2016-17 NCA 2016

LSU is the elite 1 percent of U.S. universities having land-, sea-, and space-grant status.
LSU is a member of the Laser Interferometer Gravitational-Wave Observatory (LIGO) Scientific Collaboration, a dynamic group of scientists from around the globe collaborating to detect and study gravitational waves.
The College of Science is the top producer of African American PhDs and women PhDs in chemistry in the U.S.
LSU’s School of Veterinary Medicine is one of only 30 accredited colleges of veterinary medicine in the U.S. The graduate program excels in research on equine health, vector-borne diseases, respiratory diseases, and molecular medicine and imaging.
The LSU Center for Internal Auditing is the premier internal audit program in the world and is a model for similar programs in other schools and countries.
The LSU College of Art & Design’s Robert S. Reich School of Landscape Architecture is consistently ranked as a top school in the country in undergraduate education.
The LSU Department of French Studies has been recognized by the Cultural Services office of the French Ambassador to the U.S. as a centre d’excellence, an honor given to only 15 university French programs in America.
Through the College of Engineering, LSU is the only university in North America where future petroleum engineers can get hands-on training in oil well control at the Petroleum Engineering Research & Technology Transfer Laboratory.

LSU IS AN EQUAL OPPORTUNITY/ACCESS UNIVERSITY 2017
