

Louisiana State University
FY 22-23 Approved Service Centers
Revised November 8, 2022

College of Science

- X-Ray Diffraction Laboratory
- Liquid Helium Cost Center
- Liquid Nitrogen Cost Center
- Technical Services Group
- Chemistry Mass Spectrometry
- Nuclear Magnetic Resonance (NMR)
- Chemistry Stockroom

College of Engineering

- Advanced Manufacturing & Machining Facility (AMMF)
- Materials, Manufacturing, Testing and Evaluation Facility (MMTEF)

School of Mass Communication

- Public Policy Research Laboratory (PPRL)

Office of Research & Economic Development

- Shared Instrumentation Facility

School of Veterinary Medicine

- Histopathology Core Cost Center
- Advanced Imaging Laboratories
- Life Science Animal Care Facility (LSACF)
- Division of Laboratory Animal Medicine (DLAM)
- DLAM Farm Operations
- Gene Probes and Expression Lab
- Pathobiological Sciences Core Center

CAMD

- CAMD Beamlines
- CAMD Cleanroom/LSU Nanofabrication Facility (NFF)

College of Coast & Environment

- Wetland Biogeochemistry Institute Analytical Services (WBIAS)
- Field Support Services
- Coastal Studies Institute – Field & Lab Services

LSU Agricultural Center

- Greenhouse Services Center
- Callegari Water Quality Lab

Pennington Biomedical Research Center

- PBRC Genomics Core Lab
- PBRC Genetically Engineered Mouse Core (Transgenics)
- PBRC Clinical Super Core

PBRC Comparative Metabolic and Behavioral Core
PBRC IDR Core
PBRC Cell Biology and BioImaging Core
PBRC Comparative Biology
