Care Facility (LSACF)
- Division of Lab Animal Medicine (DLAM)
- DLAM Farm Operations

College of Coast & Environment

- Wetland Biogeochemistry Institute Analytical Services (WBIAS)
- Coastal Studies Institute – Field & Lab Services
- Field Support Services

LSU Agricultural Center

- Central Analytical Instruments Research Lab
- AgCenter Biotechnology Laboratory
- Callegari Water Quality Lab
- Greenhouse Service Center

Pennington Biomedical Research Center

PBRC Cell Biology and BioImaging Core

PBRC Clinical Super Core

PBRC Comparative Biology

PBRC Genomics Core

PBRC Transgenics Core

PBRC Comparative Metabolic and Behavioral Core

PBRC IDR Core
